Docket No. 9299

**COMPLAINT COUNSEL'S MOTION
TO MODIFY CERTAIN DATES IN
SECOND REVISED SCHEDULING ORDER**

Complaint Counsel hereby request modifications, as set forth below, to certain dates specified in the Second Revised Scheduling Order pertaining to the filing, by both parties, of Pretrial Briefs, Proposed Findings of Facts and Conclusions of Law, and by Complaint Counsel of certain rebuttal papers. Complaint Counsel seek the modifications in order to enable both parties to provide Your Honor with more carefully prepared materials to assist in the presentation of their respective positions in the trial of this case. This motion is prompted in part by the intensity of fact discovery over the past several weeks, which has continued after the date for close of the discovery set in the Scheduling Order. The proposed modifications should not necessitate any delay in the commencement of the hearing in this case. Respondent MSC.Software Corporation does not oppose the requested modifications in the Scheduling Order.

Complaint Counsel specifically request that the Second Revised Scheduling Order be modified as follows:

EVENT	CURRENT DATE	PROPOSED DATE
Complaint Counsel files pretrial brief, to include proposed findings of fact and conclusions of law.	June 10	June 14
Respondent files pretrial brief, to include proposed findings of fact and conclusions of law.	June 17	June 21
Complaint Counsel files reply to Respondent's pretrial brief, supported by documents and deposition citations and identifying any final rebuttal exhibits (together with copies thereof).	June 24	June 28

Dated: June 10, 2002

Respectfully Submitted,
