RESPONDENTS' MOTIONS *IN LIMINE* TO PRECLUDE COMPLAINT COUNSEL FROM INTRODUCING THE TESTIMONY OF MS. LYNNE GIVENS OPIE AT TRIAL, TO EXCLUDE RECORDINGS AND TRANSCRIPTS OF RADIO PROGRAMS, ACCENT RADIO NETWORK WEB PAGE, AND REPOONDENTS' EDUCATIONAL MATERIAL

I. Motion to Preclude Testimony of Ms. Lynne Givens Oppie

Respondents move the Court to preclude Complaint Counsel from introducing the testimony of Ms. Lynne Givens Oppie, identified as a rebuttal witness by Complaint Counsel, at trial on the grounds that Complaint Counsel failed to properly disclose her to Respondents prior to the close of discovery. Specifically, Complaint Counsel failed to identify any contact information for Ms. Oppie, even though Complaint Counsel had her address and phone number. Exhibits 1 & 2 attached.

Furthermore, Complaint Counsel misspelled Ms. Oppie's name in its witness disclosure. As a result, DCO was unable, though several attempts were made, to locate Ms. Oppie for purposes of serving a deposition notice on her before the close of discovery. In addition, Ms. Oppie, who is not a user of the contested herbal supplement

products, is offered to give testimony that does not have any tendency to make the existence of any fact that is of consequence to the determination of this action more probable or less probable than it would be without the evidence. For this reason alone Ms Oppie's testimony is not relevant and should be excluded.

Respondents move this Court to exclude Ms. Oppie's evidence both because of its lack of relevance and because of the failure of Complaint Counsel to disclose her proper contact information prior to the close of discovery.

II. Motion to Exclude Radio Show Recordings and Transcripts (CX 3- CX 8) and Accent Radio Network's Web Page (CX 32)

Respondents move to exclude recordings and transcripts of Daniel Chapter One radio shows because they are not advertisements or promotional material and do not consist of commercial practice or activities. Rather they are free ranging conversations between DCO's leadership and its community that are of an educational nature and consist of constitutionally protected religious and political speech. In addition, they are of no probative value in ascertaining whether Respondents have failed to provide substantiation for statements made about the products in question and therefore violated Sections 45 or 52 of Title 15 of the US Code.

In particular, Complaint Counsel seeks to introduce four hours of radio broadcast while Respondents have broadcast more than 3000 hours of educational, religious and political information during the six years that the FTC has identified as being of interest concerning statements made for the four products upon which it has focused. Complaint Counsel has made no indication of why these four hours, consisting of two programs, should be evidence or how these two programs affect the "overall net impression" created by the other 3000 or so hours of broadcasting.

Respondents also move to exclude the Web page from Accent Radio (CX 32) which is an introduction to and description of the creation of Accent Radio Network that has no apparent relevance to the issues in this case.

III. Motion to Exclude Respondents' Educational Material

Respondents move to exclude four educational documents: 1) Bioguide (CX 21), 2) The Truth Will Set You Free (CX 22), 3) How to Fight Cancer is Your Choice, Cancer News Letter Millennium Edition (CX 23) and 4) How to Fight Cancer is Your Choice, Cancer Newsletter 2004 (CX 24). These documents are educational, political and religious in nature and do not constitute advertisements, promotional material or other commercial activity. They are offered for a donation and are given away to any who request them. Individually they set out Respondents' philosophical, moral ethical and religious views concerning the right of individual patients to choose how they respond to diagnoses of diseases including cancers. Collectively they form a small, and not necessarily complete, part of the extensive activities undertaken by Respondents-- including dozens of trips across the country involving hundreds of personal appearances-- in advancing their social, political and religious arguments for health freedom.

Respondents do not claim to sell drugs. Rather they make available, for free or for donations, educational materials and herbal dietary supplements that strengthen the immune system to—in the past six years—between one and two thousand individuals who share their beliefs about nutrition and most of whom share their religious orientation. They are avowedly involved in a health freedom public policy political campaign, based on their reading of the Bible, which challenges the dominant assertion that drugs, radiation and surgery are the only, or even the best, way to treat cancer and other disease.

To the contrary, they assert that strengthening the immune system before, during or after a disease (including cancer) strikes is the surest way to prevent serious damage and ensure healthy outcomes. The documents in question, which form a miniscule part of Respondents' ministry, are devoted to this mission. The herbal supplements whose presentation by Respondents' is attacked by the FTC are an extension of this overall public campaign. The educational documents proposed as evidence for the FTC to rely on barely scratch the surface of Respondents' overall undertaking and by themselves provide virtually no, if any, insight into the issue of substantiation for statements made about the four herbal supplements by Respondents that lies at the heart of this case.

The herbal supplement products created by Respondents and made available to the members of their community are a concrete expression and extension of the political, religious and health freedom campaign they are waging and have been waging for the past twenty or so years. Complaint Counsel's selection of these documents from the overall campaign of Respondents is irrelevant to the substantiation question and presents a biased and misleading picture of Respondents' activities.

For these reasons Respondents move to exclude the education material (CX 21 through CX 24) on which Complainant Counsel seeks to rely.

Conclusion

For the foregoing reasons, Respondents move to exclude the testimony of Ms. Lynne Givens Oppie and to exclude recordings and transcripts of radio programs, the Accent Radio Network Web page, and Respondents' educational material.

JIM FEIJO: Hi, I'm Jim Feijo.

TRISH FEIJO: And I'm Trish Feijo. We're Daniel Chapter One, and you're listening to Healthwatch, bringing you the truth in God's creation.

JIM FEIJO: Don't believe the lie, don't die. Husbands protect your wives from the evil FDA. Protect your kids from Dr. Dumb-Dumb.

TRISH FEIJO: There is a solution to every health problem and it's not chemical drugs, surgery or radiation.

JIM FEIJO: Listen to Daniel Chapter One Healthwatch where the truth will set you free.

TRISH FEIJO: Stay tuned and we'll help you cut through the confusion of medical madness.

10 is Daniel Chapter One Healthwatch. (Inaudible) Network,
11 Monday through Friday, 12:00 to 2:00, Eastern Time,
12 Trish, and people can call with any health care question,
13 can't they?

14 TRISH FEIJO: Yes, they can.

15 JIM FEIJO: Tell them what they can call. They
16 may forget the number.

17 TRISH FEIJO: Well, 1-866-222-2368.

18 JIM FEIJO: Well, you always give the number
19 after I do that, you know, instead of going right into
20 something to save somebody's life and help some people,
21 you know.

22 TRISH FEIJO: Well, I had trouble there because
23 I thought the question was tell people what they can call
24 about.

25 JIM FEIJO: Yeah, yeah.

1 TRISH FEIJO: And --

2 JIM FEIJO: Well, they can call about anything.
3 Tell them, about anything. Trish, you see this thing,
4 tell everybody -- they can't see because this is radio
5 now. But if this wasn't radio and it was TV --

6 TRISH FEIJO: Right.

7 JIM FEIJO: -- they could see -- or maybe web
8 TV, maybe we need to get web cam and they could see that
9 I'm holding a big, huge three-inch wide leaf -- three
10 leaf notebook. Okay?

11 TRISH FEIJO: Yes.

12 JIM FEIJO: Looseleaf notebook. And it's
13 filled. You know what it's filled with, Trish?

14 TRISH FEIJO: I do know.

15 JIM FEIJO: Tell people, tell people.

16 TRISH FEIJO: Testimonies.

17 JIM FEIJO: Testimonies.

18 TRISH FEIJO: That we've received from people.

19 JIM FEIJO: Testimonies of people --

20 TRISH FEIJO: And I can see that they're in
21 categories and maybe we need a GDU, BioShark and 7 Herb
22 category although --

23 JIM FEIJO: I think we have to break it down
24 because there's too many. Well, anyway, folks, we've
25 never, never decided to keep these testimonies of people

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 over the 20 years we've been doing this.

2 TRISH FEIJO: No. The only thing that we did
3 with each BioGuide was people at the time that he shared
4 great results with us by calling into the radio or
5 calling the order center, we contacted them and, you
6 know, basically, I interviewed them and in their words
7 took down the testimony so that we could put it in the
8 BioGuide to share with other people.

9 JIM FEIJO: But --

10 TRISH FEIJO: But we've never done an all-out
11 effort like this --

12 JIM FEIJO: No, because we're not here trying
13 to promote ourselves, we're just trying to promote truth
14 in everything else.

15 TRISH FEIJO: Right.

16 JIM FEIJO: Well, the FTC, the FDA, the
17 Canadian Government don't like the fact that we've told
18 people about what to do about natural methods of health
19 and healing, especially for cancer.

20 Well, here's a gentleman right here, and I have
21 his two lab reports here, okay, three lab reports, and
22 it's pretty interesting, folks. You can see them for
23 yourself. Here it is. This is simply -- not even a year
24 later. It was January 30th, 2008, to June 18th, 2008.
25 Only six months, not even six months, Trish.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Yes.

2 JIM FEIJO: And the last report says no
3 evidence of thoracic metastatic disease or other activity
4 related to pulmonary disease. Pretty amazing, isn't it?
5 Six months, and the government doesn't want us to tell
6 you that, folks. They just want you to die and tell you
7 to go do chemo and radiation with some nut oncologist.

8 TRISH FEIJO: They don't want us to tell you
9 that.

10 JIM FEIJO: That's right.

11 TRISH FEIJO: And I'm thinking that people with
12 these great testimonies, they want you taking your great
13 testimony to the grave. They want your story hushed up.
14 In a free country, that just shouldn't be the case, to
15 say the least. And that is awesome. And I also was
16 thinking that a chronic illness -- doctors don't expect
17 to get better, they expect to get worse.

18 JIM FEIJO: They expect you to die.

19 TRISH FEIJO: And if months later you're even
20 right at the point you started, just kind of status quo,
21 if they had a drug to do that, they would think that's
22 terrific. And really, that's all that they're trying to
23 do, you know, especially in cases of cancer. But we
24 actually see person after person after person get better.

25 JIM FEIJO: Prostate cancers, brain tumors, on

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 and on and on, and the government wants us to not let
2 anybody know about these.

3 TRISH FEIJO: And I guess we need medical
4 documents as much as possible because in all likelihood
5 the FTC will be quick to say, well, that's just anecdotal
6 evidence and/or they're going to say, well, it must have
7 been a misdiagnosis because oftentimes, that's what even
8 the doctor says, the person is cured naturally, the
9 doctor can't believe it, doesn't want to agree to it, and
10 so, he'll say, oh, that must have been a misdiagnosis. I
11 don't think you had cancer after all.

12 JIM FEIJO: How about --

13 TRISH FEIJO: What?

14 JIM FEIJO: How about this one? How about this
15 one? The boy writes in, I'm 16 years old. I've had many
16 surgeries on my left eye. My left eye was removed after
17 these surgeries in 2005. Since the surgery, my left
18 upper eye -- blah, blah, blah -- swollen. Everything the
19 doctors have tried, none have helped me get better. He
20 says, it keeps getting worse. I began taking Daniel
21 Chapter One 7 Herb Formula and the GDU about a month ago.
22 The swelling has gotten better on my upper and lower
23 eyelids. I feel really good. When I was about ten, I
24 fell off my bike and hurt my knee. I never felt right
25 and it continues to hurt. Since taking Daniel Chapter

1 One products, that went away, too.

2 This is a 16-year-old boy who's had his eye
3 removed because of the evil doctors and the evil
4 government that doesn't want anybody to know about God-
5 given nutrients like 7 Herb, GDU, BioMixx, BioShark. It
6 is the work of Satan. And we need your voice. We need
7 you to help us. If you can support us financially,
8 great. You know, a lot of people say they will, great,
9 that's terrific. You buy our products, that can help us,
10 too. Please go to our centers.

11 And it's amazing, Trish. Even some of our
12 centers, without my knowing, have sent in money, and
13 that's pretty incredible because some of them really are
14 just Daniel Chapter One purists, you know?

15 TRISH FEIJO: Yes, I know.

16 JIM FEIJO: And those are the ones that are
17 actually doing it, the purists, the ones that are just
18 carrying Daniel Chapter One products. They're the ones
19 that have sent help. That's amazing, you know?

20 TRISH FEIJO: Yep. And right now, Jim, let's
21 go to the phone lines. We do have a caller. We have
22 Terry in Independence, Missouri. Hi, Terry.

23 TERRY: Hello.

24 TRISH FEIJO: Hi, there.

25 JIM FEIJO: Hey, Terry, welcome.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TERRY: I called you guys about a year and a
2 half ago and like after six years of treatment from the
3 VA for the bad colon thing and chemo and all this and
4 losing 60, 70 pounds, I tried you all's products. And
5 I'm telling you, I'm going to live to be 150 years old.

6 JIM FEIJO: Well, Terry, we don't want you to
7 live that long. I want you to be home with the Lord.
8 You're wasting too much time on earth there, man, you
9 know?

10 TERRY: I'm having too much fun now.
11 (Inaudible) buddy. And I've got a question.

12 TRISH FEIJO: Yeah.

13 TERRY: My daughter and grandbabies get bad
14 fever blisters and cold sores. What can I order from
15 your products to help them?

16 TRISH FEIJO: Okay. The -- they need to boost
17 the immune system, clearly, and one way to start doing
18 that is with the Biotropins and IG Factors. And they --
19 the IG Factors is somewhat anti-viral. Again, we're
20 working on the real foundational support for the immune
21 system with Biotropins and IG Factors. Then specific to
22 any cold sores, fever blisters, they -- any time they get
23 an outbreak, they can put the Ezekiel First Aid Oil
24 directly on that. Full strength, just put it right on,
25 especially at the very beginning. If it just starts to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 form, you feel the tingling, but that's right on.

2 TERRY: Ezekiel what?

3 TRISH FEIJO: Ezekiel First Aid Oil

4 JIM FEIJO: Ezekiel Oil.

5 TERRY: Okay, great.

6 JIM FEIJO: You've got --

7 TRISH FEIJO: Yeah, it's anti-viral and it will
8 dry those right up. And the other thing is the Echinacea
9 root. I like the tincture, we also have it in capsules.
10 That with the BioC and Lysine can be taken on a daily
11 basis and that's going to prevent recurrence. And over a
12 period of time, they should definitely be able to cut
13 back and then not use the products and not have this
14 problem.

15 TERRY: Fantastic.

16 TRISH FEIJO: You know, we're looking to
17 ultimately get the body to cure it.

18 TERRY: Okay. Biotropins, IG Factors, Ezekiel
19 First Aid Oil, Echinacea root, BioC --

20 TRISH FEIJO: Yeah, the Ezekiel's for topical.

21 TERRY: -- and Lysine.

22 TRISH FEIJO: Yeah, and I mentioned a few
23 things. There's so many things. Even Genesis Oil
24 internally. But the Echinacea root is anti-viral and it
25 boosts the immune system. BioC is anti-viral. And I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 mentioned the Lysine because it also works to oppose
2 arginine which is the main food for a virus.

3 JIM FEIJO: Any viral -- any viral substance,
4 the primary food is arginine and Lysine will counteract
5 that in opposition to that. So, therefore, it helps
6 reduce the food supply, and by reducing the food supply,
7 you are preventing it from continuing to prosper or
8 colonize, you see?

9 TERRY: Uh-huh. Great. Well, guys, thank you
10 very much for sharing all your secret tricks with me.

11 JIM FEIJO: Hey, I got to ask you a question.

12 TERRY: (Inaudible).

13 JIM FEIJO: You went -- let me ask you a
14 question. Recently, did you try to get a -- take your
15 code and get a free BioGuide?

16 TERRY: Well, I never got a code. When I
17 called you a year and a half ago, I hung up before I got
18 the code and they wanted me to pay 15 bucks for a
19 BioGuide and I didn't want to do that.

20 JIM FEIJO: When was that?

21 TRISH FEIJO: Oh, gosh.

22 TERRY: Well, a year and a half ago, a year
23 ago.

24 JIM FEIJO: Oh, all right. Well, hold on,
25 we're going to give you a code. They should give you one

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 without a problem, okay?

2 TERRY: Okay. (Inaudible).

3 JIM FEIJO: Where do you usually get your
4 products?

5 TERRY: KCXL Bookstore, Independence. It's a
6 good place.

7 JIM FEIJO: Well, you hang on right now. The
8 producer is going to give you the code, Terry.

9 TERRY: (Inaudible).

10 JIM FEIJO: And then you just bring that code
11 in there and just let me know immediately if you have --
12 don't get one, okay?

13 TERRY: Yes, sir. Thank you all very much.

14 JIM FEIJO: But I need you to call me back and
15 let me know immediately whether you got one because I'm
16 going to check up on it. I need you to get one because
17 other people should get them. They should all be getting
18 them for free. You go into any of our stores, they
19 should be free.

20 TRISH FEIJO: We also need your testimony,
21 Terry, if you don't mind.

22 JIM FEIJO: Yeah, yeah, we need to get your
23 testimony, all right?

24 TERRY: My testimony?

25 JIM FEIJO: Yeah, you hang on. I'm going to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 have one of the girls at our end just touch base with
2 you, okay?

3 TERRY: Okay, sir. Thank you.

4 TRISH FEIJO: Hold on, don't hang up. Thank
5 you so much, Terry.

6 JIM FEIJO: You get the code, too.

7 TRISH FEIJO: Um-hum.

8 JIM FEIJO: Orem, Utah (inaudible) 101 from out
9 there.

10 TRISH FEIJO: First time caller. Hi, Ben.

11 BEN: Hello, how are you?

12 TRISH FEIJO: Good, thanks.

13 JIM FEIJO: We're doing great. How are you?

14 BEN: Good, good. I have two questions this
15 morning.

16 JIM FEIJO: Yes.

17 BEN: One is I have a lot of severe
18 constipation.

19 JIM FEIJO: Yes.

20 BEN: And I was wondering what -- I have one of
21 the guides and -- but I need some help on what -- what
22 would be the best.

23 JIM FEIJO: Okay. First of all, no medications
24 I can assume?

25 BEN: No.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Okay. Avoiding tap water unless
2 you remove the fluoride and the chlorine.

3 BEN: Okay.

4 JIM FEIJO: All right? You can check out
5 our -- one of our locations out there to make sure -- if
6 they don't have water filters, you can call the 800
7 number. They've got a tremendous sale. It's the same
8 price as our workers here get it for, okay?

9 BEN: Okay.

10 JIM FEIJO: So, it's a great deal. We're
11 trying to get it and move them out of the warehouse
12 because we're hoping to build a new place. In the
13 meantime, you can get the best water filter there is to
14 remove fluoride and chlorine. It's not a reverse osmosis
15 or distillation, but you want to do that because the very
16 things we need to re-colonize, your GI tract, which will
17 be destroyed if you don't remove those chemicals, okay?

18 BEN: All right.

19 JIM FEIJO: So, you want to, first of all, get
20 A&B Biotropins, IG Factors.

21 BEN: Okay.

22 TRISH FEIJO: Yeah, and that's just important
23 for a healthy GI tract, including bowel function. And
24 sometimes that alone is going to help with constipation.
25 If you continue to have a problem, there is some other

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 wonderful things that can be utilized, including herbs
2 and inositol, which is a B vitamin. But we also -- a lot
3 of people are constipated for lack of fiber and there's
4 two main types of fiber, water soluble and insoluble, and
5 an excellent, very gentle fiber to begin with is our
6 apple pectin.

7 BEN: Yeah, I read about that.

8 TRISH FEIJO: And it's going to support while
9 you're taking the biotropins and IG Factors, it will
10 support what you're doing with those products as well.
11 So, that's a good place to start. Apple pectin and you
12 can do one scoop twice a day and you just throw that
13 right into water. It tastes kind of appley. You drink
14 it right down. And then you can continue to the other
15 things --

16 JIM FEIJO: Yeah, it tastes kind of appley?
17 It tastes like a crushed apple. What do you mean, kind
18 of appley? Hey, you know what, Ben, it tastes just like
19 a crushed apple.

20 BEN: Oh, I'll like it then.

21 JIM FEIJO: Yeah. And, by the way, when you
22 put it in the water, it congeals, it will puff up. If
23 you put a whole scoop in just a little bit of water, it
24 will get real like gunky, you know. But if you put it in
25 like eight to ten ounces of water and you put like a

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 heaping tablespoon, it will disperse, it will be clear,
2 and you can drink it and it will taste somewhat, like
3 Trish said, like diluted applesauce.

