ADVENTURE HAND SANITIZER
1.7 oz Foamer

KEY ITEM

Instant sanitizing foam will help keep your entire family healthy while camping or traveling. Help prevent diarrheal illness by using before preparing food or eating.

FRESH BATH™ BODY WIPES (8)

KEY ITEM

WIPE IS 10" X 8"

Fresh Bath™ Body Wipes give that clean-all-over feeling even when you're miles from the nearest shower. Ideal for car camping and car travel. With just one Fresh Bath™ body wipe you can clean and refresh your whole body!

Adventure® Hand Sanitizer

Adventure® Hand Sanitizer softens like a lotion, while killing 99.99% of disease-causing germs (including fungi and viruses, HIV, human corona virus related to SARS virus, and Hepatitis A and B) in 15 seconds. Unlike alcohol based hand sanitizers, germ killing activity doesn't stop when the spray dries. Ounce for ounce provides 3 times more applications than the same size alcohol gel sanitizers. Rinse-free – no water necessary. Kills germs and helps prevent infections in minor cuts and abrasions. Not distributed in drug, food, and mass chains like other brands.

ALCOHOL FREE

Available in pegable version - Item #0170-0401

ADVENTURE® HAND SANITIZER
.5 oz Spritzer

KEY ITEM

Ideal for backpacking, hiking, and travel. Convenient pocket-sized 0.5 oz spritz bottle provides 150 sprays. Most colds, flu's, and illness are transmitted by touching your hands to your nose, mouth, and eyes. Keep your hands clean and germ free with our non-alcohol hand sanitizer.

FRESH BATH™ TRAVEL WIPES (8)

KEY ITEM

WIPE IS 8" X 5"

Great for freshening up en route or after a day of sightseeing, backpacking, or hiking. Bio-degradable wipes provide antibacterial, rinse-free bathing.

Fresh Bath Wipes™

Bio-degradable wipes provide antibacterial, rinse-free bathing. With just one Fresh Bath™ body wipe you can clean and refresh your whole body! Fresh Bath™ Wipes are moistened with patented cleansing formula containing micellized vitamins A and B with Aloe Vera for skin moisturization. PH balanced and alcohol free. No rinsing or water required. Neutralizes odors, gentle and non-irritating. Resealable packaging.
