Re: Acadian Health Care Alliance
File No. 951 0077

Dear Mr. Sigur:

The Commission has conducted an investigation involving the possible violation by the Acadian Health Care Alliance of Section 5 the Federal Trade Commission Act, 15 U.S.C. § 45.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. Thus, the Commission reserves the right to take such further action as the public interest may require.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert F. Leibenluft".