4 BEN: Okay.

5 JIM FEIJO: And it's awesome.

6 TRISH FEIJO: Yeah. And then you can always
7 add the inositol or an herb like cascara sagrada if that
8 doesn't take care of it. But you first want to make sure
9 you're getting the biotropins and a good fiber like apple
10 pectin. That should take care of it for you. And, so,
11 you know, as far as steps, that is step one, okay?

12 BEN: Yes. Will that also help with bloating?

13 TRISH FEIJO: Over a period of time. Maybe not
14 immediately, but it definitely should.

15 JIM FEIJO: The --

16 TRISH FEIJO: If you have sluggish digestion,
17 you might need a product like BioZymes as well.

18 JIM FEIJO: What you really need to do, let's
19 get you straightened out completely, Ben, okay?

20 BEN: Okay.

21 JIM FEIJO: Get purified water like we're
22 telling you to do. Otherwise, everything we're trying to
23 do is going to be for naught and what you want to do is
24 re-colonize your GI tract. You want to take the A&B
25 Biotropins, IG Factors, two teaspoons, three times a day.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 Please, this is -- and you don't have to do this forever,
2 but you need to do this to get this finally corrected.
3 And then the apple pectin, one scoop twice a day and
4 we're on the right track as far as that goes.

5 BEN: Okay.

6 JIM FEIJO: As far as inositol and cascara
7 sagrada, you can do those things, but that's not going to
8 correct the imbalance of A&B Biotropins. We want to do
9 that.

10 TRISH FEIJO: Right. What we want to do with
11 the apple pectin is to help your body just clean itself
12 out, then build up the biotropins with that A&B
13 Biotropins. The IG Factors is like taking an internal
14 shower and the biotropins will re-colonize the gut. So,
15 the idea here, also, is to get to the source of the
16 problem and cure it, and then your body should work well
17 on its own. If you need to continue with any of those
18 products, that's fine. I just mention the others because
19 in real stubborn cases, you can always add that for a
20 further assist.

21 JIM FEIJO: Oh, we've had --

22 TRISH FEIJO: But I wouldn't start with it.

23 JIM FEIJO: Well, we've really had serious
24 cases that have been -- that are so -- actually, that
25 would have required surgery in -- even in children. So,

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 these are important things to do for children, for
2 adults. Anybody with problems with constipation or
3 diarrhea should do exactly what we just said now. Use
4 the WaterKleen FRS System always for your drinking water,
5 making foods, reconstituting juice, et cetera, and then
6 take A&B Biotropins and IG Factors, re-colonize that
7 immune system. And those are the things that are going
8 to kill -- help kill the bad bacteria, which is causing
9 that bloating that you're experiencing.

10 As a matter of fact, Ben, men with the so-
11 called beer barrel belly.

12 BEN: Uh-huh.

13 JIM FEIJO: That is -- that's usually -- I see
14 guys like that and everybody thinks they're fat. They
15 are not fat. That is bad bacteria exploding and
16 colonizing in the 30 feet of GI tract. That is a major
17 problem and that takes a long time to really do a
18 cleansing job, you know.

19 BEN: Yeah, yeah, okay.

20 JIM FEIJO: But I know you can think it's not
21 about selling you a water filter, it's not about this,
22 it's about getting you what you need to actually do to
23 get this healthy, because it is not a good sign. Any
24 kind of irregular bowel movements like that needs to be
25 immediately acted upon. Because with colon cancer being

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the second cause of death -- cancer deaths, that's pretty
2 serious, you know.

3 BEN: Yeah, okay. Then, so, I'll follow
4 through with that and then call back in a while.

5 JIM FEIJO: Yeah. You should notice right
6 away. We should be able to get these things corrected
7 right away.

8 BEN: Okay. And the other question I have is,
9 I was reading in the BioGuide about Type II diabetes and
10 it talks about mineral or -- I don't know about it.

11 JIM FEIJO: Two minerals, right. We use two
12 minerals, CP 200 and Van 50.

13 BEN: Okay. The one I'm referring to it talks
14 about is DHEA.

15 JIM FEIJO: Oh, that's a hormone. That's a
16 hormone and that hormone is used to allow for the -- and
17 studies have shown to increase the production of beta
18 insulin producing cells. That's amazing. Studies have
19 shown -- listen, diabetes, every research out there,
20 every doctor, the FDA, they all know about DHEA. As a
21 matter of fact, they know how great DHEA is. That's why
22 the government is trying to ban DHEA. DHEA is so
23 powerful, so awesome in everybody's health that the FDA
24 doesn't want it out there. The government is trying to
25 block the use of DHEA.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 And get a load of this, it's the only substance
2 that can create new beta insulin producing cells in the
3 pancreas. New beta insulin producing cells in the
4 pancreas, those are research studies, you know.

5 BEN: Yeah, I -- yeah, several articles that
6 I've just come across talked about the severity of DHEA
7 in mood disorders.

8 JIM FEIJO: Yeah. Well, mood disorders, bone
9 diseases, cancers, it is a cross section. I have
10 research and studies on DHEA touching a cross section of
11 illnesses that just knock your socks off, you know?

12 BEN: Yeah, yeah.

13 JIM FEIJO: But that's why the government wants
14 to ban DHEA, because it works.

15 BEN: Is it recommended with Type II to take
16 sublingual -- well, what it says in the BioGuide then?

17 JIM FEIJO: Yeah, there's no problem doing it
18 with any -- a healthy person. Any disease, anyone can
19 take DHEA any time. As a matter of fact, as soon as you
20 hit 30, you should start taking one a day, and then as
21 you age, you can take two or three, four a day
22 sublingually. And it's only the wise thing to do because
23 it's important in your health, your immune system, your
24 metabolism, fighting off cancers, arthritis and diabetes.
25 That's pretty incredible, isn't it?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 BEN: Well, I think so. I think -- it says
2 take it before nighttime, before you go to bed.

3 JIM FEIJO: You can take it any time during the
4 day. Ideally, you take it either when you wake up, after
5 strenuous activity and before bed. We usually say once a
6 day. But those are general guidelines that we put up
7 there, you see.

8 BEN: Right. Sure. Okay, well --

9 JIM FEIJO: Ben, those are great questions,
10 man. I'll tell you. I appreciate it. And I guess you
11 go out to the Severe Valley out there, Ben?

12 BEN: Yeah, I go out -- I order them from
13 Richill, Utah.

14 JIM FEIJO: Yeah. Well, you be nice to those

17 BEN: They're delicate all right.

18 JIM FEIJO: Listen, you let us know, okay,

20 BEN: Yeah, I'll let you know.

21 JIM FEIJO: Thanks --

10 TRISH FEIJO: Doctors and drug companies treat
11 signs of disease. They don't get to the source of the
12 problem. They do not treat the underlying sickness
13 because they can't.

14 JIM FEIJO: We've been saying that for a
15 trillion years. Who's saying that now?

16 TRISH FEIJO: That's a quote from Dr. John
17 McDougal, M.D.

18 JIM FEIJO: Whoa.

19 TRISH FEIJO: He's a medical doctor who is not
20 a Dr. Dumb-Dumb.

21 JIM FEIJO: Whoa. A Dr. Not-Dumb-Dumb.

22 TRISH FEIJO: And I'm Tricia Feijo. I'm here

1 to take me away.

2 TRISH FEIJO: Take care of that, honey.

3 JIM FEIJO: The evil FDA, the FTC. This is
4 Daniel Chapter One Healthwatch. Hey, those guys didn't
5 like me saying perfect husband Jim. It's like the buzzer
6 when you do something wrong as a kid. Ehhh. Anyway, 1-
7 866-222-2368. You can give us a call with your health
8 care questions.

9 We've got -- folks, I have a stack of
10 testimonies here. And we need your testimony. We have
11 notarized testimonies here. Here's another notarized
12 testimony, Trish.

13 I am a mechanic and my shoulder pulls out of
14 the socket often because of past work injury to it. It
15 has gone away since I started taking GDU. It is awesome
16 and I recommend it to everyone with similar problems.
17 That's Matt. Thanks, Matt.

18 Folks, please, any testimony using God-given
19 nutrients, we are in a battle fighting for the right to
20 speak truth about and have your truth and freedom about
21 God-given nutrients, about people who have been healed of
22 cancers, who were told that they were terminally ill and
23 that they were going to die by (inaudible) hospital and
24 other doctors. These are facts, these are truths.

25 And the evil FTC and the FDA doesn't want us to

For The Record, Inc.

1 put this out there. They actually want us to tell you,
2 you need to go see some cancer center, you need to see
3 some moron that uses drugs and radiation and chemo
4 poisons. We're never going to say that. That's the
5 voice of Satan from hell. That's what the FDA is, the
6 voice of hell.

7 1-866-222-2368. The program is Daniel Chapter
8 One Healthwatch. Call with any health care question.

9 Trish, I'm going to -- every now and then I'm
10 going to read one of these. Some of them are a little
11 long, but I'll synopsis them, you know.

12 TRISH FEIJO: You know, the FTC really wants us
13 keeping truth a secret. They want us to keep the
14 information that we have and the testimonies that we have
15 a secret and they want us to bring those secrets to the
16 grave. And we know that God does not want that, and so,
17 that's why we're continuing to speak out and we will, as
18 long as we have breath to do so.

19 Right now, Jim, let's go to the phone lines.
20 We're going next to Valdosta, Georgia, to welcome Gaye.
21 Hi, Gaye.

22 JIM FEIJO: Hey, Gaye, welcome. How can we
23 help you today?

24 GAYE: Good morning. Good afternoon, though,
25 now, isn't it?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yeah. Someplace it's morning,
2 someplace it's evening, someplace it's daylight, you
3 know.

4 GAYE: I have a couple of questions I wanted to
5 ask about something that's bothering me.

6 JIM FEIJO: Sure.

7 GAYE: I called a month ago and I told you
8 about my Parkinson's disease, it was just -- (inaudible)
9 calling to let you know I was beginning. You put me on
10 Micro Cal --

11 TRISH FEIJO: Yeah.

12 GAYE: -- Gaba --

13 TRISH FEIJO: Yes.

14 GAYE: Those two. Is there anything else I can
15 go on?

16 TRISH FEIJO: Sure.

17 JIM FEIJO: Well, B complex is important to
18 use. Omega 3 Fatty Acids --

19 TRISH FEIJO: I would do --

20 JIM FEIJO: -- IG Factors. There's a lot of
21 things.

22 TRISH FEIJO: I would definitely --

23 JIM FEIJO: But you just got to start out.

24 GAYE: Wait one minute. I'm taking 7 Herb.

25 JIM FEIJO: Good.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: Endo --

2 TRISH FEIJO: Oh, Endo, okay, I was going to
3 say you need one of those multi-nutritional drinks, okay.

4 JIM FEIJO: Okay, those are fine.

5 GAYE: All right.

6 JIM FEIJO: I mean, it takes time.

7 GAYE: I'm also being treated for diabetes and
8 (inaudible).

9 JIM FEIJO: Are you on drugs for those?

10 GAYE: I'm on Amaril and Diazide.

11 JIM FEIJO: Well, you need to get off of those.

12 GAYE: And I am a senior citizen, very senior.

13 JIM FEIJO: Yeah.

14 GAYE: Um-hum.

15 JIM FEIJO: Well, I don't want you on those
16 crazy Dr. Dumb-Dumb drugs, you know, Gaye.

17 GAYE: Okay. Tell me what to do and I'll get
18 off.

19 JIM FEIJO: You're down there -- do you go to
20 Dr. Minx (phonetic), do you?

21 GAYE: Yeah, that's where I get my stuff.

22 JIM FEIJO: You do?

23 GAYE: Yes.

24 JIM FEIJO: Look, there's a wonderful
25 fellowship down there, okay?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: Um-hum.

2 JIM FEIJO: Morningside Baptist Church. The
3 people down there are just fantastic. They have helped
4 so many, many people. If you have a financial burden,
5 I'd like you to please go see the pastor and the folks
6 there. Let them know if you need help with this and they
7 -- we work together with them to help people in your
8 situation, all right? I wish we had more fellowships
9 throughout the country helping people.

10 I got to tell you, those folks at Morningside
11 Baptist Church, they're one of the few fellowships in the
12 world that has had the guts to proclaim God's healing in
13 the things that Daniel Chapter One's been doing, and
14 that's why the Lord blesses them, you know?

15 TRISH FEIJO: Maybe it's the faith, too. They
16 have the faith.

17 JIM FEIJO: Yeah.

18 TRISH FEIJO: Which is awesome.

19 GAYE: Well, I have a good church connection
20 (inaudible).

21 JIM FEIJO: All right. Well, if you have any
22 problems, you let the pastor know or somebody you talked
23 to me and I will work with them to see that you get what
24 you need. But I'd like you to get on the Van 50 and the
25 CP 200, to get off these diabetes drugs, all right?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: What's (inaudible)?

2 JIM FEIJO: Van 50, V-A-N, five-oh, okay?

3 GAYE: Okay.

4 TRISH FEIJO: Van 50 and CP 200. Now, hold on
5 the line, Gaye, because we have to move along, and if you
6 don't get it all, the producer will repeat it to you,
7 okay?

8 GAYE: No, I got that, but that's in addition
9 to what I'm already taking, right?

10 JIM FEIJO: Yeah.

11 TRISH FEIJO: Right, that's for diabetes.

12 JIM FEIJO: This is for diabetes.

13 TRISH FEIJO: But, also, the drugs that you
14 said, I think, are for high blood pressure, too. Do you
15 have high blood pressure?

16 GAYE: Yes.

17 TRISH FEIJO: Okay.

18 JIM FEIJO: Yeah. Are you over 21?

19 GAYE: Very much so.

20 JIM FEIJO: All right.

21 **(Laughter.)**

22 JIM FEIJO: You know what, I know the Lord God
23 Almighty and he would never give you those drugs for your
24 heart. Never. I guarantee you you and I cannot go
25 before our time. We're not evolved from some ameba, from

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 some monkey that fell out of a tree. We're created by a
2 loving God and he would not give us these drugs. He did
3 not intend for a young lady like you to be living on
4 drugs some pharmaceutical company manufactured. There's
5 no way. There's no way can I believe that God would
6 intend that a drug be used for heart disease by anyone
7 any time. That just makes our Jesus Christ a liar. You
8 see, sister?

9 GAYE: Um-hum.

10 JIM FEIJO: So, while you have a fellowship
11 there and if they can't stand with that truth, then
12 there's something wrong. Now, I don't even know if you
13 need to use God-given nutrients, but in our BioGuide,
14 Gaye, there's a testimony about a young man, Theodore
15 Staff (phonetic), and he had been on drugs for ten years
16 until he heard our message. He got off the drugs, and to
17 this day, he doesn't use any drugs. But he did use our
18 CounterPlex, our CoQ10 and our Hawthorne Berry, I
19 believe, in the beginning. But his testimony's in the
20 book. You can get one of those books at Dr. Minx or one
21 of our locations --

22 GAYE: I got one.

23 JIM FEIJO: -- down there, okay?

24 GAYE: I've got one.

25 JIM FEIJO: Okay. Well, you check out Theodore

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 and see -- that's what we would do. We would get you off
2 those drugs, all of them. And CP 200, just take one with
3 each meal. Van 50, take one a day. And then the
4 CounterPlex, you take -- you can take one three times a
5 day and the -- the CounterPlex one three times a day, and
6 then the Hawthorne, one three times a day right now.

7 GAYE: Okay.

8 JIM FEIJO: You know?

9 GAYE: Okay.

10 TRISH FEIJO: Yeah, so that way you can get off
11 of those drugs. And, again, hold on if you need the
12 producer to repeat those. You can use the Cardiac Pack
13 instead of the heart nutrients. You can use the two
14 minerals instead of the diabetes drugs and all of this is
15 going to work together for the Parkinson's, which is
16 usually -- you know, they don't fully understand it, but
17 it's at least in part due to malnutrition. It's not a
18 chemical deficiency that you have.

19 So, hold on the line if you need to and, again,
20 you can talk to the pastor of your fellowship if you need
21 some help with these.

22 JIM FEIJO: Yeah. And then I can set him up,
23 he can learn from the Morningside Baptist Church who have
24 taken Sunday collections to help people. And we support
25 their work there, their ministry as well, you see? All

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 right, Gaye?

2 GAYE: Thank you so much.

3 TRISH FEIJO: Okay, Gaye.

4 JIM FEIJO: (Inaudible) met you.

5 TRISH FEIJO: Thank you.

6 JIM FEIJO: And we'll go into KCXL Kansas City,
7 Missouri.

8 TRISH FEIJO: Hi, Greg.

9 GREG: Yes, sir.

10 TRISH FEIJO: Welcome.

11 GREG: Hello, how are you?

12 JIM FEIJO: Welcome, Greg.

13 TRISH FEIJO: We're good, thanks.

14 GREG: Hey, I'm calling about -- not for myself
15 today, but I have a five-year-old grandson that was
16 living in New Mexico and he got very, very ill. He
17 started running 103, 104 temperature. His mom tried to
18 deal with it for a few days, you know, putting cold water
19 on him and things.

20 JIM FEIJO: Yeah.

21 TRISH FEIJO: Yeah.

22 GREG: She finally had to take him to the
23 emergency room. He had breakouts all over his body.

24 JIM FEIJO: Whoa.

25 GREG: They kept trying to diagnose it. They

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 never did figure out what it was. They thought it was
2 measles, then they went to chicken pox, then they just
3 said it's some virus, they'll probably never know what it
4 was. Well --

5 JIM FEIJO: You mean to tell --

6 GREG: Go ahead.

7 JIM FEIJO: You mean to tell me the hospital
8 couldn't tell the difference between chicken pox and
9 measles?

10 GREG: Well, they -- you know -- no, they
11 couldn't.

12 TRISH FEIJO: They don't usually see it
13 anymore, Jim. These kids are all suppressed, they're
14 vaccinated.

15 GREG: That's exactly -- exactly the case
16 because the doctor said that she had never seen it in her
17 whole career.

18 TRISH FEIJO: Which is really sad (inaudible).

19 JIM FEIJO: And it's so easy to tell the
20 difference. You and I would be able to tell just like
21 that.

22 TRISH FEIJO: But, still, my point is people
23 just -- doctors don't see these childhood acutes anymore.

24 GREG: Well, it was ridiculous. When I flew
25 down there --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yes.

2 GREG: -- and I -- to be with him and I walked
3 in the room, I saw a boy that I thought was going to die.
4 He -- he just looked terrible.

5 TRISH FEIJO: Whoa.

6 JIM FEIJO: Wow.

7 GREG: He just -- and in his mouth, you know,
8 I've had tonsillitis and stuff like that where you get a
9 little white in the back.

10 TRISH FEIJO: Yeah.

11 JIM FEIJO: Right, right.

12 GREG: The boy -- his entire tongue looked like
13 someone had painted white paint on it, and I asked her, I
14 said, did they put something on his tongue? She said,
15 no, that's what his tongue looks like. He couldn't eat.
16 They put him like in isolation. This was in a two-week
17 period. They had him on an IV with just sugar water. I
18 asked them, I said, he needs some nutrition.

19 TRISH FEIJO: Yeah.

20 GREG: They just said, no, his body will take
21 care of it. I said, that's not true.

22 JIM FEIJO: Oh, please (inaudible).

23 TRISH FEIJO: Wow.

24 GREG: We took him off the IV. They were upset
25 because they said he has to drink at least five liters of

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 liquid every six hours. I said, that's not a problem.
2 He drinks a lot. So, the first day all I could do -- all
3 we could find was Carnation Instant Breakfast, you know,
4 in milk.

5 TRISH FEIJO: Yeah.

6 GREG: But that was better than -- he hadn't
7 been having anything. They had something that would numb
8 his mouth so he could drink a little of that. Then I got
9 him started on some A&B Biotropins and some Endo 24.

