Docket No. 9348

**IRWIN COUNTY HOSPITAL'S NOTICE OF RESPONSE TO
PHOEBE PUTNEY HEALTH SYSTEM, INC.'S APRIL 26, 2013 SUBPOENA**

COMES NOW, Irwin County Hospital ("Irwin") and respectfully files this Notice of Response to Phoebe Putney Health System, Inc.'s ("Phoebe") April 26, 2013 Subpoena. Irwin respectfully states as follows:

Phoebe issued a Subpoena dated April 26, 2013 (the "Subpoena") to Irwin, a third-party to this adjudicative proceeding. The Subpoena sought the production of documents through four enumerated requests:

1. All documents relating to the Transaction, including but not limited to, all documents sent to or received from the FTC, and all documents relating to communications with the FTC.
2. All documents relating to Phoebe or Palmyra.
3. Since 2006, all audited or other financial statements or materials for Your Hospital prepared for either internal use or presented to third parties, (e.g., the Georgia Department of Community Health, the Georgia Hospital Association, potential investors or lenders, investment banks).

PUBLIC DOCUMENT

4. All Joint Commission on Accreditation of Healthcare Organizations (“JCAHO”) or other periodic reviews performed by any organization that assigned a “quality rating” or “quality-score” to Your Hospital. *Subpoena Requests Nos. 1 – 4.*

Following extensive negotiations with Phoebe, Phoebe agreed on May 10, 2013 to limit the Subpoena as set forth in Exhibit A. Phoebe withdrew Requests Nos. 1, 2, and 4, and limited Request No. 3. Request No. 3 now seeks only “one copy” of existing year-end summary financial statements for the years 2010, 2011, and 2012 for Irwin. These financial statements are to be audited hospital-level financial statements, if those exist, otherwise an entity may produce unaudited hospital-level financial statements.

Irwin hereby gives notice that it is producing existing audited hospital-level financial statements for 2010 and 2011 responsive to this amended Request No. 3. Year 2012 does not yet exist. Irwin notes that it is producing these documents pursuant to the protections of the April 21, 2011 Protective Order Governing Discovery Material issued by the Federal Trade Commission Office of Administrative Law Judges, and understands that these documents will be so treated as confidential.

This 24th day of May, 2013.

Exhibit "A"

DOCUMENTS TO BE PRODUCED

1. ~~All documents relating to the Transaction, including but not limited to, all documents sent to or received from the FTC, and all documents relating to communications with the FTC.~~
2. ~~All documents relating to Phoebe or Palmyra.~~
3. Since 2006, all audited or other financial statements or materials for Your Hospital prepared for either internal use or presented to third parties, (e.g., the Georgia Department of Community Health, the Georgia Hospital Association, potential investors or lenders, investment banks).

As offered previously and clarified during our call yesterday, 5/7/13, this request is now limited to financial statements prepared since January 1, 2010 and is further limited to audited hospital-level data, to the extent that it exists. If hospital-level audited data is unavailable, year-end summary hospital-level financial statements, even if unaudited are preferable to audited consolidated financial statements such as those sometimes created for health systems. In addition, the request no longer seeks "all" such documents; we request only one-copy of each.

4. ~~All Joint Commission on Accreditation of Healthcare Organizations ("JCAHO") or other periodic reviews performed by any organization that assigned a "quality rating" or "quality score" to Your Hospital.~~

After discussions with GHA and after consulting with our expert, we will no longer be seeking to enforce Requests 12 of the long-form subpoena, and Request 4 of the short-form subpoena ("All Joint Commission on Accreditation of Healthcare Organizations . .").
