ENTERIC COATED ASPIRIN
SAFETY COATED
FOR ARTHRITIS PAIN
100 TABLETS-325 mg each

STOP & SHOP

Enteric-coated aspirin is intended for the treatment of arthritis pain. It is designed to release the active ingredient slowly and to minimize gastrointestinal irritation. It is taken orally with or without food. Each tablet contains aspirin 325 mg. Use only as directed. Do not exceed the recommended daily dose of 325 mg. Aspirin is a common ingredient in over-the-counter medications and should be used with caution. Possible side effects include stomach irritation, upset stomach, and gastrointestinal bleeding. If you experience any side effects, please consult a healthcare professional. This product is not suitable for children under 12 years of age. If you are pregnant or breastfeeding, consult a healthcare professional before using. If you are taking any other medication, consult a healthcare professional before using. Use by a doctor. Protect from moisture.
