DEcision And ORDER

The Federal Trade Commission (“Commission”) having initiated an investigation of certain acts and practices of the Respondent named in the caption hereof, and the Respondent having been furnished thereafter with a copy of a draft complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge the Respondent with violation of the Federal Trade Commission Act, 15 U.S.C. § 45 et seq.; and

The Respondent and counsel for the Commission having thereafter executed an agreement containing a consent order (“consent agreement”), an admission by the Respondent of all the jurisdictional facts set forth in the aforesaid draft complaint, a statement that the signing of said consent agreement is for settlement purposes only and does not constitute an admission by the Respondent that the law has been violated as alleged in the complaint, or that any of the facts as alleged in such complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it has reason to believe that the Respondent has violated the said Act, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such consent agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

1. Respondent Enhanced Vision Systems, Inc. is a California corporation with its principal office or place of business at 5882 Machine Drive, Huntington Beach, California 92649. Respondent assembles its vision-related products from domestic and foreign components at that location.
2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the Respondent, and the proceeding is in the public interest.

ORDER

DEFINITIONS

For purposes of this order, the following definitions shall apply:

I.

IT IS ORDERED that Respondent, directly or through any corporation, partnership, subsidiary, division, or other device, in connection with the manufacturing, marking, labeling, packaging, advertising, promotion, offering for sale, sale, or distribution of any vision-related product or package, in or affecting commerce, shall not represent, in any manner, expressly or by implication, the extent to which any such product or package is made in the United States, unless the representation is true and not misleading.

II.

IT IS FURTHER ORDERED that Respondent Enhanced Vision Systems, Inc., and its successors and assigns shall, for five (5) years after the last date of dissemination of any representation covered by this order, maintain and upon request make available to the Commission for inspection and copying:

A. All advertisements, labeling, packaging, and promotional materials containing the representation;

B. All materials that were relied upon in disseminating the representation;

C. All tests, reports, studies, surveys, demonstrations, or other evidence in its possession or control that contradict, qualify, or call into question the representation, or the basis relied upon for the representation, including complaints and other communications with consumers or with governmental or consumer protection organizations; and

D. All acknowledgments of receipt of this order, obtained pursuant to Part III.
III.

IT IS FURTHER ORDERED that for a period of three (3) years after the date of issuance of this order, Respondent Enhanced Vision Systems, Inc., and its successors and assigns shall deliver a copy of this order to all current and future principals, officers, directors, managers, and to all current and future employees, agents, and representatives having responsibilities with respect to the subject matter of this order, and shall secure from each such person a signed and dated statement acknowledging receipt of the order. Respondent shall deliver this order to current personnel within thirty (30) days after the date of service of this order, and to future personnel within thirty (30) days after the person assumes such position or responsibilities.

IV.

IT IS FURTHER ORDERED that Respondent Enhanced Vision Systems, Inc., and its successors and assigns shall notify the Commission at least thirty (30) days prior to any change in respondent or any business entity that respondent directly or indirectly controls, or has an ownership interest in, that may affect compliance obligations arising under this order, including but not limited to formation of a new business entity; a dissolution, assignment, sale, merger, or other action that would result in the emergence of a successor entity; the creation or dissolution of a subsidiary, parent, or affiliate that engages in any acts or practices subject to this order; the proposed filing of a bankruptcy petition; or a change in the business or corporate name or address. Provided, however, that, with respect to any proposed change about which respondent learns less than thirty (30) days prior to the date such action is to take place, respondent shall notify the Commission as soon as is practicable after obtaining such knowledge. All notices required by this Part shall be sent by certified mail to the Associate Director, Division of Enforcement, Bureau of Consumer Protection, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington, D.C. 20580.

V.

IT IS FURTHER ORDERED that Respondent Enhanced Vision Systems, Inc., and its successors and assigns shall, within sixty (60) days after the date of service of this order file with the Commission a true and accurate report, in writing, setting forth in detail the manner and form in which respondent has complied with this order. Within ten (10) days of receipt of written notice from a representative of the Commission, respondent shall submit additional true and accurate written reports.

VI.

This order will terminate on September 3, 2029, or twenty (20) years from the most recent date that the United States or the Commission files a complaint (with or without an accompanying consent decree) in federal court alleging any violation of the order, whichever comes later; provided, however, that the filing of such a complaint will not affect the duration of:
A. Any Part in this order that terminates in less than twenty (20) years;

B. This order’s application to any respondent that is not named as a defendant in such complaint; and

C. This order if such complaint is filed after the order has terminated pursuant to this Part.

Provided, further, that if such complaint is dismissed or a federal court rules that the respondent did not violate any provision of the order, and the dismissal or ruling is either not appealed or upheld on appeal, then the order will terminate according to this Part as though the complaint had never been filed, except that the order will not terminate between the date such complaint is filed and the later of the deadline for appealing such dismissal or ruling and the date such dismissal or ruling is upheld on appeal.

By the Commission.
