

The Moore Company's wholly-owned subsidiary. Public disclosure therefore would cause great competitive harm to The Moore Company, and this risk of harm is not outweighed by the significance of the information to the present proceeding.

As with its prior motions, The Moore Company will support its Motion with the declaration of an individual within the company who has reviewed the documents and information at issue. And as with The Moore Company's prior motions, Complaint Counsel have indicated, via Benjamin Gris, that they will not oppose The Moore Company's Motion. Similarly, Polypore, via Eric Welsh, has indicated that it will not oppose the Motion.

The Moore Company wishes to ensure that all documents and information introduced at this stage of the trial receive the appropriate treatment from the moment of their introduction. Accordingly, The Moore Company respectfully notifies this Court of its intention to file a Motion for *In Camera* Treatment of the Deposition Excerpts by Thursday, May 28.

Respectfully submitted,

THE MOORE COMPANY
By its attorneys.