10 TRISH FEIJO: Yeah.

11 GREG: And within three days, the boy totally
12 changed. When he went in there, his -- I don't know,
13 creatine something --

14 JIM FEIJO: Creatine, right.

15 TRISH FEIJO: Yes.

16 GREG: CK or CT was at 11,000.

17 JIM FEIJO: Whoa.

18 GREG: Now, in the -- then it jumped to 13,000
19 in the hospital.

20 JIM FEIJO: Yeah.

21 GREG: Well, after we started taking him off
22 the IV and that sugar water and junk, it dropped to 4,500
23 in about two days.

24 JIM FEIJO: Yeah, because the idiots were
25 feeding this -- probably all you needed to do, this was

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 fantastic what you did for him. That was just -- thank
2 the Lord that you flew out there to take care of this.

3 TRISH FEIJO: Yeah.

4 JIM FEIJO: Because that child might have died
5 at the hands of those people.

6 GREG: Well, he -- you know, they kept talking
7 about he needed to urinate because they were worried
8 about his kidneys failing or something.

9 TRISH FEIJO: Yeah.

10 GREG: And, I mean, they were thinking he had
11 some sort of a muscle disease, muscle wasting and
12 everything. But then I kept saying, well, he needs a
13 bowel movement, and they told me that wasn't important.
14 I said, that's not true, he's got to have a bowel
15 movement. Well, once we started giving him this other
16 stuff, A&B, he finally had a great big bowel movement,
17 and from that point on, he just started totally changing.

18 TRISH FEIJO: Well, praise --

19 JIM FEIJO: Praise the Lord.

20 TRISH FEIJO: -- God for the wisdom he gave
21 you, Greg. My goodness.

22 JIM FEIJO: They probably infected him with
23 susceptis (sic) or who knows what was going on.

24 TRISH FEIJO: Well, plus --

25 JIM FEIJO: Toxemia.

 For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: -- he was getting no nutrients
2 for days, so he was dying of malnutrition.

3 GREG: I know, it's terrible.

4 TRISH FEIJO: A child fighting an illness,
5 fighting a fever, they burn up more calories than --

6 GREG: Oh, yeah.

7 TRISH FEIJO: -- they ordinarily do and they
8 can lose weight very quickly. They can dehydrate
9 quickly.

10 GREG: Oh, he did.

11 TRISH FEIJO: But it's not just a matter of
12 water, it's the electrolytes that are needed. My
13 goodness.

14 JIM FEIJO: So, simply repeat again -- I was
15 just listening so intently here. Repeat again what you
16 -- how did you, one, get them to let you take him off the
17 IVs and use the nutrients? What did you do? Threaten
18 their lives or what did you do?

19 GREG: They kept having trouble with losing his
20 veins and it was hard to get them in him.

21 JIM FEIJO: Yeah.

22 GREG: And he just would scream because he
23 hurt. If you just touched him anywhere on his body, he
24 screamed, he hurt.

25 TRISH FEIJO: Oh.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: And here they were punching him
2 with this stuff. And, so, we -- I just said, you're not
3 going to do that to him anymore. We're going to get him
4 drinking, we're going to get him eating, and they said,
5 well, that's up to you, but that's maybe a problem. So,
6 they were like a little bit of a threat.

7 JIM FEIJO: Yeah.

8 GREG: So, a long story short, he turned around
9 real -- what should the normal creatine level be in a
10 person?

11 JIM FEIJO: You know, these numbers to us don't
12 really mean anything. Actually, many times, some of
13 these numbers don't mean a darn thing.

14 GREG: Right.

15 JIM FEIJO: Because it depends on what they're
16 working with in relation to other aspects. You don't
17 want to -- it's like the same thing with the white blood
18 cell counts. Once you let the body -- everybody's counts
19 are different.

20 GREG: Right.

21 JIM FEIJO: And it all depends on what the
22 issue is. However, when it does -- when you do see an
23 elevation of things, then that's when you start to worry,
24 okay?

25 GREG: Right.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: But --

2 GREG: This --

3 JIM FEIJO: -- you gave him simply, besides the
4 Endo 24, what was it that you gave him?

5 GREG: It's the bottle of A&B Biotropins that
6 you stir up in -- you know, it's granulated or something
7 and you stir it up --

8 TRISH FEIJO: Right.

9 JIM FEIJO: Oh, the powdered A&B Biotropins.

10 GREG: Yeah.

11 JIM FEIJO: And how did you --

12 GREG: That's all I had at the time and I --

13 JIM FEIJO: No, but that was the perfect thing
14 to do because in the case of thrush or the white thrush
15 like that, there's several things you can do. You can
16 dilute Genesis Verse 8 Oil, you can dilute Ezekiel Oil
17 and IG Factors or A&B Biotropins and A&B Biotropins is
18 what was the excellent thing to give him.

19 Now, how did you -- did you make a liquid out
20 of it or did you make a paste of it? How did you do
21 that?

22 GREG: Well, I just -- what I started doing,
23 for the taste, I put just a little touch of Carnation
24 Instant Breakfast and then I used the Endo 24.

25 JIM FEIJO: Yeah.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: And I stirred that A&B Biotropins up in
2 the Endo 24, and he'd sit there with a straw and he'd
3 drink it all down.

4 JIM FEIJO: Praise the --

5 GREG: He drank like 8,000 milliliters in the
6 first six hours and they only asked him to do five.

7 JIM FEIJO: Praise the Lord. I'll tell you
8 what, I am so --

9 TRISH FEIJO: Yeah, he was starving.

10 JIM FEIJO: I am so thankful that my wife and
11 I --

12 GREG: Yeah, I listen to you.

13 JIM FEIJO: We are just -- I just am so
14 grateful for this and I want to thank you for telling us
15 this because, you know, sometimes -- I want to be honest
16 with everybody. Trish and I don't need to do this radio
17 show, you know. I mean, and we do this because of this
18 exact situation. And that's the only reason, Greg. I
19 can't tell you, there's no other reason but because of
20 people like this.

21 And I just --

22 GREG: Well, I think it saved his life,
23 honestly.

24 TRISH FEIJO: Yeah, it sounds like it. I
25 really think so, Greg.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: Let me ask you, my last question is
2 this. He's always had trouble with bowel movements. I
3 mean, he was like maybe once a week and I -- of course,
4 I've started talking to his mother about that and said,
5 he's got to go every day. But she started giving him
6 like aloe vera. But here's the long story short.
7 Because of his lack of bowel movements, the kid is very,
8 very allergic to things because his body can't handle any
9 extra loads.

10 JIM FEIJO: Right.

11 GREG: So, like a dog licks him, well, he
12 breaks out like crazy.

13 JIM FEIJO: Right.

14 GREG: Some sort of fabric softener, man, this
15 kid breaks out like crazy. So, what can I do to get in
16 that young man to get that immune system built back up
17 where God wants it to be?

18 JIM FEIJO: All right.

19 TRISH FEIJO: Actually, the biotropins is
20 integral.

21 JIM FEIJO: This is a great question. My wife
22 and I have seen people in their 40s and 50s with these
23 conditions because they never knew how to address it
24 early in age. There's a direct detoxification program,
25 if this were my child, that I would use right off the

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 bat, Greg, is I would use a little bit of 7 -- or at
2 least once or twice a day, you can put it in juice,
3 whatever he likes. The other thing is you want to never
4 give this child water or juice again unless you use the
5 WaterKleen FRS System.

6 GREG: (Inaudible).

7 JIM FEIJO: And it really is that important,
8 okay?

9 GREG: Yeah.

10 JIM FEIJO: And there's great -- we've got a
11 great sale because we're moving our warehouse or we're
12 trying to move the warehouse. And, so, that would be
13 extremely important because that will prevent toxins from
14 building up in his body. And if you have pure water and
15 you purify the blood with the 7 Herb Formula, then the
16 epidermis, the skin, these organs can start to reverse
17 the pressure and the toxins can leave the cells.

18 The other thing is, what my wife was saying
19 earlier and what you began was the A&B Biotropins. Now,
20 you and I and all people need roughly 80 percent of our
21 flora, our good bacteria, in our GI tract should be the
22 A&B Biotropins. And it's just the reverse in 99 percent
23 of the people, okay?

24 GREG: Right, right.

25 JIM FEIJO: And, so, that child needs as much

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 A&B Biotropins as you can give him --

2 GREG: (Inaudible).

3 JIM FEIJO: -- to re-colonize.

4 GREG: Okay. All right. Now, how much of that
5 7 Herb should I give him per time?

6 JIM FEIJO: How old again?

7 GREG: Five.

8 JIM FEIJO: Five. It's easy -- if you can get
9 at least one or two ounces in juice, it depends on how --
10 does he drink a lot of juice or not?

11 GREG: Yes, yes, he does.

12 JIM FEIJO: Good. If you can put it in juice,
13 you know, so the color doesn't show up and he'll drink
14 it, listen, give it to him twice a day.

15 GREG: Okay.

16 JIM FEIJO: Make sure during the day he has an
17 extra glass of water outside of whatever you mix the Endo
18 24 in.

19 GREG: Okay.

20 JIM FEIJO: And that will get him --

21 GREG: So, keep him on the A&B Biotropins?

22 JIM FEIJO: Yep.

23 GREG: And start him -- did you say IG Factors?

24 JIM FEIJO: Ideally, if you can get him IG
25 Factors one scoop -- now, the reason, the purpose of the

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 IG Factors is because you're talking about the skin
2 sensitivity showing a sign that there is a problem.

3 GREG: (Inaudible).

4 JIM FEIJO: With the C Reactive Creatine,
5 rather, at a higher level, there is some free radical
6 damage going on.

7 GREG: Right.

8 JIM FEIJO: So, you do want to use the IG
9 Factors because that's a serious -- both the A&B
10 Biotropins and the IG Factors, that's what God intended
11 for our immune system right off the bat from the time
12 we're born through a normal vaginal birth and
13 breastfeeding, and all of that action of the anti-Christ
14 is to destroy the birth process because they don't want
15 women to have pain.

16 GREG: Should a child maybe have like one-
17 fourth of what an adult would normally take on all these
18 things?

19 JIM FEIJO: No, that child --

20 GREG: No? Okay.

21 JIM FEIJO: You can give that child -- I'll
22 tell you what, my granddaughters, if I get them, I'll
23 give them double because it can't harm them. There's no
24 -- that child could eat that whole bottle of A&B
25 Biotropins and it would not do anything negative in any

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 shape, way or form. It wouldn't even probably cause
2 diarrhea.

3 GREG: Same thing with the IG Factors?

4 JIM FEIJO: Yeah, but basically if you give him
5 two teaspoons two or three times a day, boy, praise the
6 Lord, that's what God intended for that child to have,
7 you know.

8 GREG: I'm going to give him 7 Herb, I've got
9 that on hand. I'm going to continue with the A&B
10 Biotropins, two or three times -- or three, four times a
11 day, the IG Factors and I'm going to get him a water
12 filter right away. I've been having him drink like
13 distilled water and stuff.

14 TRISH FEIJO: Yep.

15 GREG: Okay. So, what else -- is there
16 anything else I should give him?

17 TRISH FEIJO: The other thing -- while I think
18 of it, Greg, I would stress to the parents that a child
19 so sensitive, so reactive to everything especially should
20 not ever get medication or vaccinations.

21 GREG: Um-hum.

22 TRISH FEIJO: And I don't know if they do. I'm
23 just making a general statement.

24 GREG: I know, I know.

25 TRISH FEIJO: It's --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: You know, the other day I found out
2 she's putting Deet on him because there's mosquitos. And
3 I said, you can't put that on him --

4 JIM FEIJO: Oh, my gosh, no.

5 TRISH FEIJO: No.

6 GREG: -- that's toxic (inaudible).

7 TRISH FEIJO: It's very toxic. It goes right
8 through the pores of the skin. It's going to harm his
9 liver. You know, for all we know, he was having some
10 kind of horrific reaction to something. I work a lot
11 with very sensitive children in my homeopathy practice
12 and it just breaks my heart. And I can see clearly the
13 direct link to the drugs that they get, the toxins in the
14 environment, the vaccinations that they get. When
15 they're a sensitive child, they're like canaries in the
16 coal mine. No child should get drugs or vaccines, but
17 especially such a sensitive child.

18 So, I hope that they'll listen to you and maybe
19 this will be the turning point. And --

20 GREG: And they have three --

21 TRISH FEIJO: Yes?

22 GREG: They have three children and he's the
23 only one that has this sensitivity like that and it's
24 because his bowels don't move, you know?

25 JIM FEIJO: Well, the toxic --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: He isn't getting the right stuff in him.

2 JIM FEIJO: -- level of the cells can't handle
3 that and that's a sign that there's a high level of waste
4 being produced somewhere in the body, toxic waste build-
5 up.

6 GREG: Okay. Well --

7 JIM FEIJO: The skin --

8 GREG: -- I want to -- do you know of anything
9 natural instead of this Deet stuff? Is there something
10 natural that --

11 TRISH FEIJO: Sure, yeah, they can go to a
12 health store and there's any number of natural insect
13 repellants that have no toxic ingredients. They just use
14 herbs. And I've used a number of them. You know, I've
15 tried different ones over the years. And they work
16 pretty well.

17 GREG: Okay.

18 TRISH FEIJO: I don't know if they're as
19 strong, but they do work pretty well. So, I would
20 definitely steer them in that direction.

21 And one last question for you, Greg, if we
22 could please have your testimony, if you could hold on
23 the line --

24 GREG: Oh, absolutely, yeah.

25 TRISH FEIJO: -- with someone at Accent Radio

2 JIM FEIJO: And we want to get a picture of
3 this little guy and Gramps, you know what I mean?

4 TRISH FEIJO: That would be great.

5 GREG: Oh, I could show you pictures before and
6 after. You won't believe the difference.

7 TRISH FEIJO: Wow.

8 JIM FEIJO: I'll take them, brother. I'll take
9 them. We're doing everything --

10 GREG: Okay.

11 JIM FEIJO: When I stand before Caesar and
12 these judges that are going to decide what's godly and
13 what isn't godly, I want to at least have the evidence to
14 show them what the Lord God is capable of in the face of
15 their lying spirits, you see.

16 GREG: You know, their oath or whatever it is
17 they take, it says first, do no harm.

18 TRISH FEIJO: Well, they don't even take that
19 anymore.

20 JIM FEIJO: Yeah.

21 TRISH FEIJO: A doctor doesn't have to.

22 GREG: Oh.

23 TRISH FEIJO: And most of them are no longer
24 taking that.

25 GREG: Well, I want to get on the line where I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 can buy the stuff and I'm going to get him the water
2 filter today, too. So --

3 JIM FEIJO: All right.

4 TRISH FEIJO: That's great, good for you.

5 JIM FEIJO: Well, you call the 800 number
6 because we have the special going on up there and please
7 hang on, a producer will be right with you. Thanks,
8 Greg.

9 TRISH FEIJO: Thanks so much, Greg.

10 JIM FEIJO: Wow, what a story. That is
11 fantastic, Trish.

12 TRISH FEIJO: You know, Jim, you mentioned the
13 irony that we don't even have to do this radio show and,
14 of course, we pay out of our own pocket to do it, we
15 don't get paid to do it. But the irony, also, is we
16 don't need a business, we never wanted a business. We
17 want to be out in the foothills of China or somewhere as
18 missionaries and this is what God has us do.

19 And the great advantage in our fighting the FTC
20 is the bottom line is we really don't care about the
21 business or even our own lives. We just care about
22 honoring Jesus Christ and doing his will, doing the will
23 of the father.

24 JIM FEIJO: So, we are asking you to help us.
25 One, you can always buy our products, please. That

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 certainly helps us stay in business. The FDA and the FTC
2 are trying to put us out of business so that we no longer
3 have the means to bring this message to people. This is
4 not like (inaudible), you know, these big fancy Christian
5 groups out there that are making millions of dollars.
6 We're not a Joel Osteen making \$14 million a month. This
7 is not the falsehoods out there. This is the real deal.

8 We need help, and if you want to stand with us
9 in any shape, if you want to send us a dollar, anything.
10 The purpose of you standing with us is not even
11 financial. It's that your voice will be with ours that
12 Jesus Christ deserves to be recognized in his creation
13 and healing.

14 TRISH FEIJO: Well, that's true and any and
15 every one of you that can call the order center or go to
16 the website and donate to our legal defense fund or give
17 us a testimony, that is saying something. That's a loud
18 message. Early on, our attorney said, really, you help
19 people, well, show me that. I don't have any
20 testimonies, I need to get some documentation here.

21 When we face people in court, they don't know
22 us, they have no idea of the work that we do, but when
23 they look and see, the greater the number of supporters,
24 the more attention they're going to have to pay it.

25 Thanks, everybody, and we're coming back for a

1 second hour, so don't go away. And you can still call in

3 Network.

4 Meanwhile, the order center number is 1-800-
5 504-5511 and the website is DanielChapterOne.com.

8 JIM FEIJO: Hi, I'm Jim Feijo.

9 TRISH FEIJO: And I'm Trish Feijo. We're
10 Daniel Chapter One and you're listening to Healthwatch,
11 bringing you the truth in God's creation.

12 JIM FEIJO: Don't believe the lie, don't die.
13 Husbands protect your wives from the evil FDA. Protect
14 your kids from Dr. Dumb-Dumb.

15 TRISH FEIJO: There is a solution to every
16 health problem and it's not chemical drugs, surgery or
17 radiation.

18 JIM FEIJO: Listen to Daniel Chapter One
19 Healthwatch where the truth will set you free.

20 TRISH FEIJO: Stay tuned and we'll help you cut
21 through the confusion of medical madness.

22 JIM FEIJO: Well, folks, I'm just going through
23 my death folder here, death caused by FDA approved drugs,
24 that is. I mean, everybody's going to die, there's a
25 time for that. In the meantime, the death folder, the

For The Record, Inc.

1 FDA death folder, here's something here. 125 deaths due
2 to the combinations of opiates and acetaminophen, that's
3 not a bad thing, folks.

4 Here's another 91 deaths of opiates alone.
5 Boy, oh, boy, oh, boy. How about this one, folks? 50
6 deaths due to the Ortho Evra Patch. Well, folks, it's
7 just FDA approved deaths. They're legalized murders.
8 These are not accidental deaths, folks. These are FDA
9 knowledge that these drugs can kill.

10 I'm Jim Feijo and my wife, Trish Feijo.
11 Perhaps you, your wife, your children, your grandchildren
12 are taking a drug that's FDA approved. Well, hang on
13 because you're not going to believe some of the nut-so
14 stuff that this FDA's behind.

15 I'm Jim Feijo, I'm here with my wife, Trish
16 Feijo, 1-866-222-2368. The program's Daniel Chapter One
17 Healthwatch, live Monday through Friday, 12:00 to 2:00,
18 Eastern Time on Accent Radio Network. So, if you have a
19 health care question, any health care questions
20 (inaudible) diverticulitis (inaudible) osteoporosis,
21 diabetes, MS, it doesn't matter. Huh, Trish?

22 TRISH FEIJO: That's right. No matter what

25 trying to help people?

For The Record, Inc.
(301) 870-8025 - www.frinc.net - (800) 921-5555

1 TRISH FEIJO: I'm not tired, but I do want to
2 get to Rachel and, first, I want to make an important
3 announcement. And that is that we will be live in
4 Albuquerque, New Mexico, next week, that's Tuesday and
5 Wednesday.

6 JIM FEIJO: Lord willing.

7 TRISH FEIJO: Of course, Lord willing.

8 JIM FEIJO: Lord willing, Trish.

9 TRISH FEIJO: July 15 and July 16.

10 JIM FEIJO: The Lord says --

11 TRISH FEIJO: Tuesday and Wednesday.

12 JIM FEIJO: -- not to say we'll do this or
13 that. You should say, the Lord willing, next week we'll
14 do this or that.

15 TRISH FEIJO: Okay, you're right. Lord
16 willing, we will be there next week, Tuesday and
17 Wednesday at Nature's Herbal Remedies. If you would like
18 to come, if you're in the area, we'll be doing a live
19 radio broadcast 10:00 to 12:00, the time out there, and
20 we'll be staying afterwards to meet you and to answer
21 questions.

22 JIM FEIJO: And get there --

23 TRISH FEIJO: It's very informal. You can come
24 and go as you want. You don't get locked in for two
25 hours. You don't have to stay after. But, please, if

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 you care to come, do call 1-800-504-5511 because they
2 need an idea of the number of people that will be showing
3 up.

