*provided, however*, that if Respondents have divested the Divestiture Product Assets to Barr prior to the date this Order becomes final, and if, at the time the Commission determines to make this Order final, the Commission notifies Respondents that Barr is not an acceptable purchaser of the Divestiture Product Assets, then Respondents shall immediately rescind the transaction with Barr, in whole or in part, as directed by the Commission, and shall divest the Divestiture Product Assets within one hundred eighty (180) days from the date the Order becomes final, absolutely and in good faith, at no minimum price, to an Acquirer(s) and only in a manner that receives the prior approval of the Commission;

- C. Respondents shall do the following and, in addition, include the following among the provisions in the Remedial Agreement(s) related to each of the Divestiture Products:
1. upon reasonable notice and request from the Acquirer to Respondents, Respondents shall provide in a timely manner at no greater than Direct Cost the following:
    - a. assistance and advice to enable the Acquirer (or the Designee of the Acquirer) to obtain all necessary permits and approvals from any Agency or Government Entity to manufacture and sell the relevant Divestiture Products in commercial quantities (including, but not limited to, those Divestiture Products for which Respondent Mayne has, at any time, ceased production);

    - c. consultation with knowledgeable employees of Respondents and training, at the request of the Acquirer and at a facility chosen by the Acquirer, until the Acquirer (or the Designee of the Acquirer) obtains all FDA approvals necessary to manufacture in commercial quantities, and in a manner consistent with cGMP, the relevant Divestiture Product(s) (including, but not limited to, those Divestiture Products for which Respondent Mayne has, at any time, ceased production) independently of Respondents and sufficient to satisfy management of the Acquirer that its personnel (or the Designee's personnel) are adequately trained in the manufacture of the relevant Divestiture Product(s);
    - d. personnel, assistance and training as the Acquirer might reasonably need to transfer the assets related to the Divestiture Products;
  2. provide an organized, comprehensive, complete, useful, timely, and meaningful transfer of information related to the Product Manufacturing Technology, and, as a part of such transfer, shall designate employees of Respondents knowledgeable with respect to such Product Manufacturing Technology and experienced in such transfers to a committee for the purposes of communicating directly with the Acquirer and the Interim Monitor (if applicable) for the purposes of effecting such transfer;

3. include in the Remedial Agreement a representation from the relevant Acquirer that such Acquirer shall use commercially reasonable efforts to secure the FDA approval(s) necessary to manufacture, or to have manufactured by a Third Party, in commercial quantities, each such Divestiture Product and to have any such manufacture to be independent of Respondents, all as soon as reasonably practicable;
4. upon reasonable notice and request from the Acquirer to Respondents, Respondents shall provide, in a timely manner, at no greater than Direct Cost, assistance of knowledgeable employees of Respondents to assist the Acquirer to defend against, respond to, or otherwise participate in any litigation related to the Product Intellectual Property related to the relevant Divestiture Product(s);
5. for any patent infringement suit in which either Respondent is a party prior to the Closing Date or for such Respondent has prepared or is preparing as of the Closing Date to be a party, and where such a suit would have the potential to interfere with the Acquirer's freedom to practice in the research, Development, manufacture, use, import, export, distribution or sale of the relevant Divestiture Product(s), Respondents shall:
  - a. cooperate with the Acquirer and provide any and all necessary technical and legal assistance, documentation and witnesses from Respondents in connection with obtaining resolution of any pending patent litigation involving a Divestiture Product;
  - b. waive conflicts of interest, if any, to allow either Respondents' outside legal counsel to represent the Acquirer in any ongoing patent litigation involving a Divestiture Product; and

6. Respondents shall not seek pursuant to any dispute resolution mechanism incorporated in any Remedial Agreement a decision the result of which would be inconsistent with the terms of this Order and/or the remedial purposes thereof;
7. upon reasonable notice and request from the Acquirer to Respondents, Respondents shall Contract Manufacture and deliver to the Acquirer, in a timely manner and under reasonable terms and conditions a supply of each of the relevant Divestiture Products or, in substitute for this, a supply of the relevant Retained Product that is the generic equivalent to the Divestiture Product, at Respondents' Supply Cost, for a period of time sufficient to allow the Acquirer (or the Designee of the Acquirer) to obtain all of the relevant Agency approvals necessary to manufacture in commercial quantities, and in a manner consistent with cGMP, the relevant finished drug product independently of

