DOCKET NO. 9348

**ORDER GRANTING MOTION TO STAY RULING ON
MOTION TO QUASH OR LIMIT SUBPOENA**

Nonparty PricewaterhouseCoopers LLP (“PwC”) filed a Motion to Quash or Limit Subpoena *Duces Tecum* on May 6, 2013 and a Corrected Motion to Quash or Limit Subpoena *Duces Tecum* on May 9, 2013 (together, “Motion to Quash”). On May 15, 2013, Complaint Counsel filed an Unopposed Motion to Stay the Court’s Ruling on the Motion to Quash (“Motion to Stay”). In support of its Motion to Stay, Complaint Counsel asserts that PwC’s Motion to Quash does not request any relief at this time and that PwC’s Motion to Quash is premised on a hypothetical situation in which Complaint Counsel withdraws agreed subpoena specification modifications and/or deferrals. Complaint Counsel requests that the Court stay any ruling on the Motion to Quash unless and until PwC notifies the Court that the hypothetical situation has occurred. Complaint Counsel states that PwC has indicated it does not oppose Complaint Counsel’s Motion to Stay.

Based on the foregoing, Complaint Counsel’s Motion to Stay is GRANTED and it is hereby ORDERED that the ruling on PwC’s Motion to Quash is STAYED. It is further ORDERED that the Stay will be lifted in the event that PwC notifies this Court that Complaint Counsel has withdrawn the modifications and/or renewed the deferred specifications, at which

time Complaint Counsel will have three (3) days to file its opposition, if any, to PwC's Motion to Quash.
