Docket No. 9349

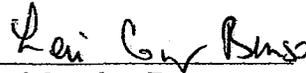

**NON-PARTY HEALTH ALLIANCE MEDICAL PLANS, INC. STIPULATED MOTION
FOR ENLARGEMENT OF TIME TO FILE MOTIONS FOR IN CAMERA TREATMENT**

Health Alliance Medical Plans, Inc. ("Health Alliance"), which is not a party to the above-captioned action, respectfully files this Stipulated Motion for Enlargement of Time to File Motions for *In Camera* Treatment. Health Alliance requests that the deadline for Health Alliance to file motions for *in camera* treatment be extended from Tuesday, March 20, 2012 to Tuesday, April 3, 2012.

1. On March 13, 2012, Health Alliance received notice from Complaint Counsel and OSF Healthcare that the parties intend to offer Health Alliance documents into evidence in the administrative trial in this matter.
2. The Court's Scheduling Order requires motions for *in camera* treatment of proposed trial exhibits to be filed by March 20, 2012.
3. Health Alliance respectfully requests that the Court extend the deadline for Health Alliance to file motions for *in camera* treatment for nine business days to Tuesday, April 3, 2012 so that Health Alliance may properly assess the materials to be offered into evidence and to prepare and file a motion if necessary.

4. Complaint Counsel, counsel for OSF Healthcare, and counsel for Rockford Health do not object to this proposed extension.
5. This is Health Alliance's first request for an enlargement of time to file motions for *in camera* treatment of documents.
6. A proposed order is attached for the convenience of the Court.

Respectfully submitted,
