[Public Record Version]**

The Federal Trade Commission (“Commission”), having initiated an investigation of the acquisition of Respondent Orchid Cellmark Inc. (“Orchid”) by Respondent Laboratory Corporation of America Holdings (“LabCorp”), hereinafter referred to as Respondents, and Respondents having been furnished thereafter with a copy of a draft of Complaint that the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

Respondents, their attorneys, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), containing an admission by Respondents of all the jurisdictional facts set forth in the aforesaid draft of Complaint, a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in such Complaint, or that the facts as alleged in such Complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondents have violated the said Acts and that a Complaint should issue stating its charges in that respect, and having thereupon issued its Complaint and having accepted the executed Consent Agreement and placed such Consent Agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, and having duly considered the comments from an interested person pursuant to Commission Rule 2.34, 16 C.F.R. § 2.34, now in further conformity with the procedure described in Commission Rule 2.34, the Commission hereby makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

- B. Notwithstanding the divestiture obligations in Paragraph II.A above, after the transfer of all Books and Records, LabCorp may retain a copy of Case Specific Information but only under the following conditions:

Such notice shall identify the specific information being requested and shall include an explanation of Respondents' need for the information. Such notice shall be made to the Commission's Secretary, pursuant to the Commission's Rules of Practice, and a copy of such notice shall be given simultaneously to the Commission's Bureau of Competition, Compliance Division; and

- E. The purpose of the divestiture of the Divestiture Assets and the additional requirements in this Order is to ensure the continuation of Orchid's Government Paternity Testing Services Business as a viable, on-going, independent and competitive business, in the same line of commerce in which the business was engaged at the time of the Acquisition, and to ensure that the Commission-approved Acquirer is able to bid effectively in the future to provide Paternity Testing Services to Governmental Entities in order to remedy the lessening of competition alleged in the Commission's Complaint.

III.

IT IS FURTHER ORDERED that Respondents shall:

- A. Not later than fifteen (15) days after signing the Divestiture Agreement, provide an opportunity for the proposed Commission-approved Acquirer:

Such incentives shall include but are not limited to a continuation of all employee benefits (including offering Orchid Relevant Employees the same employee benefits available to LabCorp employees prior to the Acquisition), including regularly scheduled raises, bonuses, and vesting of pension benefits (as permitted by law and for those Orchid Relevant Employees covered by a pension plan), offered by Respondents; and

- E. Not, for a period of one (1) year following the date that each Orchid Relevant Employee becomes an employee of the Commission-approved Acquirer, directly or indirectly, solicit or otherwise attempt to induce any such Orchid Relevant Employee to terminate his or her employment with the Commission-approved Acquirer; *provided, however*, that Respondents may:
1. advertise for employees in newspapers, trade publications, or other media, or engage recruiters to conduct general employee search activities, in either case not targeted specifically at Orchid Relevant Employees; or
 2. hire Orchid Relevant Employees who apply for employment with Respondents, as long as such employees were not solicited by Respondents in violation of this Paragraph III.E.; *provided further, however*, that this Paragraph III.E. shall not prohibit Respondents from making offers of employment to or employing any Orchid Relevant Employee if the Commission-approved Acquirer has notified Respondents in writing that the Commission-approved Acquirer does not intend to make an offer of employment to that employee, or where such an offer has been made and the employee has declined the offer.
- F. Notwithstanding the above, Respondents shall:
1. provide the proposed Commission-approved Acquirer an opportunity to meet personally, and outside the presence or hearing of any employee or agent of any Respondents, with any person who was an employee of Orchid prior to the Acquisition, whose responsibilities related solely to the provision of Paternity Testing Services to private parties, and who either was not offered employment with Respondents or has declined an offer of employment with Respondents;
 2. provide the proposed Commission-approved Acquirer an opportunity to make offers of employment to such employees;
 3. not interfere, directly or indirectly, with the proposed Commission-approved Acquirer's hiring or employing of such employees; and
 4. remove any impediments or incentives within the control of Respondents that may deter such employees from accepting employment with the proposed Commission-approved Acquirer or may affect the ability of such employee to work for the proposed Commission-approved Acquirer, including but not limited to removing any non-competes relating to Paternity Testing Services.

