RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

Well I guess you people (the EPA) do not live in the real world. I have not read One article that says E85 is ok to use in any engine I own CAR, TRUCK, MOTORCYCLE, GARDEN TRACTOR, TILLER, SNOW BLOWER, CHAINSAW, WEED WACKER! ALL my MANUALS WARN AGAINST the use OF E85 IN THEM. MAYBE its time you read up on a few things.

OR WILL IT COST SOME ONE A LIFE OR ARM OR LEG!!

Sincerely,
Thomas Patton, OH