4 JIM FEIJO: Well, I hope there's going to be
5 some kind of finger foods and fruits or something so
6 people can have something to eat while they're sitting
7 there, you know, honey?

8 TRISH FEIJO: Yeah, we sure do.

9 JIM FEIJO: Yeah, I do, too.

10 TRISH FEIJO: Now, let's go to our phone
11 caller, patient Rachel.

12 JIM FEIJO: First-time caller, Trish.

13 TRISH FEIJO: Yeah, on a cell phone. Hi,
14 Rachel.

15 JIM FEIJO: Hey, Rachel, welcome.

16 RACHEL: Hey, can you hear me?

17 JIM FEIJO: Yes, we can.

18 TRISH FEIJO: Yes.

19 RACHEL: Okay. My problem is I listened to you
20 probably about five years ago when I lived in Kansas
21 City. I'm visiting now from Colorado. But, anyways, the
22 last week I've been having trouble with this -- I've had
23 a bad migraine and just coughing and stuff and I know
24 better than to take antibiotics and all that other stuff.
25 So, what can you -- what should I do?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Okay. So, it started with the
2 coughing and it developed into a migraine?

3 RACHEL: Well, I've had a migraine because of
4 sinus pressure.

5 TRISH FEIJO: Okay, yeah.

6 RACHEL: And then in the last two days, I've
7 just been coughing and just -- you know, and I don't
8 really want to take any (inaudible).

9 JIM FEIJO: Yeah.

10 TRISH FEIJO: No, that would not be an answer,
11 to take antibiotics.

12 JIM FEIJO: Is it real violent coughing,
13 Rachel? Real violent?

14 RACHEL: Now, yes, yeah. Enough to make me
15 throw up.

16 JIM FEIJO: Yeah, all right.

17 TRISH FEIJO: Okay.

18 JIM FEIJO: Okay. Let's get to the root of
19 this headache issue. First of all, I'm going to tell you
20 exactly what to do to correct the sinusitis which can be
21 the very beginning of your problem with the post nasal
22 drip, the build-up of mucus and then leading to coughing,
23 creating inflammation in the sinuses, creating
24 inflammation of the vascular tissue when you cough and
25 other tissues. So, let's get to the Ezekiel Nasal Rinse.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Yes.

2 RACHEL: Okay.

3 TRISH FEIJO: And that's one thing that would
4 be great for you to do, it's powerful, not the most
5 pleasant thing to do --

6 RACHEL: Okay.

7 TRISH FEIJO: -- but it works really well.
8 And what you do is you dilute the Ezekiel Oil in water
9 and it's variable the amount of drops that a person uses
10 and the amount of water. And Jim will tell you that in a
11 minute, the amount that he suggests.

12 JIM FEIJO: Usually five drops of Ezekiel Oil
13 to two ounces of water.

14 RACHEL: Okay. Now, do you have to
15 (inaudible)?

16 JIM FEIJO: Use an eye dropper -- and you use
17 an eye dropper, a full eye dropper all the time.

18 RACHEL: Okay.

19 JIM FEIJO: Now, do you have access to a
20 computer where you are?

21 RACHEL: If I go to the library, I do.

22 JIM FEIJO: Good. Go to the library, go to
23 DanielChapterOne.com.

24 RACHEL: Okay.

25 JIM FEIJO: On that homepage, at the bottom

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 left, you'll see Ezekiel Oil Rinse. Click on that.
2 You'll be able to print out a copy of the PDF and it
3 tells you how to mix it, tells you how to hold your head,
4 how to use it for all six sinus cavities. That's where
5 you want to start. This is very important. And this
6 happens year-round to people, all right?

7 RACHEL: Right, it does, um-hum.

8 TRISH FEIJO: Yeah.

9 JIM FEIJO: Yes.

10 TRISH FEIJO: And, so, basically -- and Jim
11 just told you how you can get a diagram, but you're going
12 to make up that dilution and then you're going to suction
13 up a full eye dropper to put down each nostril and the
14 easiest way to do that is to lie on your back on a bed or
15 couch with your head hanging off the edge. So,
16 basically, your head is upside down and then you put a
17 full eye dropper of the dilution into each nostril so it
18 goes right down into the sinus cavity. And it will open
19 up. It makes for freer breathing immediately. As I
20 said, not the most pleasant thing to do, but on contact,
21 it will take care of bacteria infection and/or viral or
22 fungal even.

23 So, for the most stubborn sinus infections,
24 it's just great and you should find that you're breathing
25 easier after and you can do that as many times in a day

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 as you need to. And the other -- and it should help, you
2 know, indirectly with the migraine. Also, I would get
3 the FGC and that's for the cough. Obviously, have
4 something going down into your chest and you want to
5 prevent or clear up infection there as well and the FGC
6 is going to help with the sinus infection. It's going to
7 help to fight it and strengthen the mucus membranes and,
8 you know, that should work well with the Ezekiel Oil.
9 Again, maybe that's all you need for the migraine, but
10 you also can get the GDU and start taking that right
11 away. It works best on an empty stomach, but you can
12 take it any time, and that's for pain and inflammation.

13 RACHEL: Okay.

14 TRISH FEIJO: All right?

15 RACHEL: So, FGC and GDU, right?

16 TRISH FEIJO: Right, and that Ezekiel Oil.

17 RACHEL: Okay.

18 TRISH FEIJO: All right?

19 RACHEL: So --

20 TRISH FEIJO: Um-hum?

21 RACHEL: -- (inaudible) close to the Kansas
22 City area I can get this?

23 TRISH FEIJO: Yeah, there's several actually.

24 JIM FEIJO: Yeah. Are you near Peculia, are
25 you near Kansas City, are you near -- oh, boy, we --

1 RACHEL: Actually, I'm in Lee's Summit, but I
2 think that somebody said that I can go to the KCXL
3 Bookstore. I kind of know where that is.

4 JIM FEIJO: Yeah, okay, well, the KCXL
5 Bookstore -- what you want to do is get their number,
6 call the 800-504-5511.

7 RACHEL: Um-hum.

8 JIM FEIJO: And then they should be able to
9 help you with that, okay?

10 RACHEL: Okay, sure.

11 JIM FEIJO: As a matter of fact, they can give
12 you the locations, they can talk to you, they can tell
13 you if there's something closer for you, okay?

14 RACHEL: Yeah. You want to make sure if you
15 run out to the bookstore that they have the products in
16 stock, too.

17 RACHEL: (Inaudible).

18 TRISH FEIJO: I mean, our suggestion is to call
19 ahead.

20 RACHEL: All right.

21 TRISH FEIJO: All right?

22 RACHEL: Right.

23 TRISH FEIJO: All right, great.

24 RACHEL: (Inaudible) thank you very much.

25 TRISH FEIJO: So, let us know back if you need

1 to, but that --

2 JIM FEIJO: Thank you.

3 TRISH FEIJO: -- should take care of it,
4 Rachel, and it's going to save you a lot of suffering in
5 the long run, even if you can, you know, run out and get
6 antibiotics and even if they do suppress --

7 JIM FEIJO: Don't do it.

8 TRISH FEIJO: -- your symptoms for a while, it
9 usually sets you up for a far worse and stubborn
10 situation of infection and long-continued suffering,
11 sometimes for months.

12 JIM FEIJO: Yeah.

13 TRISH FEIJO: All right?

14 JIM FEIJO: Okay, Rachel?

15 RACHEL: Right.

16 JIM FEIJO: Thanks, Rachel.

17 TRISH FEIJO: Thank you, Rachel.

18 JIM FEIJO: Hang on for your code for your
19 BioGuide, too, okay?

20 And Daniel Chapter One Healthwatch, we're
21 heading out to WARL, Providence, Rhode Island.

22 TRISH FEIJO: Welcome, Donna. Hi, Donna.

23 DONNA: Hey, there, how are you?

24 TRISH FEIJO: Hi, good, thanks.

25 JIM FEIJO: Hey, Donna, welcome.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 DONNA: I have a question. I had to do a fecal
2 alcohol test. I think you know what those are.

3 JIM FEIJO: Sure.

4 TRISH FEIJO: Yeah.

5 DONNA: And one of them, my doctor called, came
6 out a little abnormal and they want to do a colonoscopy.
7 Now, I'm thinking that I have -- you know, is there some
8 way -- I just need your advice.

9 JIM FEIJO: Yeah, I wouldn't do it.

10 DONNA: Huh?

11 JIM FEIJO: I wouldn't do it at all.

12 TRISH FEIJO: We wouldn't.

13 JIM FEIJO: I wouldn't do that at all.

14 DONNA: Okay. So, why did that show like a
15 little blood?

16 JIM FEIJO: Maybe when you --

17 DONNA: I mean, I had one done in 2004. So --

18 JIM FEIJO: Yeah, maybe when you were brushing
19 your teeth, you scratched your gums or maybe when you
20 blew your nose, you ruptured a vessel. Maybe when you
21 were eating something, roughage, and it cut --

22 DONNA: I mean, I do have like a hard time
23 going and I take the apple stuff and -- because that's
24 always been my body, but, I mean, if I had one done in
25 2004, can something show up eventually in 2008 now, like

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 colon cancer?

2 TRISH FEIJO: Sure.

3 JIM FEIJO: It can show up -- it can show up
4 anytime, anytime.

5 TRISH FEIJO: Sure. But those tests, there's
6 no guarantee.

7 JIM FEIJO: But that's ridiculous.

8 TRISH FEIJO: They give false positives and
9 false negatives. I had a woman, this is a different
10 thing --

11 DONNA: Um-hum.

12 TRISH FEIJO: -- but she ended up with cervical
13 cancer.

14 DONNA: Oh, right.

15 TRISH FEIJO: Because she had regular pap
16 smears every six months or something.

17 DONNA: Um-hum.

18 TRISH FEIJO: And she had just had one that
19 cleared her. And she said, how could I get this
20 overnight? And I said, you know what, you didn't.

21 DONNA: Right.

22 TRISH FEIJO: They missed it. So, we don't put
23 a lot of stock in those tests. Obviously, that's up to
24 you.

25 DONNA: Right.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Right.

2 TRISH FEIJO: Maybe you have hemorrhoids or
3 fissures.

4 DONNA: Right. So --

5 JIM FEIJO: But besides the apple pectin, I
6 would definitely do the A&B Biotropins and IG Factors.

7 DONNA: I do all that. IG -- I think I have
8 that at home. What's the other one?

9 JIM FEIJO: IG Factors and A&B Biotropins.

10 DONNA: Oh, I do have that, okay. I have --

11 JIM FEIJO: But how often do you take it?

12 RACHEL: Um, I take it in the morning. I
13 should be taking it more?

14 JIM FEIJO: Well, what you should do is you,
15 one, never drink tap water unless you filter it with the
16 WaterKleen FRS System.

17 RACHEL: Okay.

18 JIM FEIJO: There's not better. Okay, number
19 one.

20 RACHEL: Um-hum.

21 JIM FEIJO: If you are taking A&B Biotropins
22 and you're not filtering the water, you're wasting pretty
23 much your money, okay?

24 RACHEL: Okay.

25 JIM FEIJO: So, it's that important. And, so,

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 if you are concerned, and it's a good -- it's okay to be
2 concerned, but don't panic, let's get this corrected.

3 RACHEL: Okay.

4 JIM FEIJO: There's no rush to do anything. It
5 could be a variety of issues here.

6 RACHEL: Right.

7 JIM FEIJO: It could be, like you said,
8 straining --

9 RACHEL: Well, what if there's like a polyp in
10 there or something now?

11 JIM FEIJO: Polyps are nothing.

12 TRISH FEIJO: It's best left alone.

13 JIM FEIJO: Polyps are not cancer. Polyps
14 should be left alone. And what they do is they go snip
15 them out. Let me ask you something.

16 RACHEL: Yeah.

17 JIM FEIJO: If I came up to you and I said,
18 I've got these scissors and I want to cut a half-inch of
19 your -- back of your cheek out, would you let me do it?

20 RACHEL: Probably not.

21 JIM FEIJO: No. Well, that's how crazy this
22 is. And, by the way, it can continue --

23 RACHEL: You know, let me just tell you
24 something, they called me Thursday before the holiday at
25 4:30, quarter of 5:00. So, you know how I was all

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 weekend thinking that I had something, okay?

2 JIM FEIJO: That's what they plan. I'm telling
3 you, it's a plan of theirs.

4 RACHEL: I wanted to know if I should be taking
5 the other one, too, the -- not the A and -- the liquid.

6 TRISH FEIJO: 7 Herb?

7 JIM FEIJO: 7 Herb Formula?

8 RACHEL: The 7 Herb, yes.

9 TRISH FEIJO: It could. It's a good idea for
10 anyone to take a little bit every day, you know, as a
11 preventive, sure.

12 JIM FEIJO: Number one is to get this bowel
13 movement so you do not strain. That's number one.

14 RACHEL: Right, that's always been my problem
15 and I -- that's probably me, okay.

16 JIM FEIJO: How much apple pectin do you take?

17 RACHEL: This morning, I took a -- three spoons
18 full, so I take some more now?

19 JIM FEIJO: You should do apple pectin three --
20 at least three teaspoons or one yellow scoop twice a day.

21 RACHEL: Okay.

22 JIM FEIJO: Every day. And after you should do
23 one-half scoop or switch one scoop of apple pectin in the
24 morning, one scoop of Colon Clean in the afternoon.

25 RACHEL: Oh, I don't have that.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: This will help regulate and it will
2 help feed and help correct the imbalance.

3 RACHEL: Well, maybe we should buy the Colon
4 Clean.

5 JIM FEIJO: Well, it's what your body will
6 adjust to.

7 RACHEL: Okay.

8 JIM FEIJO: Some people need more Colon Clean,
9 some people need less.

10 RACHEL: All right.

11 JIM FEIJO: But it's all important.

12 RACHEL: We don't have that at home.

13 JIM FEIJO: Yeah. Well, it's all important,
14 Donna. But don't panic.

15 DONNA: I'm waiting for her.

16 JIM FEIJO: Don't let them panic you.

17 DONNA: No, I'm waiting for her to call me back
18 to reschedule something.

19 JIM FEIJO: Well, if you let them do that, you
20 have to be prepared that some new doctor who needs to
21 learn how to do these is going to be in there, not a
22 regular doctor, someone has to learn how to do these.
23 So, what they do is you may get some intern who's just
24 learning.

25 DONNA: Right.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: And you take your chances, let me
2 tell you. And they're going to snip, snip, snip.

3 DONNA: Right.

4 JIM FEIJO: If they find something, and it
5 doesn't make sense.

6 DONNA: So, just take what -- do what I'm
7 doing. Hopefully, everything's going to go away.

8 JIM FEIJO: That's what we do.

9 DONNA: Okay.

10 JIM FEIJO: I will never have one of those
11 done.

12 DONNA: Well, I mean, I don't want to sit home
13 every weekend and worry about I have colon cancer and
14 it's going to progress, you know, right now.

15 TRISH FEIJO: Well, no, you shouldn't do that.
16 Worrying is --

17 JIM FEIJO: God said not to worry --

18 TRISH FEIJO: -- enough to make you sick.

19 JIM FEIJO: -- tomorrow, so my wife and I, we
20 don't worry about it. We just do what we know.

21 DONNA: Okay.

22 JIM FEIJO: So, if we see there's blood in it,
23 we say, okay, what could it be? It could be like --

24 DONNA: I know it could come out of normal or
25 something, too.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yeah, sure.

2 DONNA: All right.

3 JIM FEIJO: Well, you can --

4 DONNA: Oh, I appreciate it.

5 JIM FEIJO: You just let us know, but you're on
6 the right track.

7 DONNA: Okay.

8 JIM FEIJO: And do the good things that you
9 should do and you should be fine.

10 DONNA: Um-hum. All right, great.

11 JIM FEIJO: All right, kiddo.

12 TRISH FEIJO: Thanks, Donna.

13 DONNA: Yep, bye.

14 JIM FEIJO: Thank you. That was Donna from
15 Providence, Rhode Island, she's in WARL country up in New
16 England. All right. Now, you know we have -- we're on
17 down in Cape Cod now and we're up in the Boston area now.
18 Did you know that?

19 TRISH FEIJO: I think I did know that.

20 JIM FEIJO: Hey, by the way, speaking of which,
21 I know we've got to get to Lakeland, Florida, but I got
22 to tell you what, do you know, I haven't heard anything
23 about the great Ted Kennedy. Have you?

24 TRISH FEIJO: No.

25 JIM FEIJO: (Singing) Where oh where is Ted

1 Kennedy? Where oh where can he be? What's happened with
2 his chemo treatment? Where oh where is Ted Kennedy?
3 How's that?

4 TRISH FEIJO: Not -- not --

5 JIM FEIJO: You think I should go on tour?

6 TRISH FEIJO: No.

7 JIM FEIJO: I might go to Nashville. That's
8 where my son -- Eric's in Nashville. Maybe I'll go visit
9 him there and sing down there.

10 TRISH FEIJO: Remember, they just booed
11 (inaudible) Buck Owens and (inaudible).

12 JIM FEIJO: That guy's made multi-millions
13 since then. Let's go to --

14 TRISH FEIJO: Belt buckle.

15 JIM FEIJO: Let's go to Lakeland --

16 TRISH FEIJO: Let's go to Lakeland, Florida.

17 JIM FEIJO: -- Florida. Welcome, Jim. Hi,
18 Jim.

19 TRISH FEIJO: Hi, Jim.

20 JIM: Hey, all right, Jim, it's Jim.

21 TRISH FEIJO: Hi, there.

22 JIM FEIJO: Hey, Jim. Hey, Jim, you want me
23 to --

24 JIM: I wanted a follow-up question. I had
25 that CTA coronary study done, you know, recently, and I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 called you and you told me to get on all your products,
2 which I've done. But I was curious about establishing a
3 benchmark with respect to blood flow.

4 JIM FEIJO: Yeah.

5 JIM: And the thing I had in mind is to get a
6 thallium stress test after about 60 days on your product.

7 JIM FEIJO: Yeah.

8 JIM: To kind of benchmark in --

9 JIM FEIJO: Sure.

10 JIM: -- my arteries so that I could, a year
11 from now, do it again and see if I'm making any progress
12 here.

13 JIM FEIJO: Sure. I mean, something like that,
14 those kind of testing is a good thing to know about, you
15 know. You know, I mean, that's going to give you a rate
16 of blood flow or a pressure -- are they doing the
17 pressure on that, too?

18 JIM: I think so.

19 JIM FEIJO: Yeah, I think they do the pressure
20 as well so you get the pressure and the blood flow. So,
21 I mean, that's something that you can determine what's
22 going on by the report. You see, Jim, the guys that do
23 this test may be different people and you never know how
24 they write up their tests. I just had -- I just had a
25 gentleman send me his reports.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM: Yeah.

2 JIM FEIJO: These are lab reports from the same
3 lab and everything and he's going in for the same reasons
4 and they've got the -- the report comes up with total
5 different reports on different things that wasn't why he
6 was going in there in the first place, you know? So, you
7 just got to make sure that you'll know enough to say this
8 is what I'm having done, this is what I had done, I want
9 the same thing done so I can tell if there's any
10 difference. You have to be really clear with them, you
11 know?

12 JIM: I have to really be clear with them.

13 JIM FEIJO: Yes.

14 JIM: And assertive.

15 JIM FEIJO: Yeah, you got to say, this is what
16 I want done, this is what I'm paying you for. You know,
17 I want to know what your measurements, your testing is
18 telling us and then I want to have it again, I want to
19 have it compared to the last time.

20 JIM: That's right, that's right.

21 JIM FEIJO: Yeah, that's all you're looking
22 for. I mean, you don't want to do the test and then they
23 don't compare apples to apples. You know, I mean, you
24 don't want that. That's what happened to this poor guy,
25 you know.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM: I hear you. The next thing, Jim, was
2 kidney stones. My brother and I have a history of
3 stones.

4 JIM FEIJO: Yeah.

5 JIM: And he's lucky enough to whiz them out,
6 so to speak, and they have to cut them out of me.

7 JIM FEIJO: Whoa.

8 JIM: And I'm -- yeah, bad news. And I'm
9 looking for a maintenance thing in terms of nutrition or
10 flushes, diet, supplements, something to mitigate the
11 growth of these kidney stones here in Florida.

