FEDERAL TRADE COMMISSION DECISIONS

Findings, Opinions and Orders

IN THE MATTER OF

ALBERTSON'S, INC.

SET ASIDE ORDER IN REGARD TO ALLEGED VIOLATION OF THE CLAYTON
AND THE FEDERAL TRADE COMMISSION ACTS

Docket C–3064. Consent Order, April 21, 1981—Set Aside Order, July 1, 1987

The Federal Trade Commission has set aside a 1981 consent order with Albertson's, Inc., (97 F.T.C. 343), thus removing the Commission's prior approval requirement because there no longer appears to be a trend toward concentration in the relevant market.

ORDER REOPENING AND SETTING ASIDE
ORDER ISSUED ON APRIL 21, 1981

On March 3, 1987, Albertson's, Inc. ("Albertson's") filed a "Petition To Reopen And Set Aside Consent Order" ("Request"), pursuant to section 5(b) of the Federal Trade Commission Act, 15 U.S.C. 45(b), and section 2.51 of the Commission’s Rules of Practice. The request asked the Commission to reopen and set aside the consent order issued on April 21, 1981 ("the order"). Albertson's request was placed on the public record for thirty days, pursuant to section 2.51 of the Commission’s Rules. No comments were received.

The complaint in this case was issued under Section 7 of the Clayton Act and Section 5 of the Federal Trade Commission Act and alleged anticompetitive effects arising from Albertson's acquisition of Fazio's, the California Division of Fisher Foods, Inc., in July 1978. According to the complaint, the relevant product line in which to assess the acquisition was retail sales by retail grocery stores and the relevant geographic market was Los Angeles County and Orange County, California. The order prohibits Albertson's for a ten year period from acquiring, without prior Commission approval, five or more retail grocery stores in fifteen designated states and certain other geographic areas. Albertson's, Inc., 97 FTC 343, 345, 347–348 (1981).

Section 5(b) of the Federal Trade Commission Act, 15 U.S.C. 45(b), provides that the Commission shall reopen an order to consider whether it should be altered, modified, or set aside, in whole or in part, if the respondent makes a satisfactory showing that changed
conditions of law or fact require the order to be modified or set aside. A satisfactory showing sufficient to require reopening is made when a request to reopen identifies significant changes in circumstances and shows that the changes eliminate the need for the order or make continued application of the order inequitable or harmful to competition. Louisiana-Pacific Corp., Docket No. C-2956, Letter to John C. Hart (June 5, 1986), at 4.

Section 5(b) also provides that the Commission may modify an order when, although changed circumstances would not require reopening, the Commission determines that the public interest so requires. Respondents are invited in petitions to reopen to show how the public interest warrants the requested modification. 16 CFR 2.51. To obtain review on this ground, the respondent must demonstrate as a threshold matter some affirmative need to modify the order. Damon Corp., Docket No. C-2916, Letter to Joel E. Hoffman, Esq. (March 24, 1984), at 2 ("Damon Letter"). For example, it may be in the public interest to modify an order "to relieve any impediment to effective competition that may result from the order." Damon Corp., Docket No. C-2916, 101 FTC 689, 692 (1983). Once such a showing of need is made, the Commission will balance the reasons favoring the modification requested against any reasons not to make the modification. Damon Letter at 2.

After reviewing Albertson's request, the Commission has concluded that respondent has not made a satisfactory showing that changed circumstances require that the order be set aside. The only real change that respondent has shown is that there is no longer a trend toward concentration in the relevant market. That change by itself does not establish that there is no further need for the order.

The Commission has concluded, however, that it is in the public interest to reopen and set aside the order. Albertson's has shown that the prior approval requirements of the order impose costs on respondent and put it at a disadvantage with respect to its competitors who are not under similar restraints. This affirmative need to modify the order must be weighed against the need for continuing the order. The costs shown by Albertson's were foreseeable at the time respondent agreed to the order and would not ordinarily provide a sufficient basis to justify termination of the order. However, respondent has also demonstrated that there is no continuing competitive need for the order in the Los Angeles/Orange County market that was the focus of the Commission's complaint. The respondent has shown that the relevant market is relatively unconcentrated and that any trend toward concentration that may have existed at the time the order issued appears to have been arrested. Accordingly, the reasons for setting aside the order outweigh the reasons for retaining the order.
Set Aside Order

The Commission has likewise concluded that it is in the public interest to set aside the prior approval requirements of the order with respect to the fifteen states and other geographic areas which are designated therein. The allegations of the complaint related exclusively to the Los Angeles/Orange County market and with the setting aside of the primary relief, the ancillary relief should also be set aside.

Accordingly, It is ordered, That this matter be, and it hereby is reopened and that the Commission's order issued on April 21, 1981, shall be set aside as of the effective date of this order.