Respondents and to secure sources of supply of the relevant active pharmaceutical ingredients, excipients, other ingredients, and/or necessary components specified in the Respondents' Application(s) for the Product from entities other than Respondents;

*provided, however*, that in each instance where: (1) an agreement to Contract Manufacture is specifically referenced and attached to this Order, and (2) such agreement becomes a Remedial Agreement for a Divestiture Product, Supply Cost shall be determined as specified in such Remedial Agreement;

8. provide a right on behalf of the Acquirer to utilize a Third Party to conduct an independent audit at least once per year in order to verify whether the Respondents' determination of the cost charged to the Acquirer for any Products supplied under a Contract Manufacture is consistent with United States Generally Accepted Accounting Principles and the calculation of cost agreed to under the Remedial Agreement to Contract Manufacture the Product;
9. make representations and warranties to the Acquirer that the Product(s) supplied through Contract Manufacture pursuant to the Remedial Agreement meet the relevant Agency-approved specifications. For the Product(s) to be marketed or sold in the Geographic Territory, Respondents shall agree to indemnify, defend and hold the Acquirer harmless from any and all suits, claims, actions, demands, liabilities, expenses or losses alleged to result from the failure of the Product(s) supplied to the Acquirer pursuant to the Remedial Agreement by Respondents to meet cGMP. This obligation may be made contingent upon the Acquirer giving Respondents prompt, adequate notice of such claim and cooperating fully in the defense of such claim. The Remedial Agreement shall be consistent with the obligations assumed by Respondents under this Order; *provided, however*, that Respondents may reserve the right to control the defense of any such litigation, including the right to settle the litigation, so long as such settlement is consistent with Respondents' responsibilities to supply the ingredients and/or components in the manner required by this Order; *provided further* that this obligation shall not require Respondents to be liable for any negligent act or omission of the Acquirer or for any representations and warranties, express or implied, made by the Acquirer that exceed the representations and warranties made by Respondents to the Acquirer; *provided further* that in each instance where: (1) an agreement to divest relevant assets is specifically referenced and attached to this Order, and (2) such agreement becomes a Remedial Agreement for a Divestiture Product, each such agreement may contain limits on Respondents' aggregate liability resulting from the failure of the Products supplied to the Acquirer pursuant to such Remedial Agreement by Respondents to meet cGMP;
10. make representations and warranties to the Acquirer that Respondents shall hold harmless and indemnify the Acquirer for any liabilities or loss of profits resulting from the failure by Respondents to deliver the Products in a timely manner as required by the

Remedial Agreement unless Respondents can demonstrate that their failure was entirely beyond the control of Respondents and in no part the result of negligence or willful misconduct by Respondents; *provided, however*, that in each instance where: (1) an agreement to divest relevant assets is specifically referenced and attached to this Order, and (2) such agreement becomes a Remedial Agreement for a Divestiture Product, each such agreement may contain limits on Respondents' aggregate liability for such a breach; and

11. for any Product that has been classified by the FDA or the DEA as a Schedule II controlled substance, Respondents shall use commercially reasonable efforts to:
  - a. apply for, obtain, and/or amend a DEA quota for the active pharmaceutical ingredient(s) in the Product in order to meet the Acquirer's forecast of the quantity of the Product the Acquirer will order during the calendar year;
  - b. to have the DEA issue separate quotas for the active pharmaceutical ingredient needed to manufacture the Product for the Respondents and the active pharmaceutical ingredient(s) needed to Contract Manufacture the Product for the Acquirer;
  - c. to have such DEA quotas increased (as is necessary) to meet the Acquirer's forecast for any calendar year;
  - d. once the DEA issues such a quota to the Respondents, whether or not in the aggregate amount of the forecasted needs of the Respondents, any Third Party (with a pre-existing agreement from Respondents to supply the relevant Product and only for such agreements executed prior to the date Respondent Hospira announced its intention to acquire Respondent Mayne), and the Acquirer, then Respondents shall, after consultation with any consultant hired pursuant to Paragraph II.C.12., prorate the quota among the Respondents, such Third Party (if applicable) and the Acquirer based on the original forecasted amounts requested by each of the parties for such calendar year; and
  - e. if the Acquirer requests additional quota during a calendar year, to obtain additional quota from the DEA, and to cooperate with the Acquirer in obtaining such additional quota;
12. for any Product that has been classified by the FDA or the DEA as a Schedule II substance and for the purposes of securing DEA quota and in order to prevent the exchange of commercially sensitive information between the Respondents and the Acquirer, at the Acquirer's option and the Respondents' expense, Respondents shall hire an independent consultant with expertise in securing quota from the DEA to:

- (1) advise, assist, or prepare all necessary documentation to apply, obtain, and/or amend a DEA quota on behalf of the Acquirer; and
  - (2) advise and assist in making an equitable determination of the allocation of the DEA quota among the Respondents, such Third Party (as referenced in Paragraph II.C.11.d, if applicable) and the Acquirer; and
13. during the term of the Contract Manufacture between Respondents and the Acquirer, upon request of the Acquirer or Interim Monitor (if any has been appointed), Respondents shall make available to the Acquirer and the Interim Monitor (if any has been appointed) all records that relate to the manufacture of the relevant Divestiture Products that are generated or created after the Closing Date.

The foregoing provisions, II.C.1. - 13., shall remain in effect with respect to each Divestiture Product until the earliest of: (1) the date the relevant Acquirer (or the Designee(s) of such Acquirer) is approved by the FDA to manufacture such Divestiture Product and able to manufacture such Divestiture Product in commercial quantities, in a manner consistent with cGMP, independently of Respondents; (2) the date the relevant Acquirer notifies the Commission and the Respondents of its intention to abandon its efforts to obtain approval by the FDA to manufacture such Divestiture Product; or (3) five (5) years from the Closing Date on the Remedial Agreement to Contract Manufacture such Divestiture Product.

D. Respondents shall:

1. submit to the Acquirer, at Respondents' expense, all Confidential Business Information related to the relevant Divestiture Product(s);
2. deliver such Confidential Business Information as follows:
  - a. in good faith;

3. pending complete delivery of all such Confidential Business Information to the Acquirer, provide the Acquirer and the Interim Monitor (if any has been appointed) with access to all such Confidential Business Information and employees who possess or are able to locate such information for the purposes of identifying the books, records, and files directly related to the relevant Divestiture Product(s) that contain such Confidential

Business Information and facilitating the delivery in a manner consistent with this Order;

4. not use, directly or indirectly, any such Confidential Business Information related to the research, Development, manufacturing, marketing, or sale of the relevant Divestiture Product(s) other than as necessary to comply with the following:
    - a. the requirements of this Order;

Such agreements include, but are not limited to, agreements with respect to the disclosure of Confidential Business Information related to such Product Manufacturing Technology.
- F. Not later than ten (10) days after the Closing Date, Respondents shall grant a release to each Third Party that is subject to an agreement as described in Paragraph I.E. that allows the Third Party to provide the relevant Product Manufacturing Technology or related equipment to the Acquirer. Within five (5) days of the execution of each such release, Respondents shall provide a copy of the release to the Acquirer for the relevant assets.
- G. Respondents shall not enter into or enforce any agreement against a Third Party or the Acquirer to the extent that such agreement would prevent the Acquirer from obtaining the active pharmaceutical ingredient related to the relevant Divestiture Product(s) from the Third Party. For each Divestiture Product for which the active pharmaceutical ingredient is manufactured by a Third Party, Respondents shall facilitate the Acquirer to secure a source of supply of such active pharmaceutical ingredient from a Third Party.