IV.

IT IS FURTHER ORDERED that:

- A. Except as required by Paragraph II.B., above, and Paragraph IV.B., below, Respondents shall not request, receive, solicit, or access, directly or indirectly, any Confidential Business Information of the Government Paternity Testing Services Business, or Books and Records (or any information contained therein), and shall not use, disclose, provide, discuss, exchange, circulate, convey, or otherwise furnish such information, directly or indirectly, to or with any Person other than as necessary to comply with and consistent with the requirements of the Decision and Order, the Order to Maintain Assets, or the Divestiture Agreement.
- B. To the extent any Confidential Business Information of the Government Paternity Testing Services Business or Books and Records (or the information contained therein) are made available to Respondents for the limited purposes identified in Paragraph IV.A.  - 1. such information and Books and Records (or the information contained therein) shall be made available only to Respondents' employees who have direct responsibilities for the Government Paternity Testing Services Business; and
 - 2. no employee of Respondents who is an employee of Respondents after the Acquisition shall use any Confidential Business Information of the Government Paternity Testing Services Business or Books and Records (or the information contained therein) to formulate a bid in connection with the provision of Paternity Testing Services to a Governmental Entity by Respondents, to bid on the provision of such services by Respondents, or to provide such services by Respondents except as is required by the Decision and Order, the Order to Maintain Assets, or the Divestiture Agreement.
- C. Respondents shall:
 - 1. require, as a condition of continued employment post-divestiture, that each of Respondents' employees who had or have access to or possession, custody or control of any Confidential Business Information of the Government Paternity Testing Services Business or Books and Records (or the information contained therein) sign a confidentiality agreement no later than twenty (20) days after the Acquisition that complies with the restrictions, prohibitions and requirements of the Decision and Order and the Order to Maintain Assets and that prohibits Respondents' employees from using or disclosing such information in connection with Respondents' businesses; and

2. no later than ten (10) days after the Acquisition implement procedures and take such actions as are necessary to ensure that Respondents' employees comply with the restrictions, prohibitions and requirements of this Paragraph IV., including all actions that Respondents would take to protect their own confidential information.
- D. Respondents shall provide access to the Commission-approved Acquirer, solely at the option of the Commission-approved Acquirer and in the manner determined by the Commission-approved Acquirer, to employees of Orchid as it existed prior to the Acquisition who have or had access to Confidential Business Information of the Government Paternity Testing Services Business or to Books and Records (or the information contained therein), who become employees of Respondents after the Acquisition, to obtain Confidential Business Information of the Government Paternity Testing Services Business or Books and Records (or the information contained therein).

V.

IT IS FURTHER ORDERED that:

- A. At any time after Respondents sign the Consent Agreement in this matter, the Commission may appoint a monitor ("Monitor") to assure that Respondents expeditiously comply with all of their obligations and perform all of their responsibilities as required by this Order and the Divestiture Agreement, including but not limited to using good faith efforts to secure all required consents and approvals.
- B. The Commission shall select the Monitor, subject to the consent of Respondents, which consent shall not be unreasonably withheld. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of a proposed Monitor within ten (10) days after notice by the staff of the Commission to Respondents of the identity of any proposed Monitor, Respondents shall be deemed to have consented to the selection of the proposed Monitor.
- C. Not later than ten (10) days after the appointment of the Monitor, Respondents shall execute an agreement that, subject to the prior approval of the Commission, confers on the Monitor all the rights and powers necessary to permit the Monitor to monitor Respondents' compliance with the relevant requirements of this Order and the Divestiture Agreement in a manner consistent with the purpose of this Order.
- D. If a Monitor is appointed, Respondents shall consent to the following terms and conditions regarding the powers, duties, authorities, and responsibilities of the Monitor:
1. The Monitor shall have the power and authority to monitor Respondents' compliance with this Order and the Divestiture Agreement and shall exercise such power and authority and carry out the duties and responsibilities of the Monitor in a manner consistent with the purposes of this Order and in consultation with the Commission.

