8. Request assistance from Guidance Software

We may ask you for your name, address, e-mail address, type of business, and credit card information, as well as other similar personal information.

HOW WE USE YOUR INFORMATION

The information you provide will be used to support your relationship with Guidance Software. Among other things, your information may be used to alert you to product upgrades or special offers, and to market or sell Guidance Software products or services to you. Your information may be combined with information collected about you by Guidance Software or third parties, with information that is collected about you from public records, or with information that Guidance Software may acquire from third parties.

DATA SHARING AND TRANSFER

Information regarding you (such as name, address and phone number) or your order and the products you purchase will not be given or sold to any outside organization for its use in marketing or solicitation without your consent. In addition, occasionally Guidance Software will share contact information, such as name and address, with third parties with whom we have partnered to provide specific services to Guidance Software, or services on behalf of Guidance Software.

In addition, Guidance Software may be required to disclose your information in connection with law enforcement, fraud prevention, regulation, and other legal action or if Guidance Software reasonably believes it is necessary to do so to protect Guidance Software, its customers, or the public.
Guidance Software is an expanding business, and like other companies, we sometimes acquire or divest business units. As part of such transfers, we may convey the business assets of the particular business unit, including information that you have supplied.

DATA SECURITY AND RESPONSIBILITY

Guidance Software is committed to keeping the data you provide us secure and will take reasonable precautions to protect your information from loss, misuse or alteration. Vendors, contractors, or partners of Guidance Software who have access to your information in connection with providing services for Guidance Software are required to keep the information confidential and are not permitted to use this information for any other purpose than to carry out the services they are performing for Guidance Software.

Your information will generally be stored in our Guidance Software databases, which are located in the United States. For easier processing of e-mail communications, or other marketing purposes, however, your information may be sent, usually on a temporary basis, to countries outside the United States. Guidance Software data protection standards are the same, regardless of where your information is stored.

YOU CAN OPT-OUT OF RECEIVING FURTHER MARKETING FROM GUIDANCE SOFTWARE
