DOCKET NO. 9330

**REVISED ORDER FOR FURTHER PROCEEDINGS
ON RESPONDENTS' APPLICATION FOR AWARD
OF ATTORNEY FEES AND OTHER EXPENSES**

On February 4, 2010, an order was issued, pursuant to Commission Rule 3.83(f), for further proceedings on Respondents' Application for Attorney Fees and Other Expenses pursuant to Commission Rule 3.81, 16 C.F.R. § 3.81 ("Application"). The order of February 4, 2010, directed Complaint Counsel and Respondents to attend a status hearing regarding the Application, by telephone conference, on Thursday, February 11, 2010 at 2:00 p.m., based upon the determination that further proceedings were necessary for the full and fair resolution of the issues arising from the Application.

Federal government agencies in Washington, D.C. were closed from February 8-11, 2010 due to weather conditions, which required cancellation of the hearing. Because further proceedings remain necessary for the full and fair resolution of the issues arising from Respondents' Application, the status hearing must be rescheduled. Accordingly, it is hereby ORDERED:

Complaint Counsel and Respondents are directed to attend a status hearing regarding the Application, by telephone conference, on Tuesday, March 2, 2010 at 2:00 p.m.

ORDERED:

D. Michael Chappell
Chief Administrative Law Judge

Date: February 19, 2010
