

have been or are being committed and to produce reports from the data. The EEOC issued regulations requiring referral local unions with 100 or more members to submit EEO-3 reports. The individual reports are confidential. The EEOC uses EEO-3 data to investigate charges of discrimination and for research.

Burden Statement: The EEOC has updated its methodology for calculating annual burden to reflect the different staff that are responsible for preparing and filing the EEO-3. The EEOC now accounts for time to be spent biennially

on EEO-3 reporting by business agents and administrative staff, as well as time spent by attorneys who, in a few cases, may consult briefly during the reporting process. As shown in Table 1 below, we estimate that Secretaries/Administrative Assistants and Business Agents will each spend 1 hour per report, and Legal Counsel will spend .05 hour per report. The estimated number of respondents included in the biennial EEO-3 survey is 1,075 referral unions, as this is the number of filers from the 2014 reporting cycle. Table 1, below, was utilized to quantify estimates of the annual burden

of EEO-3 survey respondents. Burden hour cost was calculated using median hourly wage rates for administrative staff and legal counsel, and average hourly wage rates for labor union business agents.² The estimated hour burden per report will be 2.05 hours, and the estimated total biennial respondent burden hours will be 2,203.75. The burden hour cost per respondent will be \$84.54, and the estimated total biennial burden hour cost for all respondents will be \$90,885.34. (See Table 1 for calculations.)

TABLE 1—ESTIMATE OF BURDEN FOR EEO-3 REPORT

Local referral union staff	Hourly wage rate	Hours per local	Cost per local ³	Total burden hours ⁴	Total burden hour cost ⁵
Number of Local Unions = 1075					
Secretaries and Administrative Assistants	\$17.55	1	\$17.55	1075	\$18866.25
Business Agent	64.21	1	64.21	1075	69025.75
Legal Counsel	55.69	0.05	2.7845	53.75	2993.3375
Total	137.45	2.05	84.5445	2203.75	90885.3375

Estimated burden hours were calculated by multiplying the number of reports expected to be filed biennially (1,075 in 2014) by the estimated average time to complete and submit each report (2.05 hours). These estimates are based on an assumption of paper reporting. However, the EEOC has made electronic filing much easier for respondents required to file the EEO-3 Report. As a result, more jurisdictions are using this filing method. This development, along with the greater availability of human resource information software, is expected to have significantly reduced the actual burden of reporting, but empirical data in this area is lacking. The Commission continues to develop more reliable estimates of reporting burdens given the significant increase in electronic filing and explore new approaches to make such reporting even less burdensome. In order to help reduce survey burden, respondents are

encouraged to report data electronically whenever possible.

Dated: January 13, 2017.

For the Commission.

Chair.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