12 JIM FEIJO: Right.

13 TRISH FEIJO: Right. The most important thing
14 you can do is the Micro Cal Plus. It's going to correct
15 the pH in your body so that they don't form, and if you
16 have any formed, it can help your body to absorb them.
17 All right? So, on a daily basis, you really want to be
18 taking the Micro Cal Plus, which is good for your entire
19 skeletal structure as well.

20 JIM: Okay. I noticed that on some of your
21 recommendations it was that C1000 -- Bio C1000.

22 JIM FEIJO: Yes.

23 JIM: And when my brother takes Vitamin C, he
24 passes stones. He's passed 26 of them.

25 JIM FEIJO: Right.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Wow.

2 JIM: He's pretty much up to speed what affects
3 his condition.

4 JIM FEIJO: Right.

5 JIM: And Vitamin C apparently is not healthy
6 for him.

7 JIM FEIJO: What do you mean, he passes stones?

8 JIM: If he takes Vitamin C, then he passes the
9 stones.

10 TRISH FEIJO: Right, but that's a good thing.
11 It sounds to me like -- I don't think the C causes the
12 stone unless you mean he takes it for a long period of
13 time and then passes stones. If he takes Vitamin C and
14 suddenly passes stones, I think it's helping his body to
15 eliminate those stones.

16 JIM FEIJO: Yeah, C is important.

17 JIM: Yeah, I agree. I wish I could do that.

18 JIM FEIJO: Yeah. So, it's important because
19 the Micro Cal, the Bio C, these things -- now, have you
20 done the Bio C with it?

21 JIM: No, he hasn't done the Bio C, nor have I.
22 I wanted to talk to you first.

23 TRISH FEIJO: Right. But you haven't taken the
24 Micro Cal Plus either, have you?

25 JIM: No, I haven't taken Micro Cal.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Okay.

2 TRISH FEIJO: I just wanted to be clear on
3 that.

4 JIM: I have not taken it.

5 TRISH FEIJO: And for Jim to be clear on that.

6 JIM FEIJO: Yeah, so that's what we would do.
7 We do --

8 TRISH FEIJO: Because that's the most important
9 thing, really, and if you have stones, like if you off
10 and on have the pain of stones now, you can use the GDU
11 to control the inflammation and the pain, but it's the
12 Micro Cal Plus that you can use to prevent stones from
13 forming, which obviously would be good for your brother
14 to do, too.

15 JIM: I can set him up on that. The last
16 thing, I get these migraine episodes. It started about
17 20 years ago.

18 JIM FEIJO: Um-hum.

19 TRISH FEIJO: Yeah.

20 JIM: And it's kind of a weird phenomena where
21 you get flashing colors and my vision is affected and I
22 get these geometric shapes kind of up in my eye, so to
23 speak.

24 JIM FEIJO: Yeah.

25 JIM: And I don't know --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: They look like --

2 JIM: -- what the heck is causing that.

3 JIM FEIJO: They look like you're looking --

4 JIM: But I wanted to know if there was a diet
5 or a supplement that I could take to mitigate that issue.

6 JIM FEIJO: Jim, when you say these shapes,
7 does it look like you're looking through a diamond, that
8 kind of thing?

9 JIM: That's right, yeah. They're geometric,
10 flashing colored --

11 JIM FEIJO: Yeah, yeah.

12 JIM: -- shapes.

13 JIM FEIJO: Yeah, I know what you're talking
14 about exactly. Look, I tell you what, these are really
15 difficult things, but ideally, taking the GDU and Micro
16 Cal is going to be important, all right? Obviously,
17 there's something going on where there's an imbalance and
18 we want to direct it. The GDU we use for migraines
19 anyway. The Micro Cal Plus is some of the electrolytes,
20 nutrients that we need as well. Now, the only thing I
21 would consider would be, one, taking a scoop or two of
22 Electro Carbs twice a day and then, also, using the
23 Phosphatidyl Serine and I would do three or four of those
24 with each meal.

25 JIM: The Electro Carbs times two and what was

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the other thing, Phospha?

2 JIM FEIJO: Yeah, P -- we call it PS. If you
3 call up our location --

4 JIM: Okay.

5 JIM FEIJO: -- or wherever you're located, if
6 you go up there to Eagle's Wings Ministry or Dr. Moore's
7 Chiropractics --

8 JIM: Okay.

9 JIM FEIJO: -- you may want to check to make
10 sure they have it, but Phosphatidyl Serine and any type
11 of lipid product, but the Phosphatidyl Serine is what I
12 personally use and I tell people to use because it's one
13 of the phospha lipids necessary for maintaining the cell
14 membranes of the nervous tissue, et cetera, throughout
15 the body, you know.

16 JIM: Yeah, I understand. Listen, I tried to
17 donate on your website and -- three times and it locked
18 up my computer three times in that process and I was
19 curious if you've had that complaint.

20 JIM FEIJO: Oh, man, I -- hey --

21 TRISH FEIJO: We haven't, but thank you for
22 sharing that, Jim.

23 JIM FEIJO: Do me -- do me a favor. Will you
24 please hold on, we're going to a break. I want the

23 perfect?

24 JIM FEIJO: No, because I let you do -- I let
25 you do your wifey things, that's what I let you do.

1 TRISH FEIJO: A quarter of a century.

2 JIM FEIJO: A quarter of a century.

3 TRISH FEIJO: All right, Jim, let's go --

4 JIM FEIJO: Being a wonderful husband, letting
5 his wife do all -- anything she wants to do.

6 TRISH FEIJO: I'm trying to save people from
7 hearing this. Let's go to Kingston --

8 JIM FEIJO: You got to tell people to call,
9 though. Maybe some people want to call.

10 TRISH FEIJO: You can call with a health
11 question, 1-866-222-2368.

12 JIM FEIJO: Any question?

13 TRISH FEIJO: Yes, Jim, any question.

14 JIM FEIJO: About anything health-related.

15 TRISH FEIJO: Any health-related question. We
16 have a first-time caller in Kingston, North Carolina.
17 So, let's welcome Marion. Hi, Marion.

18 JIM FEIJO: Hey, Marion, welcome.

19 MARION: Hi.

20 JIM FEIJO: How can we help you today?

21 TRISH FEIJO: Hey.

22 MARION: All right. I wanted to know something
23 on epilepsy.

24 JIM FEIJO: Yes.

25 MARION: I've been on Tegretol for quite a few

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 years.

2 JIM FEIJO: Yeah.

3 MARION: First, I was on Dilantin for a year
4 and they took me off of that and put me on Tegretol.

5 JIM FEIJO: Yeah.

6 TRISH FEIJO: And, now, with the Tegretol, they
7 have added Kepra (phonetic). It's just like every time I
8 go to the doctor, I'm getting some type of a medication.

9 JIM FEIJO: Another drug, huh? Another drug.

10 TRISH FEIJO: Yeah, did they add that because
11 you were --

12 MARION: And I'm getting tired of it.

13 TRISH FEIJO: -- having seizures anyway?

14 MARION: Pardon me?

15 TRISH FEIJO: They added it because you were
16 still having seizures anyway?

17 MARION: Yeah.

18 TRISH FEIJO: Okay. I'll tell you, we were
19 working with a little boy, we still work with him, he's
20 fine, he doesn't have seizures anymore. But when he
21 started to develop little seizures, the doctors put him
22 on a drug and then the seizures got worse and I looked up
23 the drug in the PDR and I brought it to the dad's
24 attention that right in the PDR it said the drug they
25 gave the child for seizures can cause worsening of

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 seizures, and they completely got him off of the drug.

2 And, hopefully, you can do that, too.

3 JIM FEIJO: How about Tegretol? Tegretol can
4 cause -- in the black box warning in the Physicians Desk
5 Reference, the very first sentence, Tegretol can cause
6 life-threatening allergic reactions, that's pretty --
7 epithelial necrosis. This is a very, very deadly drug.
8 But I guess they figure, you know, what the heck, they're
9 not taking it and so, therefore, the benefits outweigh
10 the risks, you know, death. You know what I mean? What
11 the heck.

12 TRISH FEIJO: Well, they don't know what else
13 to do and you can't live with seizures or it makes it
14 very difficult and, you know, we actually do know that.

15 JIM FEIJO: By the way, epidermal necrosis is
16 basically the death to your skin. It falls off, you
17 know.

18 MARION: Hmm.

19 JIM FEIJO: So...

20 TRISH FEIJO: But, anyway, back to this, I was
21 going to say, Marion --

22 JIM FEIJO: Marion?

23 TRISH FEIJO: -- we know what it's like because
24 Jim suffered with epileptic seizures a couple years ago
25 and it was really difficult. And at one point, I said,

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 if we don't figure this out, I hope that you at least
2 consider taking something for our quality of life because
3 we can't live like this because it was morning, noon and
4 night he was having these violent seizures. Well,
5 ultimately, it was some of our nutrients and a
6 homeopathic remedy that cured him. And it might be that
7 you'll also need homeopathic treatment. But there are
8 amino acids that can be used for seizures. And one of
9 those is L-phenylalanine.

10 JIM FEIJO: We call it Phenyl 500 to make it
11 easy for people. Phenyl 500 and you can do three of
12 those before meals and at night before bed. You got
13 that? Hello?

14 MARION: How do you spell that? P-H?

15 TRISH FEIJO: Yeah, it's --

16 JIM FEIJO: Phenyl 500.

17 TRISH FEIJO: Yeah, it's P-H-E-N-Y-L.

18 MARION: P-H-E-N --

19 TRISH FEIJO: And the number 500. Um-hum.

20 MARION: Okay.

21 TRISH FEIJO: And Jim's more familiar with the
22 amino acid therapy.

23 JIM FEIJO: And you want to take the L -- what
24 we use, actually, Trish actually and I actually use it
25 before the radio show as well, is our glutamine powder

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 and you can take a whole teaspoon before meals and at
2 night before bed and it's important when you take these
3 amino acids in relationship to amino acid therapy, you
4 want to take them on an empty stomach which is half hour
5 or so before meals with water or juice, okay?

6 MARION: Um-hum.

7 JIM FEIJO: You got that?

8 MARION: Um-hum.

9 TRISH FEIJO: Yeah, and that's just another
10 amino acid. So, the point is these are totally safe,
11 they aren't toxic. It's okay to take them with
12 medication, but the idea is that you can wean off the
13 medication.

14 MARION: Right.

15 TRISH FEIJO: Now, the thing about homeopathy
16 is it addresses when the illness began, what may have
17 been a trigger. And I don't know, you know, if you know
18 that, but if there was a point in time that -- or have
19 you had these all your life?

20 MARION: No, the only thing I can remember, my
21 husband left me.

22 TRISH FEIJO: Yeah.

23 JIM FEIJO: Yeah.

24 MARION: And when he left me, I started having
25 seizures.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Okay. Well, that would be the
2 key trigger then. And as a homeopath, when I hear
3 something like that, I know that that was the trigger.
4 It's, you know, ailments from --

5 JIM FEIJO: Very, very important. That
6 information is very, very important, Marion.

7 TRISH FEIJO: Yeah, that stress.

8 JIM FEIJO: And, look, that can happen and
9 everybody that goes through what we call this cortisol
10 response, this stress that's created by hormones, created
11 by stress like this, can be accidents, injuries, sports.
12 In this case, trauma. Never well since, like Trish
13 always talks about.

14 TRISH FEIJO: Um-hum.

15 JIM FEIJO: Indicating an episode where
16 something happened, a traumatic event. This causes a
17 response, a hormonal activity, leads to a damage or
18 breakdown of vascular tissue, muscle tissue. It depends
19 where the weakest link is that the person shows is up.
20 It's important you get Sero 5 and use Sero 5, two or
21 three capsules, three times a day, okay?

22 TRISH FEIJO: Um-hum.

23 JIM FEIJO: Now, we mentioned the amino acids,
24 Phenyl 500. We mentioned the glutamine powder. You want
25 to take those three times a day and before bed and before

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 meals. And then you want to add to this PS, phosphatidyl
2 serine, okay? Take as much as you like, two, one, three
3 times a day, as much as you want, okay?

4 MARION: Um-hum.

5 JIM FEIJO: The more, the better.

6 MARION: How do you spell that?

7 JIM FEIJO: The producer will give you all
8 this, okay?

9 MARION: Okay, great, great. Okay, I need to
10 ask you another question.

11 TRISH FEIJO: Yeah.

12 JIM FEIJO: Yeah.

13 MARION: My granddaughter, she's three.

14 TRISH FEIJO: Yeah.

15 MARION: She has these -- I don't know what
16 cause, I don't know if she fell or whatever. But, right
17 now, she's three.

18 TRISH FEIJO: Yeah.

19 JIM FEIJO: Um-hum.

20 TRISH FEIJO: Okay.

21 MARION: She was on Topamax.

22 TRISH FEIJO: Um-hum.

23 JIM FEIJO: Oh, my gosh.

24 MARION: They took her off of that and she's
25 now on -- I can't pronounce. Depola (phonetic)?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Yeah, it might be another form of
2 Depakote. I'm not sure. But most often a child with
3 seizures, it was a vaccination that triggered it.

4 MARION: Oh, my.

5 TRISH FEIJO: And I don't know if the -- the
6 parents recognized or you can ask them and they might
7 say, gee, yeah, it was a couple of weeks after the DPT
8 shot. That's a common one that can trigger seizures in a
9 child, and we have worked with children using the same
10 amino acids. I can remember one little baby, I think she
11 was just about three, maybe even younger, maybe about
12 two. And the grandmother and the mother were telling us,
13 they came out to one of our life broadcasts and they said
14 that the baby was, you know, kind of tired on the drug,
15 was acting a little doped up and, so, they didn't want to
16 do the drug. So, they took her off, they gave her the
17 same amino acids that we shared with you, and that little
18 baby was perfectly fine and didn't have any more
19 seizures.

20 MARION: Wow.

21 TRISH FEIJO: Yeah. So, you know, that's
22 wonderful when you can do that and, you know, again,
23 homeopathy is another option and, you know, I know
24 homeopaths are few and far between. But I think it's
25 good for you to know that that's an option, also.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 MARION: Um-hum.

2 JIM FEIJO: You know, this drug that they're
3 giving her, you need to really be careful because these
4 drugs in children for seizures, huge, tremendous warning
5 on these drugs for liver failure, liver damage in young
6 children.

7 TRISH FEIJO: And, by the way, you don't have
8 to vaccinate and if the parents will, you know, hear you
9 on this one, I'd suggest strongly that they never
10 vaccinate her again.

11 JIM FEIJO: It also goes on to say life-
12 threatening damage to the pancreas. This is -- these
13 people are nuts, these doctors, you know. I mean, just
14 get her on the first (inaudible). You should be on the
15 Endo 24 as well. Get off these drugs, get her on the
16 Endo 24. Just like my granddaughters are on it. And get
17 -- put a little bit of glutamine in it and one
18 phenylalanine. Let's just deal with that. Put a little
19 bit of lecithin in it. Those are the things you can do
20 for her.

21 MARION: Okay.

22 JIM FEIJO: But this is -- this is awful that
23 they give these children -- it even says for two years
24 old and that age group, increase of damage to the
25 pancreas leading to life-threatening damage to the

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 pancreas.

2 MARION: Okay. So, what I will do, I will
3 continue to -- when I get all the information, the
4 correct things to take, I will continue to take my
5 medicine, but slowly wean myself off of it?

6 JIM FEIJO: I would.

7 MARION: Okay, that's great. And if you would,
8 I have one more question.

9 TRISH FEIJO: Yeah.

10 MARION: I have a brother. They found out he
11 has some heart problems. They want to put a pacemaker in
12 his heart, you know (inaudible) chance and whatever.

13 TRISH FEIJO: Yeah.

14 MARION: And he don't want to have it done and
15 he don't want to be on medication. So --

16 TRISH FEIJO: Yeah, I wouldn't.

17 JIM FEIJO: Well, just get him on the entire
18 cardiac pack. Get the cardiac pack. Have him get on
19 that. He can call us if he wants to know how to use it,
20 but it's the CoQ10, our CarniPlex and our Hawthorn Plus.

21 MARION: Okay.

22 JIM FEIJO: And if there's other issues there,
23 then we can always address those. There may be an issue
24 where he needs to use Micro Cal Plus or maybe he needs to
25 use GDU. If he's got high cholesterol and worried about

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 blots and clots, we put him on Vascular Cleanse. So,
2 there's a ton of issues here that we need to look into
3 for him.

4 MARION: He does have the cholesterol problem.

5 JIM FEIJO: He's not on cholesterol drugs, is
6 he?

7 MARION: No.

8 JIM FEIJO: All right, good.

9 MARION: No.

10 TRISH FEIJO: Oh, good.

11 JIM FEIJO: Good, then we can take care of
12 that. That's not a problem. Then we can do that, all
13 right?

14 MARION: I wish I was smart like him. He's not
15 getting on anything.

16 JIM FEIJO: That's a smart bro, man.

17 TRISH FEIJO: No.

18 JIM FEIJO: You got to keep that brother. He's
19 a smart one.

20 MARION: Yes.

21 JIM FEIJO: You know?

22 TRISH FEIJO: Good for him.

23 JIM FEIJO: You just let -- you let us know,
24 though, all right?

25 MARION: Okay.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Now, you don't have a BioGuide or
2 do you have one?

3 MARION: No, sir, I don't have anything. I
4 just heard your program this evening.

5 JIM FEIJO: How did you find our program?

6 MARION: I was listening to it on the radio in
7 Kingston, North Carolina.

8 JIM FEIJO: Oh, yeah, in Kingston, you're
9 listening to our WELS.

10 MARION: Um-hum.

11 JIM FEIJO: Hey, listen, if you know anybody
12 that's real smart out there, then maybe they will open up
13 a Daniel Chapter One, okay?

14 MARION: Okay.

15 JIM FEIJO: And you won't have to call to
16 order, the 800 number. But you hang on, the producer
17 will give you some of the nutrients that we just
18 mentioned and you have questions, you just get back to
19 us, all right?

20 MARION: Okay, thank you so much.

21 TRISH FEIJO: Thank you, Marion.

22 JIM FEIJO: God bless you, Marion. Daniel
23 Chapter One Healthwatch, 1-866-222-2368. Every day,
24 Monday through Friday, 12:00 to 2:00, Eastern Time, with
25 your health care questions. Folks, you know, we've been

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 telling you -- last hour, if you missed the last hour,
2 I've got to have the producers save that last hour. We
3 had a gentleman call -- explain that call about the
4 grandfather that went out to Utah because the doctors
5 almost killed his grandson.

6 TRISH FEIJO: Well, the little boy started to
7 run a fever and he had a fever for a few days. I don't
8 know if anything was given, any kind of a drug possibly,
9 but at any rate -- or cool compresses, I guess the mom
10 used. And then he ended up breaking out all over his
11 body, so he was taken to the doctors and they couldn't
12 determine if it was chicken pox or measles. They didn't
13 know what it was and the doctor evidently said, well, we
14 don't see those kind of, you know, exantheams anymore, the
15 measles, the chicken pox, of course with their
16 vaccination program.

17 At any rate, so then he was sent home and as
18 the days went by, he was not eating, he was only drinking
19 water, so he was getting no nutrients, his tongue had
20 completely been coated in white, and then the
21 grandfather, you know, heard and became duly alarmed,
22 flew out to Albuquerque and he said that that child
23 looked like he was dying and they were quite certain that
24 he was. A child can die quickly of malnutrition. That's
25 what, you know, notoriously happens in Third World

 For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 countries, but don't think it doesn't happen here.

2 JIM FEIJO: Exactly.

3 TRISH FEIJO: And it happens in hospitals all
4 the time.

5 JIM FEIJO: All the time. Well, dehydrated,
6 toxemia, they can't get the nutrients in them. They do
7 an intravenous drip. They just don't know what they're
8 doing. The stuff they use is stupid. They use
9 PediaSure, PediaLite and it's just nut-so stuff. I
10 wouldn't give that to a dog.