2. The Monitor shall act in a fiduciary capacity for the benefit of the Commission and shall not be considered an employee or agent of Respondents.
3. The Monitor shall serve until the Commission-approved Acquirer has assumed all responsibilities under the Assigned Agreements in a manner that fully satisfies the requirements of this Order and the Divestiture Agreement and notification by the Commission-approved Acquirer to the Monitor that it is fully capable of providing service under those agreements; *provided, however*, that the Commission may extend or modify this period as may be necessary or appropriate to accomplish the purpose of this Order.
4. Subject to any demonstrated legally recognized privilege, the Monitor shall have full and complete access to Respondents' personnel, books, documents, records kept in the normal course of business, facilities, and technical information, and such other relevant information as the Monitor may reasonably request, related to Respondents' compliance with their obligations under this Order and the Divestiture Agreement, including but not limited to their obligations related to the relevant assets. Respondents shall cooperate with any reasonable request of the Monitor and shall take no action to interfere with or impede the Monitor's ability to monitor Respondents' compliance with this Order or the Divestiture Agreement.
5. The Monitor shall serve, without bond or other security, at the expense of Respondents on such reasonable and customary terms and conditions as the Commission may set. The Monitor shall have authority to employ, at the expense of the Respondents, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's duties and responsibilities.
6. Respondents shall indemnify the Monitor and hold the Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from malfeasance, gross negligence, willful or wanton acts, or bad faith by the Monitor.
7. Respondents shall report to the Monitor in accordance with the requirements of this Order and as otherwise provided in any agreement approved by the Commission. The Monitor shall evaluate the reports submitted to the Monitor by Respondents, and any reports submitted by the Commission-approved Acquirer with respect to the performance of Respondents' obligations under this Order or

the Divestiture Agreement. Within thirty (30) days from the date the Monitor receives these reports, the Monitor shall report in writing to the Commission concerning performance by Respondents of their obligations under this Order and the Divestiture Agreement.

- E. Respondents may require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, that such agreement shall not restrict the Monitor from providing any information to the Commission.
- F. The Commission may, among other things, require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Monitor's duties.
- G. If the Commission determines that the Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Monitor in the same manner as provided in this Paragraph V.
- H. The Commission may on its own initiative, or at the request of the Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of this Order.
- I. The Monitor appointed pursuant to this Order may be the same person appointed as a Divestiture Trustee pursuant to the relevant provisions of this Order or as a Monitor pursuant to the Order to Maintain Assets.

VI.

IT IS FURTHER ORDERED that:

- A. If Respondents have not fully complied with the obligations imposed by Paragraph II. of this Order (or if the Commission determines that DDC is not an acceptable purchaser and Respondents have not complied with Paragraph II.A.3.a. of this Order), the Commission may appoint a trustee ("Divestiture Trustee") to divest the Alternative Divestiture Assets absolutely and in good faith, at no minimum price, and to comply with Respondents' other obligations in a manner that satisfies the requirements of this Order. In the event that the Commission or the Attorney General brings an action pursuant to Section 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to divest the required assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph VI.A. shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant

to Section 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Respondents to comply with this Order.

- B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondents, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a person with experience and expertise in acquisitions and divestitures. If Respondents have not opposed, in writing, and have stated in writing their reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondents of the identity of any proposed Divestiture Trustee, Respondents shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- C. Not later than ten (10) days after the appointment of a Divestiture Trustee, Respondents shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effectuate the divestiture required by, and satisfy the additional obligations imposed by, this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph VI, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:
 - 1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to effectuate the divestiture required by, and satisfy the additional obligations imposed by, this Order.
 - 2. The Divestiture Trustee shall have one (1) year after the date the Commission approves the trust agreement described herein to accomplish the divestiture, which shall be subject to the prior approval of the Commission. If, however, at the end of the one (1) year period, the Divestiture Trustee has submitted a plan to satisfy the obligations of Paragraph II. or believes that such can be achieved within a reasonable time, the period may be extended by the Commission; *provided, however*, that the Commission may extend the period only two (2) times.
 - 3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records, and facilities related to the relevant assets that are required to be divested by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. Any delays caused by Respondents shall extend the time under this Paragraph VI.D. in an amount equal to the delay,

as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court.