H. Respondents shall:

1. for each Divestiture Product, for a period of at least twelve (12) months from the relevant Closing Date or upon the hiring of ten (10) Divestiture Product Core Employees by the relevant Acquirer, whichever occurs earlier, provide the relevant Acquirer with the opportunity to enter into employment contracts with the Divestiture Product Core Employees related to the Divestiture Products and assets acquired by such Acquirer. Each of these periods is hereinafter referred to as the “Divestiture Product Employee Access Period(s)”; and
2. not later than the earlier of the following dates: (1) ten (10) days after notice by staff of the Commission to Respondent Hospira to provide the Product Employee Information; or (2) ten (10) days after the relevant Closing Date, provide the relevant Acquirer or the relevant Proposed Acquirer with the Product Employee Information related to the relevant Divestiture Product Core Employees. Failure by Respondents to provide the Product Employee Information for any Divestiture Product Core Employee within the time provided herein shall extend the Divestiture Product Employee Access Period(s) with respect to that employee in an amount equal to the delay.

I. Respondents shall:

1. during the Divestiture Product Employee Access Period(s), not interfere with the hiring or employing by the relevant Acquirer of the Divestiture Product Core Employees related to the particular Divestiture Products and assets acquired by such Acquirer, and remove any impediments within the control of Respondents that may deter these employees from accepting employment with the relevant Acquirer, including, but not limited to, any noncompete or nondisclosure provision of employment with respect to a Divestiture Product or other contracts with Respondents that would affect the ability or incentive of those individuals to be employed by the relevant Acquirer. In addition, Respondents shall not make any counteroffer to such a Divestiture Product Core Employee who has received a written offer of employment from the relevant Acquirer;

*provided, however, that this Paragraph II.I.1 shall not prohibit Respondents from continuing to employ any Divestiture Product Core Employee during the Divestiture Product Employee Access Period (subject to the conditions of continued employment prescribed in this Order);*

2. until the Closing Date, provide all Divestiture Product Core Employees with reasonable financial incentives to continue in their positions and to research, Develop, and manufacture the Divestiture Product(s) consistent with past practices and/or as may be necessary to preserve the marketability, viability and competitiveness of the Divestiture Product(s) and to ensure successful execution of the pre-Acquisition plans for such Divestiture Product(s). Such incentives shall include a continuation of all employee

compensation and benefits offered by Respondents until the Closing Date(s) for the divestiture of the assets related to the Divestiture Product(s) has occurred, including regularly scheduled raises, bonuses, and vesting of pension benefits (as permitted by Law);

*provided, however,* that nothing in this Order requires or shall be construed to require Respondents to terminate the employment of any employee or prevent Respondents from continuing to employ the Divestiture Product Core Employees (other than those conditions of continued employment prescribed in this Order) in connection with the Acquisition; and

3. for a period of one (1) year from the relevant Closing Date, not:

- a. directly or indirectly, solicit or otherwise attempt to induce any employee of the Acquirer with any amount of responsibility related to a Divestiture Product (“Divestiture Product Employee”) to terminate his or her employment relationship with the relevant Acquirer; or
- b. hire any Divestiture Product Employee; *provided, however,* Respondents may hire any former Divestiture Product Employee whose employment has been terminated by the relevant Acquirer or who independently applies for employment with Respondents, as long as such employee was not solicited in violation of the nonsolicitation requirements contained herein;

*provided, however,* Respondents may do the following: (1) advertise for employees in newspapers, trade publications or other media not targeted specifically at the Divestiture Product Employees; or (2) hire a Divestiture Product Employee who contacts Respondents on his or her own initiative without any direct or indirect solicitation or encouragement from Respondents.

J. Prior to the Closing Date, Respondents shall secure all consents and waivers from all Third Parties that are necessary to permit Respondents to divest the assets required to be divested pursuant to this Order to the relevant Acquirer(s), and/or to permit such Acquirer to continue the research, Development, manufacture, sale, marketing or distribution of the Divestiture Products;

*provided, however,* Respondents may satisfy this requirement by certifying that the relevant Acquirer has executed all such agreements directly with each of the relevant Third Parties.

K. Respondents shall require, as a condition of continued employment post-divestiture of the assets required to be divested pursuant to this Order, that each Divestiture Product Core Employee retained by Respondent, the direct supervisor(s) of any such employee, and any

other employee retained by Respondents and designated by the Interim Monitor (if applicable) sign a confidentiality agreement pursuant to which such employee shall be required to maintain all Confidential Business Information related to the Divestiture Products as strictly confidential, including the nondisclosure of such information to all other employees, executives or other personnel of Respondents (other than as necessary to comply with the requirements of this Order).

