Re: California Feather & Down Corporation, 9523373

Dear Mr. Goldman:

The Commission has conducted an investigation involving your company's possible violation of the Federal Trade Commission Act through the use of unfair acts or deceptive acts or practices in connection with the packaging of down comforters.

By letter dated March 12, 1996, Mr. N. Frank Wiggins stated that your company is removing the reference to "760" from the packaging and labeling of your "White Knights 760 White Goose Down Comforter." Further, Mr. Wiggins' August 12, 1995, letter stated that the company had revised the text of the packaging for this product to say that the White Knights 760 White Goose Down Comforter contains "finely woven 380 2-ply fabric. . . ." The former packaging had stated "finely woven 760 threads per sq. inch. . . ."

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation has not occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

Sincerely,

Elaine D. Kolish
Associate Director
