DOCKET NO. 9351

ORDER ON NON-PARTIES' MOTIONS FOR EXTENSION OF TIME

On July 25, 2012, non-parties SIGMA Corporation ("SIGMA"), Star Pipe Products, Ltd. ("Star Pipe") and U.S. Pipe & Foundry Company, Inc. ("U.S. Pipe") each filed unopposed motions for extension of time to file motions for *in camera* treatment. Under the Scheduling Order in this case, the deadline for submitting motions for *in camera* treatment under Rule 3.45(b) is July 27, 2012. SIGMA, Star Pipe, and U.S. Pipe each have requested an order extending the deadline for filing motions for *in camera* treatment to July 31, 2012.

In support of their motions, each asserts that it received notice from Complaint Counsel and Respondent McWane Inc. ("McWane") on or about July 17, 2012, that the parties intend to offer into evidence certain confidential documents, data, and deposition testimony provided by the non-parties during discovery. Each non-party states that it is in the process of reviewing confidential materials and identifying those for which it will seek *in camera* treatment. Each of the non-parties represents that Complaint Counsel and McWane have indicated that they do not oppose the requested extension of time.

Accordingly, based on the foregoing, the Unopposed Motions are GRANTED. It is hereby ORDERED that the deadline for SIGMA, Star Pipe, and U.S. Pipe to file a motion for *in camera* treatment shall be Tuesday, July 31, 2012. The parties' opposition to such motions, if any, shall be filed no later than August 9, 2012.
