Thank you for your comment regarding the proposed Consent Order accepted by the Federal Trade Commission for public comment in the above-captioned matter. As we understand your comment, you have concerns that the acquisition will enable Fidelity National Financial, Inc. and Lender Processing Services, Inc. to dominate the market. The Commission has reviewed your comment in connection with its decision concerning whether to accord final approval to the proposed Consent Order.

The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii), and it has been given careful consideration. The Commission undertook a lengthy and thorough investigation to determine any impact the proposed transaction may have on a variety of product markets. The Commission concluded that the transaction does not raise anticompetitive concerns with the exception of those identified in the Commission's statement.

In connection with its evaluation of this proposed transaction, the Commission received information from numerous sources, including the parties to the transaction and third parties, in addition to letters submitted by commenters during the public comment period. The Commission analyzed all of the information available to it, including your comment. As a result of that analysis, the Commission concluded that the public interest would best be served by issuing the Decision and Order as final. A copy of the final Decision and Order is enclosed for your information. Relevant materials also are available from the Commission's website at <http://www.ftc.gov>.
