**THE BOEING COMPANY'S UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE MOTION FOR *IN CAMERA* TREATMENT OF CERTAIN BOEING CONFIDENTIAL AND PROPRIETARY INFORMATION**

Pursuant to 16 C.F.R. § 3.22(d), third-party The Boeing Company ("Boeing"), by undersigned counsel, respectfully requests that it be granted an extension of time in which to file a motion under to 16 C.F.R. § 3.45(b) for *in camera* treatment of certain confidential and proprietary information produced by Boeing to the parties in this matter.

Although not a party to this proceeding, Boeing has produced a significant amount of confidential and proprietary information to counsel for the Respondent, MSC Software Corporation ("MSC") and to the Federal Trade Commission's Complaint Counsel ("Commission") pursuant to subpoenas issued by the parties and under the terms of the protective order entered by the Administrative Law Judge in this case. Boeing has become aware that the parties intend to use some of the confidential information produced by Boeing as exhibits at the hearing in this matter. Accordingly, Boeing anticipates filing a motion requesting *In Camera* Treatment of Certain Confidential and Proprietary Information ("Motion for *In Camera* Treatment").

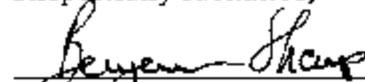

Under the current schedule, Boeing must file its Motion for *In Camera* Treatment on or before Tuesday, June 11, 2002. Counsel for Boeing together with numerous

Boeing employees are engaged in reviewing, culling, and evaluating the confidential and proprietary nature of the information produced which the parties have indicated may be used as exhibits in this matter. Despite its best efforts, however, Boeing will be unable to complete this effort before the June 11, 2002, deadline currently in place. Therefore, Boeing requests that it be granted a 10-day extension in which to file its Motion for *In Camera* Treatment.

Boeing has contacted Counsel for MSC and the Commission regarding this motion for extension of time. Counsel for both parties have indicated that they do not oppose the motion.

Accordingly, the motion for extension should be granted and Boeing allowed to file its Motion For *In Camera* Treatment on or before Friday, June 21, 2002.

Respectfully submitted,
