

## The antioxidant superpill.<sup>TM</sup>

**1000 milligrams. 0 calories.**

Ready to take your antioxidants into your own hands? Introducing POMx<sup>™</sup> – a highly concentrated, incredibly powerful blend of all-natural polyphenol antioxidants, made from the same pomegranates as **POM Wonderful<sup>®</sup> 100% Pomegranate Juice**.

POMx fights free radicals with a powerful 1000 milligrams. That's more concentrated polyphenol antioxidants than any other pomegranate supplement. And POMx is the first and only antioxidant supplement reviewed for safety by the FDA.

100% All-natural.

The antioxidant power of our 8oz juice.

POMx is made from the only pomegranates backed by \$32 million in medical research. These are the same pomegranates we use to make our POM Wonderful 100% Pomegranate Juice, on which each of the following medical studies was conducted. An initial UCLA MEDICAL STUDY on POM Wonderful 100% Pomegranate Juice found *hopeful results for prostate health*. The study reports "statistically significant prolongation of PSA doubling times," according to Dr. Allen J. Pantuck in *Clinical Cancer Research*, 2006.<sup>1,2,3</sup> Two additional preliminary studies on our juice found *promising results for heart health*. "Stress-induced ischemia decreased in the pomegranate group," Dr. Dean Ornish reported in the *American Journal of Cardiology*, 2005.<sup>1,2,4</sup> "Pomegranate juice consumption resulted in a significant IMT<sup>5</sup> reduction by up to 30% after one year," said Dr. Michael Aviram, referring to reduced arterial plaque in *Clinical Nutrition*, 2004.<sup>1,2,6</sup>
