ORDER REGARDING SCHEDULING

The Commission has directed its staff, in the event of a lapse in appropriations and a resulting shutdown of most Commission operations, to seek clarification from the District Court regarding the effect the government shutdown will have on the parties' right to seek relief from the preliminary injunction entered in *FTC v. ProMedica Health System, Inc.* The Commission has determined that, pending clarification by the court that any delay in this proceeding resulting from the shutdown will not affect the duration of the preliminary injunction, this adjudication should proceed and that the evidentiary hearing should commence as previously scheduled.

IT IS SO ORDERED.

By the Commission.

Donald S. Clark
Secretary
