Re: CVS: Disposal of Customer Information; Dumpster Diving Incidents; Further Response to Letters dated March 4, 2008

Dear Alain and Jerome:

As a supplement to our production on March 17, 2008, we are furnishing additional documents related to:

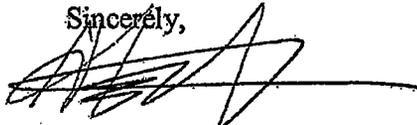

1. Monitoring of information security programs (see CVS-0003147 to CVS-0003425);
2. Assessments regarding information security (see CVS-0003426 to CVS-0003471);
3. Investigations related to information security issues, and actions taken in response thereto (see CVS-0003472 to CVS-0003869); and
4. Other incidents of information disposal issues (see CVS-0003870 to CVS-0003962).

For your convenience and understanding, please note that some documents will appear more than once, as they are responsive to more than one request. Moreover, in our efforts ensure a production that is satisfactory given your request for expedited production of documents, we note that some documents attached to this correspondence may have already been produced in previous waves.

Finally, as we noted in our previous communications, narrative responses shall be provided by March 24.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony E. DiResta', with a long horizontal line extending to the right.

Anthony E. DiResta
