Re: **Proposed Acquisition of Hellman & Friedman Capital Partners V, LP (Click Holding Company) by Google Inc., File No. 071-0170**

Dear Mr. Gelfand:

The Commission has been conducting an investigation to determine whether the proposed acquisition of Hellman & Friedman Capital Partners V, LP (Click Holding Company) by Google Inc. may violate Section 7 of the Clayton Act or Section 5 of the Federal Trade Commission Act.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

By direction of the Commission, Commissioner Harbour dissenting.