11 TRISH FEIJO: But, anyway, he was very sick,
12 basically starving to death, and the good grandfather had
13 Biotropins and Endo 24 and mixed that up and gave it to
14 the child and he started to drink it and his health just
15 turned around. And in a few days, he was feeling so much
16 better.

17 JIM FEIJO: Praise the Lord for that, huh?

18 TRISH FEIJO: Yeah, it's a great story.

19 JIM FEIJO: Wow. What a -- grandfather had to
20 go out there to save that child. What a -- we got --

21 TRISH FEIJO: Oh, that's the other part of this
22 story. When he was in the hospital, they had the IVs and
23 the father actually put a stop to that. He said, no more
24 IVs. He was going to drink this stuff. And, you know,
25 the reason that just popped into my head is because I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 marveled in hearing the grandfather tell the story. His
2 courage, his great faith and courage, his conviction and
3 his wisdom that saved his grandchild, no doubt.

4 JIM FEIJO: And the love.

5 TRISH FEIJO: And the love to fly out there and
6 take care of him.

7 JIM FEIJO: Praise God. Boy, I tell you.

8 TRISH FEIJO: Um-hum.

9 JIM FEIJO: Helen, St. Petersburg, Florida,
10 cell phone. Hi, Helen.

11 TRISH FEIJO: Hi, Helen.

12 HELEN: Hello, Jim and Trish. I've been trying
13 to contact different radio stations to get you down here
14 in St. Petersburg. Another thing, you and Dr. Catherine
15 Joyce Reilly, R.N., and her husband, David Von Clise
16 (phonetic), you're on the same wavelength. She has --
17 they have a webpage. They're on shortwave. They have a
18 webpage, powerhour.com. Anyway, I'd love to have them be
19 able to -- be heard on your station like Jerry
20 (inaudible). But, anyway, just this morning, for years,
21 first of all, she's been fighting vaccinations. She said
22 one time, I had given vaccines and received vaccines for
23 about 30 years. I'll never either give another one or
24 receive another one again. She's been there, done that,
25 so to speak.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Yeah, great.

2 HELEN: And they love Ron Paul.

3 JIM FEIJO: Great.

4 TRISH FEIJO: That's great. If I'm not
5 mistaken, I remember her name from years ago and --

6 HELEN: Yeah.

7 TRISH FEIJO: -- since being involved in radio
8 and wasn't she speaking out with the Gulf War Syndrome?

9 HELEN: Oh, yes.

10 TRISH FEIJO: Yeah, she was very active in
11 that.

12 HELEN: She still does. And how they put
13 (inaudible) in the anthrax, you know, that closely
14 resembled body oils.

15 JIM FEIJO: Well, you may want to --

16 HELEN: So the body attacks itself.

17 JIM FEIJO: You may want to, Helen, see if
18 they'll have us on their program and also --

19 HELEN: Yeah.

20 JIM FEIJO: -- the fact is that we're the only
21 company anywhere to have documented people cured using
22 the nutrients we did of Gulf War illness, plus our battle
23 with the FTC. They may be interested in that. As a
24 matter of fact, we're --

25 HELEN: I shall.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yeah.

2 TRISH FEIJO: That would be great.

3 JIM FEIJO: That would be fantastic. I'd love
4 to hear from them.

5 HELEN: Oh, yeah, I think they'd -- you'd love
6 each other. But, anyway, they just talked this morning
7 (inaudible) just called up so I could hear what they were
8 saying.

9 TRISH FEIJO: Yes.

10 HELEN: And there's a doctor -- what's his
11 name? Paul Hoag and he was -- talked about chlorinated
12 water and they're making considerable success in getting
13 chlorinated water out of our system. They're doing
14 (inaudible).

15 JIM FEIJO: Well--

16 TRISH FEIJO: Well, that's major, too.

17 JIM FEIJO: -- they're trying to.

18 HELEN: Yeah, they're doing it.

19 JIM FEIJO: What happened is in Grand Rapids,
20 the recent outcry is that Grand Rapids, Michigan, was one
21 of the first -- was the first place, municipality to have
22 chlorination and this year they were celebrating that
23 historic 60th year, I guess it was. And they were
24 putting up a monument. And, so, the -- actually, one of
25 the gentlemen there, I forget his name, had the guts and

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the courage to say, we have to stop this in any -- and he
2 was ostracized by the mayor and some of the other
3 politicians in Grand Rapids. How do you like that?

4 HELEN: Terrible.

5 JIM FEIJO: It is terrible.

6 HELEN: Florida has just begun the past couple
7 years chlorinating their water and this -- they're
8 talking about -- in Louisiana, they have quite a campaign
9 against Governor Grindell or whatever his name is, to try
10 to get the chlorination out of their water. And then I
11 had mentioned, too, here in Florida, they have the
12 (inaudible). They mine it to get the balsite (phonetic)
13 to make aluminum and the dry product is sodium chloride
14 which is inorganic and the sodium -- calcium
15 chlorophosphate is the organic kind. People don't even
16 know they're poisoning their body, it's something your
17 body just can't handle.

18 JIM FEIJO: Well, even the natural occurring
19 toxic levels can occur. For example, there are natural
20 levels in India which are way overdone and still
21 shouldn't be. The natural levels, just because it's
22 natural levels doesn't mean the concentration in an area
23 is safe.

24 HELEN: Yeah.

25 JIM FEIJO: But it is -- the organic levels

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 certainly can be handled by the better -- body better
2 than the inorganic, you know?

3 HELEN: Well, the inorganic causes Alzheimer's.

4 JIM FEIJO: Right.

5 HELEN: And also some bad things, cancer
6 (inaudible).

7 JIM FEIJO: Uterine cancer, bone cancer,
8 uterine cancer. There's literally hundreds of diseases.
9 Arthritis, rheumatoid arthritis, dementia. It goes on
10 and on and on. Helen, people have been sitting back
11 being duped. And you know what, somewhat in support of
12 these people is that people are so busy worrying about
13 their taxes every year --

14 HELEN: Right.

15 JIM FEIJO: -- spending all their money every
16 month trying to get their taxes and things, so the next
17 April they can do it. They're worried about paying their
18 bills. The government has everybody exactly where they
19 want them right now, living and worrying about tomorrow
20 because of the fuel. They can't think of rallying
21 against this evil government.

22 TRISH FEIJO: Yeah, that's true.

23 HELEN: The apathy is the real problem.

24 JIM FEIJO: Well, apathy then festers to the
25 point where people who are trying to do something -- I'll

1 give you an example, there's a gentleman, a doctor,
2 believe it or not, a surgeon who I meet with almost
3 daily, okay?

4 HELEN: Yes.

5 JIM FEIJO: He is running for political office
6 in the State of Rhode Island.

7 HELEN: Good luck.

8 JIM FEIJO: He's quite a gentleman. He's quite
9 a gentleman. He's -- his family uses some of our
10 products. He understands some of these issues and he's
11 running for office. And you can see the frustration in
12 someone who's trying to correct stuff when people are
13 saying, oh, why do I want to bother, I don't want to do
14 that.

15 HELEN: Right.

16 JIM FEIJO: And he's going to try to drag
17 people out to make a change. And these are people, like
18 you said, in apathy, but they got to the apathy because
19 they've been so frustrated or they're so bogged down with
20 the cares of the world, you see?

21 HELEN: They don't feel their grandstand is
22 worthwhile.

23 JIM FEIJO: It's -- they feel that the effort
24 they put in is going to be in vain, that's what happens.

25 HELEN: I have hope because I must say this, a

1 couple thousand years ago when Jesus had his (inaudible)
2 on the mountain he said, thy Kingdom come, thy will be
3 done on earth as it is in Heaven, he wasn't making small
4 talk. And our youngest son has been quite involved in
5 it. He says, Satan knows you're going to lose. But,
6 right now, it's just -- I'm not discouraged because if
7 Jesus says so, it's going to happen.

8 TRISH FEIJO: Amen.

9 JIM FEIJO: Right.

10 TRISH FEIJO: That's awesome, Helen.

11 JIM FEIJO: I just try and ask the Lord, okay,
12 Lord, I'm not looking at anything in this world no matter
13 looks -- what color it is, green, yellow, blue, worry
14 about anything, but what do you want me to do and what am
15 I supposed to do, witness testimony, look for souls, look
16 for -- healing the body right now is like secondary.
17 We're workers, we heal their body and they never go to be
18 with the Lord, you know?

19 HELEN: Yes.

20 JIM FEIJO: So, we've got a lot of work ahead
21 of us and we're hoping like our voice, like Jesus and the
22 woman at the well, will take seed and people will
23 understand without the doctrines of men, but by the
24 spirit of God, to live in God, El Ahem, Israel. These
25 things will manifest in freedoms, people being set free,

1 you know.

2 HELEN: I'm so surprised they haven't attacked
3 you again.

4 JIM FEIJO: Well, I think there's a lot of --

5 HELEN: (Inaudible).

6 JIM FEIJO: I think there's a lot of stuff,
7 Helen, like Indians in the bushes, if I can say so, you
8 know.

9 HELEN: Yes, yeah.

10 JIM FEIJO: I'm sure --

11 HELEN: (Inaudible).

12 JIM FEIJO: I don't doubt if there's -- you
13 know, evil men seek to take the Kingdom of God by force.
14 So, I don't expect that we're free of evil men in this
15 world yet. Okay?

16 HELEN: Oh, no, but we will make them want to
17 -- make it feel good to do the right thing.

18 JIM FEIJO: We're going to --

19 HELEN: You know, Ron Paul has his campaign for
20 liberty right now, trying to help local officials that
21 know the Constitution become elected.

22 JIM FEIJO: I wish we could get --

23 TRISH FEIJO: Awesome.

24 JIM FEIJO: I wish we could get in touch with
25 Ron Paul. We need to bring on -- I've been -- I tried to

1 contact him to say, hey, we need help, but obviously the
2 letter I sent him doesn't mean anything or he has
3 somebody there that's just, hey, who cares, you know.

4 HELEN: 1-800 number, 1-800-RONPAUL, and then
5 there's another one you can reach him locally. It's --
6 or directly. It's -- the area code is (703)248-9115.

7 JIM FEIJO: Well, we'll give it a shot.

8 HELEN: (Inaudible).

9 JIM FEIJO: We've been trying to call
10 everybody. We'll try. I'll try to get on. I'll try Lou
11 Dobbs, I'll get on anybody, even liberal programs.

12 HELEN: You know, I'm disappointed in Lou Dobbs
13 because he doesn't mention Ron Paul, that really
14 discourages me.

15 TRISH FEIJO: Oh, well, that's disappointing.

16 JIM FEIJO: Well, he did mention him for a long
17 time, he did.

18 HELEN: Oh.

19 JIM FEIJO: You know, and then this -- he just
20 brings out the stupidity of what's going on now for sure,
21 you know?

22 HELEN: Yeah, yeah.

23 JIM FEIJO: And he does bring out a lot of the
24 devils out there.

25 HELEN: Oh, yeah.

1 JIM FEIJO: He does. (Inaudible) that.

2 JIM FEIJO: Well, it would be nice if we could
3 get on his show and express to people what battle we
4 really got going on. We're on one -- we're on the
5 biggest battle right now that there is right now.

6 HELEN: Well, people know -- see, you don't
7 know all action is preceded by thought. Without the
8 thought, you don't know what to do.

9 JIM FEIJO: That's right.

10 HELEN: And if we can get more radio stations
11 to have the thought and know what to do.

12 JIM FEIJO: Yeah, it's tough, boy. We -- we
13 just need the help.

14 HELEN: (Inaudible).

15 JIM FEIJO: Well, you just -- you keep working
16 and you keep praying for folks.

17 HELEN: Oh, I am.

18 JIM FEIJO: Thanks, Helen.

19 HELEN: You make my -- you light up my life.
20 Thank you so much.

21 JIM FEIJO: You light up my life, just like the
22 Lord, Helen.

23 HELEN: Thank you so much.

24 JIM FEIJO: Yeah.

25 TRISH FEIJO: Thank you, Helen. Great call.

12 TRISH FEIJO: Filling up.

13 JIM FEIJO: Here's a testimony from Pastor
14 Wayne Hamm, Henderson, Nevada. He had the Gulf War
15 illness. He was told that he needed surgery and
16 radiation treatment for his cancer, that he developed
17 skin cancer because of the Gulf War, he was exposed out
18 there. He didn't take it. He decided to use Daniel
19 Chapter One 7 Herb Formula, internally and topically. He
20 also used Ezekiel Oil topically, BioShark and GDU. My
21 skin cleared up after a few months in the late 1980s,
22 early '99, I was told there was no trace of cancer.

23 The FDA does not want us to let you know about

DANIEL CHAPTER ONE HEALTHWATCH

(HR 1, Track 1)

MALE ANNOUNCER: It is our mission to glorify Jesus Christ by sharing time-tested knowledge about herbs in His creation. You're listening to Daniel Chapter One Health Watch.

(Music playing.)

JIM FEIJO: Hi, I'm Jim Feijo.

TRISH FEIJO: And I'm Trish Feijo. We're Daniel Chapter One, and you're listening to Health Watch, bringing you the truth in God's creation.

JIM FEIJO: Don't believe the lie, don't die. Husbands protect your wives from the evil FDA. Protect your kids from Dr. Dumb-Dumb.

TRISH FEIJO: There is a solution to every health problem and it's not chemical drugs, surgery or radiation.

JIM FEIJO: Listen to Daniel Chapter One Health Watch where the truth will set you free.

TRISH FEIJO: Stay tuned and we'll help you cut through the confusion of medical madness.

JIM FEIJO: Well, it looks like there's some serious problems out there in the world of allopathic

(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 medicine. It seems like diabetes drugs are starting to
2 cause a relationship or, sure, a relationship to increase
3 cardiovascular disease. That's right, the drugs, the
4 testing for these drugs, it seems, is going on right now,
5 folks, so if you're trusting your Dr. Dumb-Dumb and
6 you're taking some form of diabetes drugs, you might just
7 be setting yourself up for increased cardiovascular
8 disease.

9 This is Daniel Chapter One Health Watch. I'm
10 Jim Feijo, here with my wife Trish Feijo. We want you to
11 have the natural methods of health and healing, so don't
12 hesitate, pick up the phone, give us a call, 1-866-222-
13 2368. That's the toll-free number. With any health care
14 question.

15 TRISH FEIJO: That's right, and it can be,
16 again, a skin ailment or it could be something like heart
17 disease or cancer even. And while the FTC does not want
18 us saying that anything natural can be used to treat
19 cancer and that nothing certainly can cure cancer, we
20 know that the truth is different than what they want us
21 to say. The truth is God has given us herbs in His
22 creation and nutrients that can heal cancer, even cure
23 cancer.

24 And, you know, the real scam, Jim, you know,
25 we're being accused of scamming people, the real scam is

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the whole oncology thing going, you know, the National
2 Cancer Institute and, you know, all the kind of
3 propaganda they put out and the money raising and the
4 research and their use of chemotherapy they call
5 chemotherapeutic agents.

6 JIM FEIJO: Yeah, right.

7 TRISH FEIJO: There's nothing therapeutic about
8 it. It's deadly. Radiation. Folks, that is the scam.
9 Again, our number, toll-free, is 1-866 --

10 JIM FEIJO: Right.

11 TRISH FEIJO: -- 222-2368.

12 JIM FEIJO: Say it, folks, 1-866-222-2368. You
13 know, I just -- I'm telling you, Trish, I can't wait,
14 we're trying to get it so that we can get all this
15 information to all our folks, what's going on. We have,
16 folks, at least -- we're starting a second book of
17 testimonies. It's just so awesome. I want to thank you
18 all for sending in testimonies.

19 Many of you, you can send in -- actually, go
20 to our website, danielchapterone.com, you can even just
21 say, hey, I want my -- I want my right, I want my right
22 for vitamins, minerals and nutrients. I don't want the
23 government, I don't want the Mexican government, Canadian
24 government or the American government making decisions
25 what I'm going to use for my children for cancer, for

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 diabetes, for Crohn's, for any illness.

2 We've got to take a stand, folks. We need to
3 have a revolt right now in this country against the
4 bureaucracy that is trying to intervene and take your
5 freedoms, your inalienable rights that God had intended
6 that we have from this Constitution, which the world
7 government, through evil Bush and evil Clintons and evil
8 politicians everywhere is seeking to take from you. And
9 this is what should be happening right now in every
10 Christian church in this country is standing up against
11 the evil, the falsehoods.

12 But, you know what, too many of these fancy
13 pastors out there, they're already in the bondage of
14 taking drugs. 1-866-222-2368. I want to thank you all
15 again. And we just had a lady that came all the way from
16 Massachusetts just to bring all her reports --

17 TRISH FEIJO: Wow.

18 JIM FEIJO: -- of her husband. Her husband was
19 given, Trish, basically six months to live. They had
20 already signed up Hospice. This is incredible. He's
21 lived six years. I think it's -- I have to get Jill on
22 the air, she knows more about that specific case. Maybe
23 I'll get her on in a little bit here. But what an
24 amazing --

25 TRISH FEIJO: Isn't that awesome?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: -- story. You know?

2 TRISH FEIJO: People are stepping up to the
3 plate, and it's really heartwarming. We were from the
4 very beginning willing to fight in it. At times, it does
5 feel kind of lonely, but really not anymore "P." Thank
6 you, everyone, for your support. People have voiced
7 prayers, made comments, shared testimonies, brought in
8 medical reports, have donated to our legal defense fund.
9 And it is really heartwarming and encouraging, to say the
10 least. And I think maybe, I don't know if it's
11 surprising to our attorney, but it's really speaking
12 volumes. And he's excited, and he said, the more, the
13 better. The more testimonies we get, the better.

14 And, so, we are in probably for a several-years
15 fight, but we're just trusting that God is in control.

16 JIM FEIJO: I am. You are.

17 TRISH FEIJO: His will be done.

18 JIM FEIJO: We are. And so is so many people
19 who listened to this program for so many years. And we
20 know that those of you who know God is your personal
21 savior, Yahweh, Messiah, Jesus the Christ, if you know
22 him as your personal savior, stand up, stop trusting the
23 devil, stop believing the lie.

24 1-866-222-2368, that's the toll-free number.

25 And now -- well, you can give us a call, by the way, with

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 any health care questions. 1-866-222-2368. We're
2 heading to Dr. Mink country, Valdosta, Georgia.

3 TRISH FEIJO: And we're going to welcome, is it
4 Darwin?

5 DARWIN: Yes, ma'am.

6 TRISH FEIJO: Hi, there.

7 JIM FEIJO: Welcome, Darwin. First-time
8 caller.

9 DARWIN: Yes, it is.

10 TRISH FEIJO: Yeah, how can we help you?

11 DARWIN: Yes, my wife is in -- she has MS, and
12 she's also diabetic, and I was wondering what kind of
13 medicines she should take, because she has shots and
14 about 30-plus pills a day. And --

15 JIM FEIJO: How long -- how long -- go ahead.

16 DARWIN: Eight years.

17 JIM FEIJO: It's been eight years? Is she
18 wheelchair-confined?

19 DARWIN: No, she's able to walk with a cane
20 sometimes.

21 JIM FEIJO: Oh, so, she can walk with a cane?

22 DARWIN: But if the pain is real bad --

23 JIM FEIJO: Yeah. Is she experiencing loss of
24 visions? Does she bite her tongue? Does she get
25 tightened across the chest? Does she -- does it feel

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 like her feet -- that she's walking on jellyfish, things
2 like this?

3 DARWIN: Yes.

4 JIM FEIJO: Yes. Well, that's what I went
5 through for 10 years, but I never took any of their
6 drugs, Darwin. And I, you know, personally I've talked
7 to many people whose family members, wives, et cetera,
8 have had MS, and I tell them this and they say, whoa,
9 whoa, who diagnosed you? I said, well, I wasn't going to
10 go through a CT scan, I wasn't going through this, and
11 nobody would want to go through the hell I went through
12 for 10 years, you see?

