Re: Camelot Corporation
Our file No. 962-3132

Dear Mr. Knox:

The Commission has conducted an investigation involving Camelot Corporation's possible violation of the Federal Trade Commission Act through the marketing of its "Digiphone" product.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

Very truly yours,
