

Four Ways *to Stay Ahead*

of COVID-19 Vaccine Certificate Scammers

Right now, there are no plans to create a national COVID-19 vaccine verification app, certificate or passport. ***To stay ahead of scammers:***

Be skeptical of anyone contacting you from the federal government.

No agency will call, email, or text demanding your personal information or money to get a vaccine certificate or passport.

Check with airlines, cruise lines, and event venues about their requirements.

Don't rely on information from someone who calls, texts, or emails you out of the blue.

Contact your state government about its vaccine verification plans and requirements.

Don't share your information with just anyone.

That real-looking site could be scammers looking for your money or information.

Report vaccine passport scammers to the FTC at [ReportFraud.ftc.gov](https://www.ftc.gov/whistleblower) or your attorney general at [ConsumerResources.org](https://www.consumerresources.org).
