(“JCI”), (Oltrin, JCI, Olin, and Trinity collectively, “Respondents”) and Respondents having been furnished thereafter with a copy of a draft Complaint that the Bureau of Competition proposed to present to the Commission for its consideration and that, if issued by the Commission, would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondents have violated the said Acts, and that a Complaint should issue stating its charges in that respect, and having thereupon issued its Complaint and having accepted the executed Consent Agreement and placed such Consent Agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

- B. Respondent Oltrin shall secure all consents and waivers from Customers to effect the assignment of Bleach Contracts to JCI as follows:
 - 1. provided, further, that Respondent JCI shall commence delivery of Bleach to all such Customers no later than 30 days after it signs the Agreement Containing Consent Order.

2. provided, however, that Respondent JCI shall cooperate with Oltrin and work in good faith to facilitate the assignment of the Bleach Contracts;

provided, further, that Respondent Oltrin may satisfy this requirement by certifying that Respondent JCI has executed sufficient agreements directly with Customers who previously had Bleach Contracts with Oltrin;

provided, further, that Respondent JCI shall commence delivery of Bleach to each such customer by the later of 30 days after it signs the Agreement Containing Consent Order or 30 days after the customer executes its consent to the assignment.

3. C. Respondent Oltrin shall:

1. Contract Manufacture and deliver to JCI, in a timely manner and under reasonable terms and conditions pursuant to the Agreement to Contract Manufacture, a supply of Bleach at Respondent Oltrin's Direct Cost, for a period of no more than six months;

The Agreement to Contract Manufacture shall be consistent with the obligations assumed by Oltrin under this Order; *provided, however,* that Oltrin may reserve the right to control the defense of any such litigation, including the right to settle the litigation, so long as such settlement is consistent with Oltrin's responsibilities to supply Bleach in the manner required by this Order; *provided further,* that this obligation shall not require Oltrin to be liable for any negligent act or omission of JCI or for any representations and warranties, express or implied, made by JCI that exceed the representations and warranties made by Oltrin to JCI.
 4. Be responsible to JCI for any liabilities resulting from any Oltrin breach of its delivery obligations set forth in the Agreement to Contract Manufacture in accordance with that agreement and applicable law;
 5. during the term of the Agreement to Contract Manufacture, upon request of JCI or the Interim Monitor (if any has been appointed), make available to JCI and the Interim Monitor (if any has been appointed) all records that relate to the manufacture, storage, or transport of the Bleach supplied pursuant to the Agreement to Contract Manufacture that are generated or created after the Closing Date; and
 6. during the term of the Agreement to Contract Manufacture, maintain or cause to be maintained manufacturing facilities necessary to manufacture Bleach in North Carolina.
- D. - E. No later than ninety (90) days after the Closing Date, JCI will produce Bleach at its Charlotte, North Carolina plant using the Powell bleach machine referred to in Section 10.08 of the March 18, 2010, Asset Purchase Agreement, or with a machine of comparable specification, for the purpose of supplying Customers.
- F. For three (3) years after the Closing Date Respondent Oltrin shall forward to Respondent JCI, within five (5) business dates of receipt by Oltrin, a copy of all written Customer solicitations for a bid on supply of Bleach in North Carolina or South Carolina, whether through written contract or purchase order. Respondent Oltrin shall send the copy of the solicitation to JCI's General Counsel, and shall transmit no information other than the materials received from the Customer.

- G. The purpose of the amendment to the JCI Agreement and the related obligations imposed on Oltrin by this Order is:
1. to enable JCI to compete in the manufacture and sale of Bleach to commercial, industrial and governmental Customers in North Carolina and South Carolina; and
 2. to remedy in a timely and sufficient manner the lessening of competition resulting from the Transaction as alleged in the Commission's Complaint.

III.

IT IS FURTHER ORDERED that:

- A. Respondents Olin and Trinity shall take all steps necessary to ensure that Oltrin complies with the requirements of this Order and any failure by Oltrin to comply with the requirements of this Order shall be a violation by Olin and Trinity, individually and collectively.

IV.

IT IS FURTHER ORDERED that:

- A. At any time after Respondent Oltrin signs the Consent Agreement in this matter, the Commission may appoint a monitor ("Interim Monitor") to assure that Respondent Oltrin expeditiously complies with all of its obligations and performs all of its responsibilities as required by this Order and the JCI Amended Agreement.
- B. The Commission shall select the Interim Monitor, subject to the consent of Respondent Oltrin, which consent shall not be unreasonably withheld. If Respondent Oltrin has not opposed, in writing, including the reasons for opposing, the selection of a proposed Interim Monitor within ten (10) days after notice by the staff of the Commission to Respondent Oltrin of the identity of any proposed Interim Monitor, Respondent Oltrin shall be deemed to have consented to the selection of the proposed Interim Monitor.
- C. Not later than ten (10) days after the appointment of the Interim Monitor, Respondent Oltrin shall execute an agreement that, subject to the prior approval of the Commission, confers on the Interim Monitor all the rights and powers necessary to permit the Interim Monitor to monitor Respondents' compliance with the relevant requirements of the Order in a manner consistent with the purposes of the Order.

