Re: *In the Matter of CoreLogic, Inc. / TPG VI Ontario 1 AIV L.P.,
FTC File No. 131 0199*

Thank you for your comments regarding the proposed Consent Order accepted by the Federal Trade Commission for public comment in the above-captioned matter. The Commission has reviewed your comments in connection with its decision concerning whether to accord final approval to the proposed Consent Order. The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii), and it has been given careful consideration.

The Commission conducted its non-public review of the proposed acquisition pursuant to its authority under Section 7 of the Clayton Act, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, 15 U.S.C. § 45. As such, the Commission has jurisdiction only to fashion remedies that are required to fix the competitive concerns that arise from violations of federal antitrust law resulting from CoreLogic, Inc.'s acquisition of TPG VI Ontario 1 AIV L.P. Your comment appears to summarize problems you have encountered with credit reporting services and identity theft. While the Commission cannot resolve issues that do not arise from violations of antitrust law relating to this transaction as part of this antitrust settlement, if you wish, you may file a separate complaint with the Commission at <https://www.ftccomplaintassistant.gov> or toll free at 1-877-382-4357.

In connection with its evaluation of this proposed transaction, the Commission received information from numerous sources, including the parties to the transaction and third parties, in addition to letters submitted by commenters during the public comment period. The Commission analyzed all of the information available to it, including your comment. As a result of that analysis, the Commission has concluded that the public interest would best be served by issuing the Decision and Order as final. A copy of the final Decision and Order is enclosed for your information. Relevant materials also are available from the Commission's website at <http://www.ftc.gov>.

It helps the Commission's analysis to hear from a variety of sources in its work on antitrust and consumer protection issues, and we appreciate your interest in this matter.

By direction of the Commission, Commissioner McSweeney not participating.
