Description:

Nutraceuticals International LLC offers bulk supplies of the highest quality concentrated botanical extracts, amino acids, and specialty products; along with GMP certified contract manufacturing services. Stock items include bulk raw ingredients, capsules, tablets, and liquid gel-caps. Premium services offered include market research, graphic design, and product branding.

The Nutra-Intl Mission Statement

Nutraceuticals International LLC will provide products and services surpassing common natural products on the market. We will offer the direct supply of superior and uncommon natural ingredients combined with custom formulations, bulk tolling and private label brands, along with marketing research and product branding services to customers intending to launch new dietary supplement brands to market.