- L. Not later than thirty (30) days after the Effective Date, Respondents shall provide written notification of the restrictions on the use of the Confidential Business Information related to the Divestiture Products by Respondents' personnel to all of Respondents' employees who:
1. are or were directly involved in the research, Development, manufacturing, distribution, sale or marketing of each of the relevant Divestiture Products;
  2. are directly involved in the research, Development, manufacturing, distribution, sale or marketing of Retained Products that are approved by the FDA for the same or similar indications as each of the relevant Divestiture Products prior to the Acquisition; and/or
  3. may have Confidential Business Information related to the Divestiture Products.

Respondents shall give such notification by e-mail with return receipt requested or similar transmission, and keep a file of such receipts for one (1) year after the relevant Closing Date. Respondents shall provide a copy of such notification to the Acquirer.

Respondents shall maintain complete records of all such agreements at Respondents' corporate headquarters and shall provide an officer's certification to the Commission stating that such acknowledgment program has been implemented and is being complied with. Respondents shall provide the Acquirer with copies of all certifications, notifications and reminders sent to Respondents' personnel.

- M. Upon reasonable notice and request by the Acquirer(s), Respondents shall make available to the Acquirer(s), at no greater than Direct Cost (or, in each instance where: (1) an agreement to divest relevant assets is specifically referenced and attached to this Order, and (2) such agreement becomes a Remedial Agreement for a Divestiture Product, then at such cost as may be provided therein) such personnel, assistance and training as the Acquirer(s) might reasonably need to transfer the assets related to the Divestiture Product(s) and shall continue providing such personnel, assistance and training, at the request of the Acquirer(s), until either: (1) the relevant Acquirer (or the Designee(s) of such Acquirer) is approved by the FDA to manufacture each of the relevant Divestiture Products and able to manufacture such Divestiture Products in commercial quantities, in a manner consistent with cGMP, independently of Respondents, or (2) the relevant Acquirer notifies the Commission and the Respondents of its intention to abandon its efforts to obtain approval by the FDA to manufacture a particular Divestiture Product, in which instance, the Respondents' obligations related to such Divestiture Product under the foregoing provision shall end.

N. Pending divestiture of the assets required to be divested pursuant to this Order, Respondents shall take such actions as are necessary to maintain the full economic viability and marketability of the business associated with such assets, to minimize any risk of loss of competitive potential for such business, and to prevent the destruction, removal, wasting, deterioration, or impairment of any of these assets until after their respective transfer to the relevant Acquirer in a manner that ensures that there is no disruption, delay, or impairment of the regulatory approval processes related to such assets. Respondents shall not sell, transfer, encumber or otherwise impair such assets (other than in the manner prescribed in this Order) nor take any action that lessens the full economic viability, marketability, or competitiveness of the above-described businesses.

O. Respondents shall also covenant to the relevant Acquirer that as a condition of any assignment, transfer, or license to a Third Party of the above-described Patents, the Third Party shall agree to provide a covenant whereby the Third Party covenants not to sue the relevant Acquirer or the related Divestiture Product Releasee(s) under such Patents, if the suit would have the potential to interfere with the relevant Acquirer's freedom to practice in the research, Development, manufacture, use, import, export, distribution, or sale of the relevant Divestiture Products.

Respondents shall include the above-described covenants in the Remedial Agreement(s) with the relevant Acquirer.

In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the

Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to assign, grant, license, divest, transfer, deliver or otherwise convey the relevant assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Respondents to comply with this Order.

- B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondents, which consent shall not be unreasonably withheld.   - 3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered

Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. 4. The Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondents' absolute and unconditional obligation to divest expeditiously and at no minimum price. 5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondents, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of Respondents, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order.

7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order; *provided, however*, that the Divestiture Trustee appointed pursuant to this Paragraph may be the same Person appointed as Interim Monitor pursuant to the relevant provisions of the Order to Maintain Assets in this matter.
  8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture.
  9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.
- F. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.
