Weight 115lbs

- No dangerous drugs or unnatural chemicals!
- No starvation diets, small portions or missed meals!
- No awkward tablets or capsules to swallow!
- No impossible back-breaking exercises!
- Just fast and easy, LASTING weight loss!

If you've tried other diets before only to find that they didn't work for you, then this revolutionary new discovery could be the answer to your prayers!

Hydro-Gel Slim Patch™ will be the easiest and most successful weight loss program you have ever used. Hydro-Gel Slim Patch™ is for **anyone** who has already tried to lose weight but failed - **anyone** who has lost weight before only for it to pile back on again later - **anyone** who is now overweight and wants to be slimmer!

You simply wear technologically advanced new Hydro-Gel Slim Patch™ discreetly on your skin - you're the only one who ever needs to know it's there! It's far more effective and pleasant to wear than an old-fashioned conventional patch. The revolutionary soft gel construction means Hydro-Gel Slim Patch™ is able to carry more special ingredients for peak dispersal efficiency. Throughout the entire day it gradually releases a scientifically predetermined, carefully controlled amount of slimming actives directly to the point of contact - even while you sleep!

The remarkable dual fat-fighting ingredients - Fucus and Guaranine - are both completely safe natural extracts. They work together to boost your metabolism to spectacular new levels - helping to incinerate away your repulsive excess adipose tissue faster than you ever believed possible. In fact, your very own secret 'fat furnace'!

You won't find an easier way to successfully lose weight and **stay slim** than with Hydro-Gel Slim Patch™. It is not a boring, soul-destroying diet. It doesn't require grueling exercise. There are no dangerous capsules or tablets to swallow. Best of all, you continue to eat your favorite foods! Hydro-Gel Slim Patch™ is safe to use and has no harmful side effects. It lets you carry on with normal life, eat a balanced diet and still lose weight.

After just a few days on the Hydro-Gel Slim Patch™ program you will notice the pounds begin to melt away. Tight waistbands and collars will suddenly seem looser. Your friends will all be paying you complements. Continue with the program and your figure will get slimmer and, most importantly **stay** slimmer - until you have the body you've always dreamed of.
