Re: File No. 952-3482

Dear Ms. Marturano:

The Boston Regional Office of the Federal Trade Commission has conducted an investigation involving your company's possible violation of the Federal Trade Commission Act, through use of false or misleading advertising as to the nutrient content of Oreo Granola Bars.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take further action as the public interest may require.

Sincerely,

Phoebe D. Morse
Regional Director
