**ORDER ON RESPONDENT'S FIFTH MOTION FOR *IN CAMERA*
TREATMENT AND EXIDE'S MOTION FOR *IN CAMERA* TREATMENT**

On November 10, 2009, two orders issued, granting Respondent's Fifth Motion for *In Camera* Treatment, with respect to the documents for which Respondent sought *in camera* treatment, and granting non-party Exide Technologies' ("Exide") motion for *in camera* treatment. In both orders, Respondent was directed, after the conclusion of the November 12, 2009 hearing, to prepare a proposed order that listed, by exhibit number, the documents which were admitted and had been granted *in camera* treatment by the November 10, 2009 orders.

Respondent submitted a letter on November 16, 2009 stating that none of the documents identified in Exide's motion for *in camera* treatment were admitted into evidence. With respect to Respondent's documents, on November 16, 2009, Respondent provided the required list, which is appended to this Order as Attachment A.

For the reasons set forth in the November 10, 2009 order, *in camera* treatment is hereby GRANTED to the documents listed on Attachment A for the period of time listed therein.

ORDERED:

D. Michael Chappell
Chief Administrative Law Judge

Date: November 19, 2009
