Re: *In the Matter of TALX Corporation, File No. 0610209*

Dear Mr. Bell:

Thank you for your comments on behalf of Employers Edge regarding the proposed consent order in the above-captioned matter. Your letter explained how Employers Edge has been affected by TALX's conduct and supports the proposed remedies as appropriate and necessary. The Commission has reviewed your comment in connection with its decision whether to give final approval to the proposed consent order and has placed the comment on the public record.

After considering the Employers Edge comment, the Commission has determined that the public interest would be served best by issuing the Decision and Order in final form with certain minor changes to clarify certain provisions and correct typographical errors. The main operative provisions remain essentially unchanged.

We appreciate your interest in this matter. A copy of the final Decision and Order is enclosed for your information.

By direction of the Commission.

Donald S. Clark  
Secretary