13 In the meantime, my wife actually became a
14 classical homeopath during that 10-year period, and now
15 she's one of the best in the country. But we started,
16 first of all, I never did any of their drugs. Their
17 beta-interferon, their drugs, their scams, their
18 Prednisones, their immuno-suppressants are just the anti-
19 Christ, and it's very, very difficult. I literally went
20 to everybody here in Daniel Chapter One, everyone. I
21 said show me, between Genesis and Revelation in the word
22 of the Lord, where if I take my life it will keep me from
23 being with the Lord God Almighty forever, Jesus, you
24 know? And that's where I was at, and I literally went
25 out to die back in 1997, I believe it was, and

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 fortunately the Lord let me continue here.

2 DARWIN: All right.

3 JIM FEIJO: So, what we would do is to try to
4 get off these drugs. They're immuno-suppressants. We
5 use our IG Factors, our A and B biotropins. This is
6 foundational. We would use the -- I use the First King
7 17-6; some people will use the -- my wife, working with
8 some ladies, they use the Endo 24, but it's a choice of
9 preference. Both of them are excellent. They assimilate
10 as quickly as water. They're better than eating food.
11 And it will get the nutrients into it and it will help
12 restore the lean body mass that's being lost during this
13 time, you see?

14 DARWIN: Uh-huh.

15 JIM FEIJO: So, that's how we would start. We
16 would start with that, and then there's two products that
17 we developed when I -- while I had the MS. One of them
18 is called MicroCal Plus. And the MicroCal Plus is a bone
19 food. It's the only calcium to ever been used as a bone
20 graft in humans, Darwin. And that is used.

21 The purpose of that product is electrolytes and
22 it is necessary or it was used by myself to help restore
23 the enzymes -- I mean triphosphitates. Part of the
24 demyelination of the brain stem or nervous tissue,
25 demyelination, is -- and lesions developing -- is due to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the fact of this enzyme is not functioning, and
2 therefore, the integrity of the tissue starts to break
3 down, shorting things out. So, the MicroCal Plus, the
4 purpose of it, was to help restore the thiamine
5 triphosphitates, you see?

6 DARWIN: Mm-hmm.

7 JIM FEIJO: And, so, those are the things that
8 we would start with. I mean, I went through 10 years of
9 literal hell.

10 DARWIN: I appreciate it.

11 JIM FEIJO: I never went to sleep for five
12 years except through sheer exhaustion because of the
13 pain.

14 DARWIN: Right, that's where she's at.

15 JIM FEIJO: Yeah. And I can't guarantee -- let
16 me -- I have to tell you, what I went through, I
17 literally used to cry every night because of the pain,
18 and I wouldn't take the aspirin, I wouldn't take
19 anything. And my reasoning was this, if what I was going
20 through was important for me to know to share with other
21 people, then I had to know if what I was doing was
22 working or not working. And if I took any kind of drugs
23 to mask pain, how would I know what was working?

24 So, I suffered, endured through that, and I
25 wouldn't wish that on anybody. And I had the most

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 extreme case. I had everything. I had like you felt
2 you're sawed in half across the chest, the jellyfish, the
3 twigs in your feet. I could feel every joint and every
4 bone in my body. I literally bit my tongue 20 -- over or
5 more -- times a day. And this goes back for a long time.

6 And right now, I have no symptoms. I gained
7 100 pounds during that 10 years, 10 pounds a year, but
8 when you think you're going to die, you don't care, you
9 see?

10 DARWIN: Yeah.

11 JIM FEIJO: But fortunately there's stuff that
12 can be done. Now, the diabetes issue is real simple.
13 And these drugs, I don't know if she was diabetic first
14 or --

15 DARWIN: She's borderline diabetic.

16 JIM FEIJO: She's borderline now?

17 DARWIN: She's been (inaudible) before. Yeah.

18 JIM FEIJO: She shouldn't be on any drug right
19 now for diabetes. The research is just coming out that
20 diabetes drugs can cause heart attacks and heart disease.
21 And if these diabetes are affecting the heart, then it's
22 going to affect the body's circulation and ability to
23 supply nutrients and energy and get rid of waste in the
24 tissues for a person with MS.

25 DARWIN: Mm-hmm.

1 JIM FEIJO: So, ideally, all she has to do is
2 CP200, one a day, and she might not even need that
3 because the 1st Kings and Endo 24 has some CP200 chromium
4 picolinate in it, you see?

5 DARWIN: Mm-hmm, yes.

6 JIM FEIJO: So, Darwin, we have Dr. Mink there.
7 And another thing I did do when I was going through my MS
8 is I had constant chiropractic care. So, I saw a
9 chiropractor regularly.

10 DARWIN: Okay.

11 JIM FEIJO: You know?

12 DARWIN: Yes. Yeah, because --

13 TRISH FEIJO: Yeah --

14 DARWIN: -- the legions (sic) are getting
15 pretty bad.

16 JIM FEIJO: Well, the more she takes the drugs,
17 the worst it's going to get.

18 TRISH FEIJO: Yeah, we've seen that in every
19 case, and sometimes initially on the drugs the person
20 does seem a little bit better, they -- less pain, they
21 seem to be able to maneuver better, but before you know
22 it, they're going downhill very quickly. And we've come
23 to see that that's directly attributable to the drugs.

24 JIM FEIJO: We literally have seen -- I seen a
25 29-year-old Marine, physically fit, lean, practically not

For The Record, Inc.
(301) 870-8025 - www.frinc.net - (800) 921-5555

1 a ounce of body fat on him, come in, diagnosed with MS,
2 on two crutches, he -- I told him don't do the beta-
3 interferon, don't do their drugs. He came in a month
4 later and he was in a wheelchair. It's just incredible
5 what happens when you get on these drugs. Anything can
6 happen.

7 DARWIN: Right.

8 JIM FEIJO: You know, yesterday we had a
9 gentleman call up, Darwin, who was given the interferon,
10 and they almost killed the man. I asked the producers to
11 cut it. I haven't received it yet, but I had -- I wanted
12 to play that man's story over and over again, you know?

13 DARWIN: Yes.

14 JIM FEIJO: So, that's -- it's a tough
15 decision, Darwin, and I tell you what I've witnessed in
16 other people, and I can't blame it, it's working with
17 people with MS is tougher than working with people with
18 cancer, because the MS is 24 hours, every second, every
19 day, you see?

20 DARWIN: That's right, brother.

21 JIM FEIJO: And you know that it's happening.
22 You're the one that's going through it. I mean, I -- I
23 endured every second of every minute of every day in a
24 pain state. And I wouldn't take aspirin, I wouldn't take
25 Tylenol, I wouldn't take nothing at all, okay? And I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 remember one day had to -- we had to travel somewhere,
2 and I couldn't drive the car, my wife was driving the
3 car, and we had to stop every exit because the pain was
4 so great, literally had to stop every exit because I was
5 just -- and I was -- huh, Trish?

6 TRISH FEIJO: Yes.

7 JIM FEIJO: I moaned and groaned and the whole
8 --

9 TRISH FEIJO: Oh, it was awful, mm-hmm.

10 JIM FEIJO: It was agony. But that's why I
11 didn't want to live, you know?

12 DARWIN: Yeah, I definitely understand that.

13 JIM FEIJO: So, you know, you just got to trust
14 that there is an answer, and I can tell you every person
15 I've dealt with with MS, and I understand it, because
16 I've been there now, but before I was there they used to
17 come and tell me this and tell me that, and I said I
18 couldn't understand it.

19 A matter of fact, because all the crazy books
20 and everything that science says didn't make any sense
21 because, I mean, they want you to believe it's all in
22 your head so they drug you. In the meantime, you're
23 dying within. So, and I watched them get -- try to get
24 off the drugs, and they panic because they -- you can
25 actually go into a catastonic (sic) state where you're

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 just frozen.

2 DARWIN: Mm-hmm.

3 JIM FEIJO: You know? So, you have to be
4 prepared and not give way to fear. But I certainly
5 understand everybody that's going through what your wife
6 is going through.

7 DARWIN: Well, I appreciate it.

8 JIM FEIJO: Now, look, whatever you decide, I
9 will be happy to stand with you. My wife and I would be
10 happy to stand with you here to walk through this. And
11 if you decide that you want to trust the Lord and go this
12 route, there are many -- I literally -- nobody knew, I
13 mean, I was fortunate that I went through the MS because
14 then I determined through my experience that God showed
15 me and the Lord God showed me that MS is not
16 demyelination of brain stem but demyelination of the
17 brain stem is a result of MS, which is a mitochondrial
18 malfunction.

19 And that's how we treat MS, is to restore the
20 lean body mass and restore the mitochondria which makes
21 ATP, which is important for the integrity of the myelin
22 tissue in every organ. That's why you're weak, that's
23 why you're tired, that you're exhausted. I couldn't read
24 for three years, you know?

25 DARWIN: Mm-hmm.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: So, those are the kind of things
2 that the hell of what it is, you know?

3 DARWIN: Yeah.

4 JIM FEIJO: So, you let us know. We're here.
5 And Dr. Mink and also we have several locations down in
6 the Valdosta area. And all you need to do is call the
7 800-504-5511. The producer is going to give you a code.
8 You can pick up a free bio-guide there and we can try to
9 go from there.

10 TRISH FEIJO: Also, Jim and Darwin, I know that
11 we received the testimony recently as we're collecting
12 testimonies, and it might have been from Pennsylvania,
13 and it may be up on the website, but from a man who is --
14 with MS, on the drugs for years. He's been off of the
15 drugs for quite a while now, using our products, and just
16 doing better than ever. And, so, that would be more, you
17 know, like your wife's situation.

18 Again, you know, my husband, Jim, never did the
19 drugs from the very beginning. He just, you know, kind
20 of toughed it out, but there was a man that on the drugs
21 was just not getting any better, was getting worse, and
22 he finally started to stop the drugs and get on the
23 nutrients instead, and he's really grateful that he did.

24 JIM FEIJO: Yeah, there is an MS on our
25 website. If you go to danielchapterone.com --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 DARWIN: Okay.

2 JIM FEIJO: -- and you click on it, it says "A
3 thousand voices," those are testimonies that we've
4 received, and this is from a gentleman, Don, and says
5 I've had MS for 14 years. I was on daily injections of
6 Copaxa (phonetic) for nine years. And it goes on and on.
7 You can read about the whole issue here. And he says
8 currently I'm taking 1st Kings, IG Factors, MicroCal GDU.
9 I truly notice a difference if I'm not taking these
10 nutrients. So, that's what you're looking at, you know?

11 DARWIN: Okay, I appreciate it.

12 JIM FEIJO: All right.

13 TRISH FEIJO: Thanks, Darwin.

14 JIM FEIJO: Well, hang on, get the code, give
15 them a call and get back to us as you and your wife go
16 through this. Okay?

17 DARWIN: Okay. Thank you very much.

18 TRISH FEIJO: Yep.

19 JIM FEIJO: Lord bless you, and I'm going to
20 trust the Lord for healing this young lady. Man, I'm
21 telling you, it's sad. Let's go to --

22 TRISH FEIJO: It's tough.

23 JIM FEIJO: Yeah, we're going to Helen in St.
24 Petersburg, Florida, a cell phone caller. Hi, Helen.

25 TRISH FEIJO: Hi, Helen.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 HELEN: Hello, Kim and Trish.

2 TRISH FEIJO: Hi.

3 HELEN: I just spoke with Carla to give her the
4 number where you could reach Joyce Reilly, who is
5 (inaudible) please ring. And there's another person
6 who's very involved in nuclear physicists, Dr. Doug Rokke
7 or Major Doug Rokke. He was involved in this about 15
8 years ago on the first Gulf War, he and about 20 other
9 physicists went over there, or workers, to try to resolve
10 the problem, which they could not do. And about 11 of
11 those have already been dead -- are already dead --

12 JIM FEIJO: Yeah.

13 HELEN: And he's still infected, but he's still
14 around.

15 TRISH FEIJO: Yeah.

16 HELEN: I don't know how to reach him, but he's
17 --

18 TRISH FEIJO: You know, honestly, Helen, I
19 vaguely remember that the individual we have documented
20 as cured of Gulf War illness using our products --

21 HELEN: Yes, yes.

22 TRISH FEIJO: -- he, you know, Reverend Harbin

23 --

24 HELEN: I was just reading it.

25 TRISH FEIJO: He's a wonderful man. He made --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 of his own volition, he made copies of his testimony, and
2 he went to -- maybe it was out in Las Vegas at the time
3 that they were having some gathering, but do you
4 remember, Jim? He did try to approach these people
5 saying, you know, I know someone that can help heal Gulf
6 War syndrome, and they pretty much didn't give him the
7 time of day.

8 JIM FEIJO: You know what --

9 HELEN: Well, I appreciate that, because Joyce
10 Reilly is still fighting it, and so is Alex Jones, he's
11 on the short wave, a wonderful 35-year-old --

12 TRISH FEIJO: Yeah, well, it would be a big
13 breakthrough if she would let us come on her program or
14 the other way around, because these people have closed
15 the door to us in the past.

16 HELEN: Well, what I did --

17 TRISH FEIJO: I don't know why.

18 HELEN: -- I gave Carla the number, and --

19 TRISH FEIJO: Okay, great.

20 HELEN: -- then I'll still try to reach Joyce
21 Reilly, even on the program.

22 TRISH FEIJO: Yeah. Thanks, Helen.

23 JIM FEIJO: Great.

24 HELEN: Just interject that.

25 TRISH FEIJO: That would be great.

(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 HELEN: And then there's another thing I want
2 to give another testimony. I mentioned a while ago, my
3 husband's not with me right now, but three or four years
4 ago he had a simple basal cell carcinoma just above his
5 nose.

6 JIM FEIJO: Right.

7 HELEN: And he applied your Ezekiel Oil daily
8 and it went away. And just to reinforce that, when I
9 left Wildwood, 90 miles north of St. Petersburg --

10 TRISH FEIJO: Yeah.

11 HELEN: -- down here, there are two nurses
12 whose growths were getting small applying Ezekiel Oil.
13 They all have your number. I really bombard everybody.

14 TRISH FEIJO: Yeah, can we get that testimony
15 from you?

16 HELEN: Yes, Carla asked if I would do that.

17 TRISH FEIJO: Oh, terrific.

18 HELEN: I wanted to listen to hear that the
19 Ezekiel Oil does cure the basal cell carcinoma.

20 TRISH FEIJO: Thank you, Helen.

21 HELEN: Sure.

22 JIM FEIJO: You bet. Well, Helen, you let us
23 know. We thank you so much, and we will follow up on
24 that. Okay, kid?

25 HELEN: Yes, they can also -- Montel Williams

2 diagnosed with multiple sclerosis.

3 TRISH FEIJO: Yeah.

4 JIM FEIJO: Yeah.

5 HELEN: And I know he's taking a lot of herbs
6 and everything, but he's still -- I think he believes in
7 drugs.

8 TRISH FEIJO: Yeah.

9 JIM FEIJO: Yeah, he's all drugged up.

10 HELEN: I'm trying to think, I don't have like
11 a computer, but I'd try to reach him somehow to let him
12 know about you because --

13 TRISH FEIJO: That would be great.

14 JIM FEIJO: And Cavuto -- Cavuto, too, they're
15 all pushing the drugs.

16 HELEN: Ugghh!

17 JIM FEIJO: They're all pushing the -- he's
18 pushing drugs for the pharmaceutical company. Cavuto has
19 sold his soul to the drugs. And, you know what, nothing
20 good is going to come of it. They're just -- they're
21 just like little puppets to be used by these phony
22 pharmaceutical companies. But it's sad. Look, we're out
23 of time. Helen, thanks. We're going to be leaving,
24 folks. Thanks, Helen, Lord bless you.

1 JIM FEIJO: Yeah.

2 TRISH FEIJO: Because that's what everyone's
3 thinking.

4 JIM FEIJO: Yeah.

5 TRISH FEIJO: Oh, wow.

6 JIM FEIJO: Well, I said it, so, you know . . .

7 TRISH FEIJO: 1-866-222-2368 is the number
8 here. And right now, Jim, let's go out to Provo, Utah to
9 welcome first-time caller Kate. She's on a cell phone.
10 Hi, Kate.

11 JIM FEIJO: Hi, Kate, how can we help you?

12 KATE: Hi.

13 TRISH FEIJO: Hi.

14 KATE: Oh, my gosh, my heart's pounding.

15 TRISH FEIJO: Oh, I'm glad that you were able
16 to hang on.

17 KATE: Well, first I want to say God bless you
18 guys.

19 TRISH FEIJO: Thanks.

20 JIM FEIJO: Oh, well, bless you. Thanks.

21 KATE: Well, my mom's been a long-time
22 listener, and I've just kind of started to tune in, and
23 now I'm hooked, so I love you guys.

24 JIM FEIJO: Oh, man.

25 KATE: A couple things. I wanted to know how,

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 if you could, what are your thoughts, if you could
2 briefly, on immunizations. And then, also, I need -- I
3 wanted to pass -- I want to forward like some information
4 to a friend through websites or something, and I want to
5 know if there's like one that you guys could recommend
6 better than any that as far as like the negative or the
7 facts of immunization, because I had some experience with
8 my second child. After she received a set, she turned
9 like flush white and then she was having little seizures
10 all day, and her eyes looked really dark and --

11 TRISH FEIJO: Yep.

12 KATE: -- yada, yada. And with a lot of
13 prayers and some stuff that I got at a health food store,
14 thankfully, she's all right.

15 TRISH FEIJO: Yeah.

16 KATE: But she has had reflux, she has problems
17 going to the -- you know, going to the bathroom, which
18 ended up turning into a kidney infection.

19 JIM FEIJO: How old?

20 KATE: And she -- when I went to get x-rays,
21 she was so incredibly backed up that they could see it
22 like in her lungs, like in her ribs or something.

23 TRISH FEIJO: Oh, my gosh.

24 KATE: It's that bad. And I think -- because
25 this is the only thing that I direct all of it to.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Sure, you're right, Kate. You
2 have, you know, a gut instinct, if you will, a mother's
3 instinct, God gave it to you, and you know, and what
4 upsets me is I work with parents around the country, I
5 work with their children, and when they know that their
6 child was harmed by a vaccination and they comment on
7 that, the doctor will most often smugly say, oh, I doubt
8 it, I don't think so.

9 KATE: You're crazy, what are you talking
10 about.

11 TRISH FEIJO: And you know that it was related.
12 You know that you had this healthy child and all of a
13 sudden this one day she's seizing and it was right after
14 a vaccination, you can't deny that, but unfortunately
15 they can and they do.

16 KATE: Right.

17 TRISH FEIJO: But you're absolutely right. The
18 main thing right now is you need to get your daughter on
19 the biotropins and the IG Factors or IGF1. How old is
20 she?

21 KATE: Well, now she's seven.

22 TRISH FEIJO: Okay. You could --

23 KATE: And I didn't immunize her after that.

24 TRISH FEIJO: Good for you. That's wise.

25 KATE: I think.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: I mean, that is, you know, also a
2 wisdom and obviously God gave you the courage to stand by
3 that. I know the pressure can be great, especially for
4 parents that want to put the child in school, but you do
5 have Constitutional rights, and as long as you know
6 enough to stand on those rights and to stand up to them,
7 because they -- they really bully you.

8 KATE: Keep our fingers crossed.

9 TRISH FEIJO: You know, and some people, maybe
10 the nurses, you know, they're well-meaning. The doctors,
11 they really believe that you have to do this, you know,
12 so it's their own fear. And unfortunately sometimes they
13 draw people into that fear but, you know, have no fear.

14 KATE: They really bully and pressure, and I
15 wondered --

16 TRISH FEIJO: Mm-hmm.

17 KATE: -- I wanted to get some information, if
18 I could, to a friend, and I've --

19 TRISH FEIJO: Absolutely.

20 KATE: -- asked her to check out websites, but
21 I don't really know the best one that I can recommend.

22 TRISH FEIJO: Sure. Yeah, well, we can share
23 that with you, Kate, but I just want to make this point,
24 that --

25 KATE: Uh-huh.

1 TRISH FEIJO: -- you do want to get the
2 knowledge to be forearmed, to be forewarned, but you're
3 -- in most cases, you're better off keeping it to
4 yourself, and I say it for this reason.

5 KATE: Mm-hmm.

6 TRISH FEIJO: Once your mind is made up, then
7 stick to that. You know, my stepdaughter, Jill, she says
8 no vaccinations, end of issues. She doesn't even open
9 that door and they back down. They respect that. If you
10 go in the doctor's office to begin to explain why,
11 automatically now you've put them on the defense, and
12 they have to defend their view, and the next thing you
13 know, there's contention, there's hostility, and, you
14 know, they may or may not fire you as a patient, but the
15 point is, you know, then there's argumentation that
16 doesn't go anywhere in most cases.

