(“Cardinal Health”), and Cardinal Health having been furnished thereafter with a copy of a draft Complaint that the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge Cardinal Health with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

Cardinal Health, its attorneys, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), containing an admission by Cardinal Health of all the jurisdictional facts set forth in the aforesaid draft Complaint, a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Cardinal Health that the law has been violated as alleged in such Complaint, or that the facts as alleged in such Complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Cardinal Health has violated the said Acts, and that a Complaint should issue stating its charges in that respect, and having accepted the executed Consent Agreement and placed such Consent Agreement on the public record for a period of thirty (30)

days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its Complaint, makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

To the extent that any term of a Divestiture Agreement conflicts with a term of this Order such that Cardinal Health cannot fully comply with both, Cardinal Health shall comply with the term of this Order; and
- B. Cardinal Health shall include in each Divestiture Agreement a specific reference to this Order, the remedial purposes thereof, and provisions to reflect the full scope and breadth of Cardinal Health's obligations to the Acquirer pursuant to this Order.

VI.

IT IS FURTHER ORDERED that:

- A. Beginning from the Closing Date for each Reconstituted Pharmacy until ninety (90) days after such Closing Date, Cardinal Health shall:

 - e. unless alternative arrangements are agreed upon with the relevant Acquirer, retain the obligation for the benefit of any Designated Employee who accepts employment with the relevant Acquirer, to pay all vested bonuses, vested pensions, and other vested benefits.

Cardinal Health shall cooperate with any reasonable request of the Monitor and shall take no action to interfere with or impede the Monitor's ability to monitor Cardinal Health's compliance with the Order.
 - 4. The Monitor shall serve, without bond or other security, at the expense of Cardinal Health on such reasonable and customary terms and conditions as the Commission may set. The Monitor shall have authority to employ, at the expense of Cardinal Health, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Monitor's duties and responsibilities.  11. Re: Notification of Your Right to Terminate Contract:

Dear [*Cardinal Customer*]:

This letter is to inform you that pursuant to an agreement with the Federal Trade Commission ("FTC"), you have the right to terminate, without penalty or charge, your existing contract with Cardinal Health for the purchase of radiopharmaceuticals, unless such contract relates *solely* to high energy (PET) radiopharmaceuticals.

Background – In July 2009, Cardinal Health acquired the nuclear pharmacies owned and operated by Biotech in the Las Vegas, Nevada; Albuquerque, New Mexico; and El Paso, Texas areas. At the time of the acquisition, Cardinal Health also had existing nuclear pharmacies in those areas. Cardinal Health entered into an agreement with the FTC to resolve the FTC's competitive concerns with the acquisition in those areas. Without acknowledging that there was any problem with the acquisition, Cardinal Health agreed to an FTC Order requiring Cardinal Health to sell its former Las Vegas, Albuquerque and El Paso nuclear pharmacies to a third party. A copy of the Order is attached. The Order and related documents are also available at [*insert url*], if you would like more details about the settlement. In [*insert relevant city*], [*insert name of relevant acquirer*] was approved as the purchaser and will be open for business in the near future. Cardinal Health will continue to operate its current nuclear pharmacies in Las Vegas, Nevada; Albuquerque, New Mexico; and El Paso, Texas.

Right to terminate – details - Pursuant to the FTC Order, any customer that purchased radiopharmaceuticals from Cardinal Health's or Biotech's Las Vegas, Albuquerque or El Paso nuclear pharmacies at any time since July 1, 2009, has the right to terminate, without penalty or charge, its existing contract with Cardinal Health for the purchase of radiopharmaceuticals. Please note that this right to terminate does not apply to contracts relating *solely* to high energy (PET) radiopharmaceuticals. Any time before [*insert relevant date*], you may terminate your existing radiopharmaceutical contract by notifying Cardinal Health. Please note that this right of termination only applies to your existing radiopharmaceutical contract with Cardinal Health. This termination right does not apply if, after receipt of this letter, you enter into a new radiopharmaceutical contract with Cardinal Health. Please further note that this termination right does not apply if, after receipt of this letter, you renew, extend or materially modify through

agreement with Cardinal Health your existing contract. Material modifications to your existing contract include changes you negotiate with Cardinal Health regarding the price or duration terms of your existing contract. Within thirty (30) days of receiving your request to terminate, Cardinal Health will terminate your contract. You should direct your request to terminate to *[fill in CAH contact person name and address]*.

The FTC has appointed Katherine L. Seifert to monitor Cardinal Health's compliance with its obligations under the Order. We encourage you to raise any questions you may have with us by calling your Cardinal Health sales representative or me directly at _____. You may also contact the monitor, who may be reached by telephone at xxx-xxx-xxxx or by e-mail at _____. In addition you may contact Karen Espaldon at the FTC at (202) 326-3726.

Sincerely,