4. The Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondents' absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture shall be made in the manner and to an acquirer as required by this Order; *provided, however*, if the Divestiture Trustee receives bona fide offers from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity selected by Respondents from among those approved by the Commission; *provided further, however*, that Respondents shall select such entity within five (5) days after receiving notification of the Commission's approval.
5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondents, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of Respondents, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a Commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order.
6. Respondents shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from malfeasance, gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee.
7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order.

8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture.
 9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph VI.
 - F. The Commission may on its own initiative or at the request of the Divestiture Trustee, issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.
 - G. The Divestiture Trustee appointed pursuant to this Paragraph VI. may be the same person appointed as Monitor pursuant to the relevant provisions of this Order or the Order to Maintain Assets.

VII.

IT IS FURTHER ORDERED that:

- A. The Divestiture Agreement shall not limit or contradict, or be construed to limit or contradict, the terms of this Order or the Order to Maintain Assets, it being understood that nothing in this Order or the Order to Maintain Assets shall be construed to reduce any rights or benefits of any Commission-approved Acquirer or to reduce any obligations of Respondents under such agreement.
- B. The Divestiture Agreement, if approved by the Commission, shall be incorporated by reference into this Order and made a part hereof.
- C. Respondents shall comply with all terms of the Divestiture Agreement, and any breach by Respondents of any term of the Divestiture Agreement shall constitute a failure to comply with this Order. If any term of the Divestiture Agreement varies from the terms of this Order ("Order Term"), then to the extent that Respondents cannot fully comply with both terms, the Order Term shall determine Respondents' obligations under this Order.

VIII.

IT IS FURTHER ORDERED that:

- A. Within thirty (30) days after the Acquisition, and every thirty (30) days thereafter until Respondents have divested the Divestiture Assets and the Transition Services Agreement has terminated, Respondents shall submit to the Commission a verified written report setting forth in detail the manner and form in which they intend to comply, are complying, and have complied with this Order and the Order to Maintain Assets. Respondents shall submit at the same time a copy of their report concerning compliance with this Order and the Order to Maintain Assets to the Monitor, if any Monitor has been appointed under either this Order or the Order to Maintain Assets.
- B. Respondents shall include in their reports, among other things that are required from time to time:
 - 1. a full description of the efforts being made to comply with this Order and the Order to Maintain Assets;
 - 2. if DDC is not approved by the Commission pursuant to Paragraph II.A., a description of all substantive contacts or negotiations related to the divestiture of the Divestiture Assets and the identity of all parties contacted and copies of all written communications to and from such parties, all internal memoranda, and all reports and recommendations concerning completing their obligations pursuant to Paragraph II. of this Order.

IX.

IT IS FURTHER ORDERED that Respondents shall notify the Commission at least thirty (30) days prior to any proposed (1) dissolution of the Respondents, (2) acquisition, merger or consolidation of Respondents, or (3) any other change in the Respondents that may affect compliance obligations arising out of this Order, including, but not limited to, assignment, the creation or dissolution of subsidiaries, or any other change in Respondents.

X.

IT IS FURTHER ORDERED that, for purposes of determining or securing compliance with this Order, and subject to any legally recognized privilege, and upon written request and upon five (5) days' notice to Respondents, Respondents shall, without restraint or interference, permit any duly authorized representative(s) of the Commission:

- A. Access, during business office hours of the Respondents and in the presence of counsel, to all facilities and access to inspect and copy all books, ledgers, accounts, correspondence, memoranda, and all other records and documents in the possession or

under the control of the Respondents related to compliance with this Order, which copying services shall be provided by the Respondents at their expense; and

- B. To interview officers, directors, or employees of the Respondents, who may have counsel present, regarding such matters.

XI.

IT IS FURTHER ORDERED that this Order shall terminate on January 30, 2022.

By the Commission.