D. If an Interim Monitor is appointed:

1. the Interim Monitor shall have the power and authority to monitor Respondents' compliance with the obligations and related requirements of the Order, and shall exercise such power and authority and carry out the duties and responsibilities of the Interim Monitor in a manner consistent with the purposes of the Order and in consultation with the Commission;
2. the Interim Monitor shall act in a fiduciary capacity for the benefit of the Commission; and
3. the Interim Monitor shall serve until, the later of:
 - a. the assignment of all the Bleach Contracts required to be assigned by the Order; and
 - b. the end of the Agreement to Contract Manufacture;

provided, however, that the Commission may shorten or extend this period as may be necessary or appropriate to accomplish the purposes of the Order.

- E. Subject to any demonstrated legally recognized privilege, the Interim Monitor shall have full and complete access to Respondents' personnel, books, documents, records kept in the normal course of business, facilities and technical information, and such other relevant information as the Interim Monitor may reasonably request, related to Respondents' compliance with its obligations under the Order, including, but not limited to, their obligations related to the relevant assets. Respondents shall cooperate with any reasonable request of the Interim Monitor and shall take no action to interfere with or impede the Interim Monitor's ability to monitor Respondents' compliance with the Order.
- F. The Interim Monitor shall serve, without bond or other security, at the expense of Respondent Oltrin, on such reasonable and customary terms and conditions as the Commission may set. The Interim Monitor shall have authority to employ, at the expense of Respondent Oltrin, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Interim Monitor's duties and responsibilities.
- G. Respondent Oltrin shall indemnify the Interim Monitor and hold the Interim Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Interim Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Interim Monitor.

- H. Respondents shall report to the Interim Monitor in accordance with the requirements of this Order and/or as otherwise provided in any agreement approved by the Commission. The Interim Monitor shall evaluate the reports submitted to the Interim Monitor by Respondents. Within thirty (30) days from the date the Interim Monitor receives these reports, the Interim Monitor shall report in writing to the Commission concerning performance by Respondents of its obligations under the Order.
- I. Respondents may require the Interim Monitor and each of the Interim Monitor's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, that such agreement shall not restrict the Interim Monitor from providing any information to the Commission.
- J. The Commission may, among other things, require the Interim Monitor and each of the Interim Monitor's consultants, accountants, attorneys and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Interim Monitor's duties.
- K. If the Commission determines that the Interim Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Interim Monitor in the same manner as provided in this Paragraph IV.
- L. The Commission may on its own initiative, or at the request of the Interim Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of the Order.
- M. The Interim Monitor appointed pursuant to this Order may be the same person appointed as a Divestiture Trustee pursuant to the relevant provisions of this Order.

V.

IT IS FURTHER ORDERED that:

- A. If Respondent Oltrin has not fully complied with the obligations of Paragraph II.A. or II.B. of this Order within the time provided by this Order, the Commission may appoint a trustee ("Divestiture Trustee") to fulfill the obligations of those provisions of the Order in a manner that satisfies the requirements of this Order. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondent Oltrin shall consent to the appointment of a Divestiture Trustee in such action to accomplish the requirements of the Order. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade

Commission Act, or any other statute enforced by the Commission, for any failure by Respondent Oltrin to comply with this Order.

- B. The Commission shall select the Divestiture Trustee, subject to the consent of the Respondent Oltrin, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a Person with experience and expertise in acquisitions and divestitures. If Respondent Oltrin has not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondent of the identity of any proposed Divestiture Trustee, Respondent Oltrin shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- C. Not later than ten (10) days after the appointment of a Divestiture Trustee, Respondent Oltrin shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the requirements of this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:
 - 1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to effectuate the requirements of Paragraphs II.A. and II.B. of this Order.
 - 2. The Divestiture Trustee shall have one (1) year after the date the Commission approves the trust agreement described herein to accomplish the requirements of Paragraphs II.A. and II.B. of this Order, which shall be subject to the prior approval of the Commission. If, however, at the end of the one (1) year period, the Divestiture Trustee has submitted a plan to accomplish the requirements of Paragraphs II.A. and II.B. of this Order or the Commission believes that the requirements of Paragraphs II.A. and II.B. of this Order can be achieved within a reasonable time, the period may be extended by the Commission; *provided, however*, the Commission may extend the period only two (2) times.
 - 3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered or otherwise conveyed by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondent Oltrin shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondent Oltrin shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. Any delays in accomplishing the requirements of Paragraphs II.A. and II.B. of this Order caused by Respondents shall extend the time for divestiture under this Paragraph in an amount

equal to the delay, as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court.

4. The Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondent's absolute and unconditional obligation to divest expeditiously and at no minimum price.
5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondent Oltrin, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondent Oltrin, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of Respondent Oltrin, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order.
6. Respondent Oltrin shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee.
7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order; *provided, however*, that the Divestiture Trustee appointed pursuant to this Paragraph may be the same Person appointed as Interim Monitor.
8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture.
9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.

- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.
- F. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.

VI.

IT IS FURTHER ORDERED that:

- A. Within thirty (30) days after the date this Order is accepted for public comment, and every thirty (30) days thereafter until Respondent Oltrin has fully complied with Paragraphs II.A., II.B., II.C., and II.D. of this Order, Respondent Oltrin shall submit to the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying, and has complied with this Order.
