Re: *In the Matter of Pilot Corporation, Propeller Corp., and Flying J Inc.,
File No. 091-0125*

Dear Messrs. Paulus and Dolan:

Thank you for your comment on behalf of Professional Transportation Partners, LLC ("PTP") regarding the proposed consent order in the above-captioned matter. The Commission has reviewed your comment in connection with its decision whether to give final approval to the proposed consent order and has placed the comment on the public record.

After considering PTP's comment, among others, the Commission has determined that the public interest would be served best by issuing the Decision and Order in final form with certain modifications. First, Pilot Corporation and Propeller Corp. ("Pilot") shall be required to file reports notifying the Commission of relevant acquisitions, including fuel island leases. Second, the Decision and Order will mandate a broader firewall that will apply to all merchant customers of Pilot's TCH subsidiary for the length of the order.

We appreciate your interest in this matter. A copy of the final Decision and Order is enclosed for your information.

By direction of the Commission, Commissioner Brill not participating.

Donald S. Clark
Secretary
