Docket No. 9327

**ORDER GRANTING MOTION OF RESPONDENT AND ENERSYS
TO CONDUCT DEPOSITIONS AFTER THE DISCOVERY DEADLINE**

On January 14, 2009, Respondent and non-party EnerSys filed a joint motion for an order allowing Respondent to depose employees of non-party EnerSys after the discovery deadline of February 13, 2009. The filing parties did not indicate Complaint Counsel's position.

By Order dated January 15, 2009, Respondent was advised that the motion would not be considered until Respondent filed a certificate of conference with Complaint Counsel on the motion, as required by Paragraph 5 of the Scheduling Order. Respondent was ordered to file a certificate of conference with Complaint Counsel on that motion by 4:00 p.m., January 16, 2009.

Subsequent to the January 15, 2009 Order, Complaint Counsel, on January 15, 2009, filed its response to the joint motion. In its response, Complaint Counsel states that it does not oppose the joint motion, so long as other discovery deadlines and the trial are not delayed. The filing of a certificate of conference is now moot.

The Joint Motion of Respondent and EnerSys is GRANTED.