17 But you do want the information. Your friend
18 should get the information.

19 KATE: Mm-hmm.

20 TRISH FEIJO: And there are some good websites.

21 KATE: I actually did continue to vaccinate all
22 of them, and I'm all for vaccinations.

23 TRISH FEIJO: You're all for them?

24 KATE: Knock on wood. Ha, yeah, I'm as quiet
25 as a mouse, no, nothing goes past -- past that point in

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 my decision at that moment. Did I totally throw you guys
2 off?

3 TRISH FEIJO: Yeah, I'm really surprised that
4 you're for --

5 KATE: As far as everybody goes, I am for
6 vaccinations is what I am saying.

7 JIM FEIJO: Well, we just want you to know, we
8 just think that is absolutely unnecessary and dangerous
9 and is the leading cause of so many illnesses in the
10 world today.

11 KATE: No, I'm not, but I'm saying as far as
12 doctors and the rest of the world goes --

13 TRISH FEIJO: I see what you're -- yes, I do
14 understand what you're saying now, Kate.

15 KATE: -- I'm all for it.

16 TRISH FEIJO: And, you know what --

17 JIM FEIJO: Oh, yeah, let them do it, you mean,
18 right?

19 KATE: Yeah, yeah.

20 TRISH FEIJO: Right, right.

21 JIM FEIJO: Yeah, that's the way I am, too.

22 TRISH FEIJO: No, you're right, and, so, you
23 know, back to this, there's -- I'm sorry I don't have the
24 name of it right now, but there's a very recent book, and
25 I've been told it's the best --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 KATE: Okay.

2 TRISH FEIJO: -- current book on vaccinations,
3 pro and con, and there really is no pro. And the more
4 you research and find out about vaccines, the more you
5 realize they are ineffective, unnecessary, you know,
6 besides all the inherent risks and the dangers and toxins
7 in them --

8 KATE: Right.

9 TRISH FEIJO: -- and everything else, but they
10 are not needed and, so, you know, very honestly, there is
11 no good to them whatsoever.

12 KATE: So --

13 TRISH FEIJO: But is explained, you know, very
14 well in a book, and I will get the name of that.

15 KATE: Could you?

16 TRISH FEIJO: Mm-hmm.

17 KATE: I would be really grateful.

18 TRISH FEIJO: Yeah, I'll definitely --

19 KATE: Maybe I could give them --

20 TRISH FEIJO: -- do that and, you know, I would
21 say you can at least call back in or, you know, I'll try
22 to make that available --

23 KATE: Okay.

24 TRISH FEIJO: -- somehow on our website or at
25 the order center.

1 KATE: And real quick --

2 TRISH FEIJO: Mm-hmm.

3 KATE: -- can I kind of go to my other subject?

4 TRISH FEIJO: Sure.

5 KATE: Okay, I have a question. I'm 29 and I
6 have three children and my first -- thank you -- my
7 oldest was like 10 pounds, one ounce, and she was in the
8 ICU, and ever since my first pregnancy, I have not been
9 the same. I was a nut, like maybe bipolar, just out
10 there crazy. And then I was told I might have PCOS, and
11 then I did my own diagnosis and thought maybe it's PCOS,
12 bipolar, candida, fibromyalgia, all of these things. And
13 I've come a long way and I take really good care of my
14 health and drink water all day and --

15 TRISH FEIJO: Yeah, good.

16 KATE: -- eat lots of dark greens and take --
17 and I'm trying to take vitamins, but I've cut back, I
18 still take like 10 milligrams of Lexipro, and the only
19 thing that kind of gives me some calmness during the day,
20 especially if I'm going to go be in a situation --

21 JIM FEIJO: Yeah.

22 KATE: -- I take like a little bit of a 0.05
23 Zanax.

24 TRISH FEIJO: Okay.

25 KATE: And I hate medications, but I'm

For The Record, Inc.

1 wondering am I ever going to be able to feel like my
2 brain is like whole, and so --

3 TRISH FEIJO: Yeah, and I'll tell you, what you
4 can right away, and by the way, Kate, that's not
5 uncommon. As a homeopath, I treat a lot of women who
6 after childbirth they just -- they aren't them anymore,
7 and it can be a hormonal situation, fluctuation of
8 hormones. It's a very real thing outside of the woman's
9 control. In most cases, you know, we can cure it very
10 quickly with a homeopathic remedy.

11 KATE: Mm-hmm.

12 TRISH FEIJO: But also here at Daniel Chapter
13 One we use the Endo 24 and DHEA, you know, products like
14 that to get the hormones back into balance. Right now,
15 you can stop the Lexipro and the Zanax by using our Sero
16 5. And people using Sero 5, which is a combination of B
17 vitamins and a couple of amino acids, it allows your body
18 to make more of its own natural serotonin. That very
19 naturally will bring up your serotonin level, which in a
20 sense is balancing brain chemicals.

21 KATE: Okay.

22 TRISH FEIJO: So you feel good but you feel
23 human, not like a zombie, and you are doing other damage
24 to your body.

25 KATE: Okay.

(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: You can definitely at least start
2 there. I would do the Endo 24, three scoops in water
3 twice a day, and get the Sero 5.

4 KATE: Endo 24.

5 TRISH FEIJO: Yeah. And then, again, for your
6 daughter, if we left that too soon --

7 JIM FEIJO: Yeah.

8 TRISH FEIJO: -- get the biotropins and the IG
9 Factors, and you can give that to her in the Endo 24 or
10 in water or juice or even in food, but try to do that two
11 or three times a day. And that should strengthen the
12 bowels, normalize her bowel function.

13 KATE: Okay.

14 TRISH FEIJO: If not, you can get back to us,
15 but any medication and any vaccination is going to cause
16 the natural biotropin level to plummet. It just destroys
17 your good bacteria.

18 JIM FEIJO: Antibiotics.

19 KATE: Right.

20 JIM FEIJO: Tap water.

21 TRISH FEIJO: Yeah, a number of things.

22 JIM FEIJO: All those things just destroy the
23 front line immune system.

24 TRISH FEIJO: So that's a good place to start.

25 KATE: Okay.

1 JIM FEIJO: And your stress, everything you've
2 been through, so restore that in you right away.

3 KATE: Okay, so is there on your website, if I
4 -- is there a place to type in like some of my symptoms
5 and to get further information on your products, or --

6 JIM FEIJO: You can go to the website and check
7 things out. The producer is going to give you a code.
8 With that code, you can call the 800-504-5511, they'll
9 give you the -- just give them that code, and they'll
10 give you the location closest to you. You can get a free
11 BioGuide there and see what's personally in the BioGuide
12 right away.

13 KATE: Okay, well, I hope --

14 JIM FEIJO: Okay?

15 KATE: -- I made some sense, and thank you
16 guys.

17 JIM FEIJO: You bet.

18 KATE: And God bless.

19 TRISH FEIJO: God bless you, Kate.

20 JIM FEIJO: Oh, thank you, and keep it up.
21 Don't -- boy, these children, boy, they're hurting, huh?

22 TRISH FEIJO: And, well, she's a smart mom --

1 Roberta. Hi, Roberta.

2 JIM FEIJO: But I'm against vaccinations,
3 period.

4 TRISH FEIJO: Yes, we are.

5 JIM FEIJO: I know what she meant, you know.
6 Personally --

7 TRISH FEIJO: You know what, Jim, I have to say
8 it, I work with moms all over the country, and I know
9 this for a fact, they are, first of all, about protecting
10 their child, and part of that is to protect them from the
11 government. They don't want to say too much, because
12 they don't want the government coming and taking their
13 child away.

14 JIM FEIJO: Yeah.

15 TRISH FEIJO: So, they just -- they kind of
16 play it safe and quiet. I don't blame them.

17 JIM FEIJO: Well, they got to agree to protect
18 their family, I guess.

19 TRISH FEIJO: What a crazy country we live in,
20 though.

21 JIM FEIJO: That's the point, Satan.

22 TRISH FEIJO: Hi, Roberta.

23 ROBERTA: Hi.

24 TRISH FEIJO: Hi.

25 JIM FEIJO: Welcome.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: How can we help you?

2 ROBERTA: I called several weeks ago regarding
3 a cough that I had.

4 TRISH FEIJO: Yeah.

5 JIM FEIJO: Yeah.

6 ROBERTA: Unfortunately, it's still lingering,
7 and you told me to get on the FGC.

8 TRISH FEIJO: Yep.

9 ROBERTA: And it's still there, even when I --
10 now when I start running, I mean, like five minutes into
11 my exercise I get a tightness in my chest --

12 JIM FEIJO: Mm-hmm.

13 ROBERTA: -- and I start coughing really,
14 really bad, like almost a spasm sort of thing.

15 TRISH FEIJO: Well, you can add the Health
16 Blast. That's a broncho-dilator for --

17 JIM FEIJO: Yeah, that's --

18 TRISH FEIJO: -- opening the lungs up.

19 JIM FEIJO: -- your description is different
20 than if it was due to mucus buildup. Did you also do the
21 Ezekiel nasal rinse?

22 ROBERTA: No, because I don't have a -- I don't
23 have any post-nasal drip or anything like that.

24 TRISH FEIJO: Okay, do you have any history of
25 asthma?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 ROBERTA: No.

2 TRISH FEIJO: Okay. Because for that we use
3 biotropins and IG Factors, and I'm sorry I don't remember
4 the call. If you had done antibiotics for a period of
5 time before calling us?

6 ROBERTA: No, they wanted to put me on
7 Prednisone.

8 JIM FEIJO: Whoa.

9 TRISH FEIJO: Well, you can add the GDU --

10 JIM FEIJO: GDU.

11 TRISH FEIJO: -- also. That would take the
12 place of Prednisone.

13 ROBERTA: Okay.

14 TRISH FEIJO: And the GDU is a natural anti-
15 inflammatory, and that can break a cycle of inflammation,
16 if that's the problem.

17 JIM FEIJO: Yeah.

18 TRISH FEIJO: And the Health Blast, again,
19 that's going to open your lungs up, and you can take it
20 right before you go running and it will even give you a
21 little more extra energy.

22 ROBERTA: Okay, will that affect what else I'm
23 taking for my running?

24 JIM FEIJO: What are you taking for your
25 running?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 ROBERTA: Two Carniplexes and then I take
2 Endurosine.

3 TRISH FEIJO: Oh, no, oh, it works great
4 together.

5 JIM FEIJO: No, those actually -- it's very
6 interesting you ask that, because the Health Blast was
7 designed to have its -- some of its effectiveness because
8 of the Endurosine. So there is some characteristics of
9 Endurosine as part of the Health Blast so they won't
10 conflict, they'll actually work in synergy. And, so,
11 that would be an excellent issue.

12 Now, the GDU would be great, not if the -- if
13 the FGC hadn't done it by this time, it may still take
14 some while -- while, you know.

15 ROBERTA: Okay.

16 JIM FEIJO: But -- but you stay with it, you
17 know, but the GDU, from what you're expressing, the
18 feeling of tightness can be due to inflammation due to
19 inability to have cellular -- normal cellular respiration
20 in the lungs.

21 So, when you say tightness, does it feel like
22 you're cut in half, or does it feel just like heavy in
23 the chest?

24 ROBERTA: Heavy in the chest, like I can't
25 breathe it out.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: I got -- yeah, yeah. So, stay with
2 the FGC, the GDU would be really, really important to do,
3 and you can take that before you go run. You can -- you
4 should take it after you run, too, because if in the
5 process you've had difficulty with the function of the
6 diaphragm and the lungs and leading to some stress
7 effects of forceful breathing, then that can cause some
8 inflammation, so let's address that, not just before and
9 after you run, but right now you should be doing it in
10 the morning, three times a day, even at night before bed
11 and before you run and after you run.

12 That sounds like a lot, but if you have this
13 inflammation there and it's not being addressed and it's
14 not just -- it's not due to mucus necessarily, then that
15 inflammation is -- there's a lot of tissue there that's
16 -- I mean, look at the size of the chest, you know?

17 ROBERTA: Right, because like I say, when I'm
18 five minutes into my run I'll start coughing really bad
19 --

20 JIM FEIJO: Yeah.

21 ROBERTA: -- and then when I'm done running --
22 I'll have a couple in between my runs and I have to walk
23 it out.

24 JIM FEIJO: Well, if the mucus is gone, then
25 that certainly isn't the cause of the fact. It can be

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 inflammation and a struggling trying to exchange gases,
2 so ideally the Health Blast is an excellent thing to use.
3 We use that with people with asthma, and we have people
4 that have exercise-induced asthmas, people who have
5 difficulty with breathing. And the nice thing about the
6 Health Blast, it will work from the time you inhale to
7 the time you exhale, and it's not that the potency of an
8 Endurosine, but you should be seeing some real good
9 results with the Endurosine and the Carniplex, though.

10 ROBERTA: Yeah, I -- like I said, this is the
11 first this happened to me. I've ran six marathons, and
12 this year is the first time it's really attacked me.

13 JIM FEIJO: Oh. Oh. So, there may have been
14 something that -- a stress factor with a slight infection
15 even, you know?

16 ROBERTA: I don't know. That's what I'm trying
17 to, you know --

18 JIM FEIJO: Yep. Well --

19 ROBERTA: So, if I take the Health Blast --

20 JIM FEIJO: Let's get that GDU for sure.

21 ROBERTA: Okay.

22 JIM FEIJO: And I really would like to know if
23 you use the GDU like I just said, that and Health Blast,
24 I'd really like to know if this is starting to help you
25 out so we can really focus in on how to correct this so

1 we can keep you running, okay?

2 ROBERTA: Okay.

3 JIM FEIJO: All right?

4 ROBERTA: All righty.

5 JIM FEIJO: All right, thanks, Roberta.

6 TRISH FEIJO: Thanks, Roberta.

7 JIM FEIJO: Appreciate the call.

8 ROBERTA: Okay, thank you.

9 JIM FEIJO: And 1-866-222-2368, that's the

11 concerns right now. Trish, Plymouth, Massachusetts,

13 TRISH FEIJO: Hi, Jen, welcome.

14 JEN: Hi, how are you?

15 TRISH FEIJO: Good, thanks.

16 JIM FEIJO: Hey, Jen, terrific.

17 JEN: I'm calling to see what your suggestions
18 are for -- to treat eyeritis.

19 JIM FEIJO: Yeah.

20 TRISH FEIJO: Well, definitely the GDU.

21 JEN: Okay.

22 TRISH FEIJO: That's for inflammation anywhere
23 in the body. It can definitely work with inflammation in
24 the eyes. And beyond the GDU, I would do the
25 antioxidants, which are just so helpful for any eye

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 condition. That's the beta carotene, the vitamin E and
2 the BioC. And I would do those three things. You know,
3 beta carotene gets converted by your body into A. I
4 would do those three three times a day. And then the
5 GDU --

6 JEN: This is for a child. He's 16.

7 JIM FEIJO: Yeah, that's fine.

8 JEN: That's the same -- fine?

9 TRISH FEIJO: Sure.

10 JIM FEIJO: Yeah, that's -- that's not too much
11 at all. A matter of fact, we had worked with a two-year-
12 old boy that was taking more than that, double that.

13 JEN: Okay.

14 TRISH FEIJO: Right. And the GDU is as needed,
15 and I don't know if there are symptoms that can indicate
16 as needed, but you can't overdo it. And if there's
17 really not a symptom to go by, like a person can use, you
18 know, pain if they have pain with their inflammation and
19 take it as needed, but at least have them start with
20 three capsules three times a day.

21 JEN: Okay.

22 TRISH FEIJO: And it works best on an empty
23 stomach, so that would be about half an hour before each
24 meal and then, if he wants, again in the evening before
25 bed and, you know, hopefully this isn't just going to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 curtail the information but begin to heal the eyes.

2 JEN: Right. So, the Bio C.

3 TRISH FEIJO: Yeah, the vitamin E and the beta
4 carotene, because those are the nutrients essential for
5 eye health, what the body can take and, you know, begin
6 to heal the eyes with, and the GDU for the inflammation
7 of the disease.

8 JIM FEIJO: And as much GDU as you can.

9 JEN: He takes the GDU.

10 TRISH FEIJO: Oh, he does? Good.

11 JEN: Right.

12 JIM FEIJO: How often?

13 JEN: He takes three capsules three times a
14 day.

15 JIM FEIJO: Okay. Well, then --

16 JEN: In the tea.

17 JIM FEIJO: In the tea?

18 JEN: But, you know, he had an acute attack of
19 eyeritis, and he had his eye removed. Now he has one
20 remaining good eye.

21 TRISH FEIJO: Yeah.

22 JEN: That developed eyeritis. I want to
23 prevent that from happening again.

24 TRISH FEIJO: Absolutely.

25 JIM FEIJO: Aah, so then he's --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JEN: In his good eye.

2 JIM FEIJO: So, he strained his eye. It's
3 tough for one eye to focus and not get it tired.

4 JEN: Right.

5 JIM FEIJO: So, he takes -- he may want to
6 initially take GDU more frequently than, Jen.

7 JEN: Okay.

8 JIM FEIJO: Okay?

9 JEN: With the vitamin E, the Bio C and the
10 beta carotene?

11 TRISH FEIJO: Yeah.

12 JIM FEIJO: Yeah.

13 TRISH FEIJO: Definitely.

14 JIM FEIJO: Yeah.

15 JEN: Three each of those three times a day?

16 JIM FEIJO: Yeah, and listen, he's got to --

17 TRISH FEIJO: No, not three of each of those.

18 JEN: No.

19 JIM FEIJO: No, no, no, no.

20 TRISH FEIJO: The vitamin E, just one --

21 JEN: Oh, one.

22 TRISH FEIJO: -- three times a day.

23 JEN: Okay.

24 TRISH FEIJO: The Bio C, one or two, three
25 times a day. And the beta carotene, they're just little,

For The Record, Inc.
(301) 870-8025 - www.frinc.net - (800) 921-5555

1 tiny tablets. I would do two, three times a day.

2 JEN: Okay.

3 TRISH FEIJO: And just on the GDU, we recommend
4 three at a time and three or four times a day.

5 JEN: Okay.

6 JIM FEIJO: You can even do it more frequently,
7 especially if he's finding -- when you've got one eye,
8 it's tough because it has to -- I defy people to just
9 walk around with one eye all the time, open all day. It
10 puts such a tiring strain on the blood vessels and the
11 nerves, you know?

12 JEN: Right.

13 JIM FEIJO: So, there's the things that you
14 need to be aware of, and that can cause an inflammation
15 certainly.

16 JEN: Right.

17 JIM FEIJO: You know?

18 JEN: Right.

19 JIM FEIJO: So --

20 JEN: Now, the bilberry, I was just reading
21 about the bilberry.

22 JIM FEIJO: Yeah, that's --

23 JEN: Yeah.

24 TRISH FEIJO: It's an herb that is naturally
25 rich in antioxidants and can be very strengthening to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 eyes. He definitely could add that.

2 JEN: Okay.

3 JIM FEIJO: Yeah.

4 JEN: Okay. All right.

5 JIM FEIJO: Look, if the eye is real sore, real
6 tired or if there's something irritating it, or it gets
7 dry now and then, the golden seal eyewash is a good thing
8 to do to bathe and soothe the eye. You can take like
9 four or five capsules, open them up in boiling water.

10 We use the golden seal root and you can make
11 that tea, let it steep, let it sit there until it all
12 drains off, and then you want to take the water and put
13 that water and you can keep it in the refrigerator, keep
14 it cool for a couple of days and just every now and then
15 have him wash his eye with an eyecup.

16 JEN: Okay.

17 JIM FEIJO: That can help soothe the eye,
18 comfort the eye, because there can be a lot of strain.
19 Do the eye -- blood vessels in the eye look red or not?

20 JEN: No, see, his presenting symptom was his
21 eye had changed color.

22 JIM FEIJO: Aah.

23 JEN: You know, he's got blue eyes and it had
24 gone green. He didn't have any pain or anything like
25 that at all.
