In the Matter of

WORLD INNOVATORS, INC.,
a corporation.

DECLARATION OF DAMON C. GREER

I, Damon C. Greer, based upon my personal knowledge concerning matters to which I am competent to testify, hereby declare as follows:

1. I am the Associate Director for Electronic Commerce in the Office of Technology and Electronic Commerce at the U.S. Department of Commerce ("Commerce"), and I am the lead administrator of the U.S.-E.U. Safe Harbor Framework.

2. Commerce is not a party to the captioned matter.

3. Commerce is responsible for developing and overseeing the U.S.-EU Safe Harbor Framework ("Safe Harbor"), a voluntary program that provides U.S. companies with a method for receiving personal data lawfully from the European Union. To join the Safe Harbor, a company must self-certify to Commerce that it complies with a set of principles that have been deemed to meet the EU’s adequacy standard.

4. As Associate Director, I am responsible for maintaining an accurate list of those companies that self-certify to Commerce that they comply with the Safe Harbor principles. As part of my responsibilities, I oversee a public website, www.export.gov/safeharbor, where I post the names of companies that have self-certified. The listing of companies indicates, among other things, whether their self-certification is “current” or “not current.” Companies are required to re-certify every year on the anniversary of the date they first self-certified in order to retain their status as “current” members of the Safe Harbor framework.

6. World Innovators did not submit a self-certification by the September 2004 deadline. To date, I have not received any documents or information from World Innovators to renew its self-certification. World Innovators is in “not current” status on the Commerce website.

I declare under penalty of perjury under the Laws of the United States of America that the foregoing is true and correct. Executed this ___ day of June, 2009, in Washington, D.C.
