**ORDER SUMMARIZING BENCH RULING ON RESPONDENT'S MOTION
FOR LEAVE TO FILE SUBSTITUTE HEARING EXHIBIT**

On August 8, 2011, Respondent filed a Motion for Leave to File Substitute Hearing Exhibit. ("Motion"). Respondent states that on April 26, 2011, Respondent submitted a report from its economic expert, Margaret Guerin-Calvert, and subsequently included the expert report in its final exhibit list on April 28, 2011, listed as RX-71, *in camera*. Respondent further states that it subsequently learned that the expert report contained computational errors. Respondent seeks to substitute Ms. Guerin-Calvert's expert report with a version that corrects computation and various typographical errors.

This Motion was addressed on the record at the hearing on August 8, 2011. Complaint Counsel does not oppose Respondent's Motion. Upon full consideration of the Motion, and as explained on the record at the hearing on August 8, 2011, Respondent's Motion is GRANTED, and it is further ORDERED that RX-71, *in camera*, is hereby replaced by RX-71-A, *in camera*.
