FTC-I-6

SYSTEM NAME:

Public Records–FTC.

SECURITY CLASSIFICATION:

Not applicable.

SYSTEM LOCATION:

Federal Trade Commission, 600 Pennsylvania Avenue, NW., Washington, DC 20580. See Appendix III for other locations where records may be maintained or accessed.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Participants in Commission investigations, rulemaking, advisory, and law enforcement proceedings; parties requesting formal advisory opinions; and consumers who have received redress or who are entitled to redress pursuant to Commission or court orders. (Businesses, sole proprietorships, or corporations are not covered by this system.)

CATEGORIES OF RECORDS IN THE SYSTEM:

Public comments and other records that an individual may submit in an agency matter, where such record is subject to routine inspection and copying under the FTC’s Rules of Practice, 16 CFR 4.9(b). These records include records that either have become or are likely to become the subject of subsequent requests for substantially the same records under the Freedom of Information Act (FOIA). See 5 U.S.C. 552(a)(2)(D). This system (FTC I-6) is limited to files and records that are about an individual, and only when the file or record is pulled (“retrieved”) by the name of that individual or other identifying particular assigned to that individual (e.g., number, symbol, fingerprint, etc.). Public comments received in connection with FTC rulemakings, workshops and consent agreements are also collected on behalf of the FTC and maintained by the Government-wide Federal Docket Management System (FDMS) through a Web site (www.regulations.gov). The Environmental Protection Agency (EPA) manages and operates the FDMS on behalf of the Federal Government, and has published a system of records notice to cover the FDMS, including any records collected on behalf of the FTC through that system. See EPA-GOV'T-2 (FDMS).

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

PURPOSE(S):

To make appropriate portions of the records in FTC matters available to the public; to enable members of the public to review and comment on or respond to such comments; to maintain records of Commission activities related to those matters.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

Records in this system may be:

(1) Disclosed on the FTC’s public record under the FTC’s Rules of Practice, including by posting copies of such records on the FTC’s Web site, www.ftc.gov, or made public by other electronic or non-electronic means. See 16 CFR 4.9(b); or

(2) Disclosed publicly through the FDMS or for any other routine use set forth in the system of records notice published for that system of records, EPA-GOVT-2 (FDMS), or any successor system notice for that system.

See also Appendix I for other ways that the Privacy Act permits the FTC to use or disclose system records outside the agency.

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

Public records are not routinely referred to consumer reporting agencies, but because they are publicly accessible, they can be searched and used by any person or entity outside the FTC, which could include a consumer reporting agency. Disclosure is also authorized under 5 U.S.C. 552a(b)(12) when trying to collect a claim of the Government. See Appendix I.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

The FTC maintains these records in various electronic and non-electronic formats and media (e.g., paper, microfilm, CD-ROMs, other digital files). The FTC maintains electronic records in this system using a combination of different databases and applications, rather than maintaining them in a single electronic system.

RETRIEVABILITY:

Indexed by respondent’s, participant’s, or FTC staff member’s name; company name; industry investigation title; and FTC matter number.
SAFEGUARDS:

The FTC’s Web sites are secured and monitored to protect against unauthorized deletion or alteration of records posted on such sites. Access to the official record copy of such records is restricted, where appropriate, to agency personnel or contractors whose responsibilities require access.

RETENTION AND DISPOSAL:

Records are retained and disposed of under applicable schedules and procedures approved by the National Archives and Records Administration.

Director, Records and Filings Office, Federal Trade Commission, 600 Pennsylvania Avenue, NW., Washington, DC 20580.

Individual respondent(s) or proposed respondent(s), company records, complainants, informants, witnesses, participants, and FTC employees.