(i) Celanese's facilities at Shelby, North Carolina and (except as provided in II (A) 1 (d), above) Greenville, South Carolina,

(ii) the "Fortrel" trademark unless the II A 1 properties are divested and the prospective acquirer requests the right to use that trademark and then Hoechst is only required to provide suitable licenses or similar arrangement for use of that trademark in the United States for polyester staple and textile filament fibers; or

(iii) Celanese's polyester textile fiber assets and businesses that satisfy the following conditions: 1) either such assets are administrative facilities that are not located at the facilities or locations specified in paragraph II (A) 1 (a), (b) and (c) or such assets consist of technology or know-how, 2) such assets have been used or continue to be used in conjunction with other assets of Celanese not required to be divested, and 3) Hoechst provides the acquirer in lieu of divestiture of such assets suitable leases, licenses or similar arrangements on a nonexclusive basis.

also used or useable in the businesses of Celanese or Hoechst that are not being divested.

(c) all the capacity to manufacture polyethylene terephthalate necessary to ensure a self-sufficiency of supply for the divested assets at the capacity levels that they currently operate; and

(d) such research and development assets at Spartanburg, South Carolina as the prospective acquirer requests and will continue to use in conjunction with the operations of American Hoechst’s polyester textile fiber [11] manufacturing facilities that are divested to that acquirer.

(The foregoing assets and businesses are hereinafter referred to as the "II A 2 properties").

(B) In conjunction with the divestiture, Hoechst and Celanese shall:

2. provide any easements and rights of way that are requested by the prospective acquirer and that facilitate the operation of the II A assets; [12]

3. if the polyester staple operations of Celanese’s Salisbury facility or the II A 2 properties are divested, provide the acquirer, at fair market price, supply arrangements and utilities and service agreements (such as nitrogen, inert air, process and drinking water, steam, and waste treatment) that are requested by the prospective acquirer for use in conjunction with the assets and businesses sold to the acquirer; and

4. if the II A 2 properties are divested, provide the acquirer, at fair market prices, supply arrangements for terephthalic acid and dimethyl-terephthalate that are requested by the prospective acquirer for use in conjunction with the assets and businesses divested to the acquirer.

(Hereinafter referred to as "II B agreements").

(C) Hoechst and Celanese shall:

1. retain all liabilities arising from the operation of any of the II A
properties that are divested through and including, but not following, the date of closing of the sale of such properties; [13]

(D) Hoechst and Celanese shall maintain the viability and marketability of the assets required to be divested and shall not cause or permit the destruction, removal or impairment of any assets or businesses to be divested except in the ordinary course of business and except for ordinary wear and tear. [14]

(E) II A 1 or II A 2 properties shall be divested to and II B agreements and agreements provided for in paragraph II (A) made with, an acquirer or acquirers, and only in a manner, that receives the prior approval of the Commission. The purpose of the divestiture agreements is to ensure the continuation of the assets as ongoing, viable enterprises engaged in the manufacture, distribution, sale, research and development of polyester staple and textile filament fibers in the United States and to remedy the lessening of competition resulting from the Acquisition as alleged in the Commission's complaint.

(F) If Hoechst has not divested the II A 1 or II A 2 properties within the twelve-month period specified in II (A), Hoechst shall consent to the appointment of a trustee by the Commission to divest the II A 1 properties. In the event that the Commission brings an action pursuant to Section 5(1) of the Federal Trade Commission Act, 15 U.S.C. 45(1), or any other statute enforced by the Commission, Hoechst shall consent to the appointment of a trustee in such action. The appointment of a trustee shall not preclude the Commission from seeking civil penalties and other relief available to it for any failure by Hoechst to comply with paragraphs II (C) through VI of this order.

(G) If a trustee is appointed by the Commission or a court pursuant to paragraph II (F) of this order, Hoechst shall [15] consent to the following terms and conditions regarding the trustee's duties and responsibilities:
1. The Commission shall select the trustee, subject to Hoechst's consent, which shall not be unreasonably withheld. The trustee shall be a person with experience and expertise in acquisitions and divestitures.

2. The trustee shall have the power and authority to divest any II A 1 properties or enter into any II B agreements and other agreements provided for in paragraph II (A) that have not been divested or entered into by Hoechst within the time period for divestiture in paragraph II(A). The trustee shall have 18 months from the date of appointment to accomplish the divestiture, which shall be subject to the prior approval of the Commission and, if the trustee is appointed by a court, subject also to the prior approval of the court. If, however, at the end of the eighteen-month period the trustee has submitted a plan of divestiture or believes that divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission or by the court for a court-appointed trustee. Provided, however, the Commission or the court for a court-appointed [16] trustee may only extend the divestiture period two times.

3. The trustee shall have full and complete access to the personnel, books, records and facilities of any business that the trustee has the duty to divest, and Hoechst shall develop such financial or other information relevant to the assets to be divested as such trustee may reasonably request. Hoechst shall cooperate with the trustee, and shall take no action to interfere with or impede the trustee's accomplishment of the divestiture.

4. The power and authority of the trustee to divest shall be at the most favorable price and terms available consistent with the order's absolute and unconditional obligation to divest and the purposes of the divestiture as stated in paragraph II(E).

5. The trustee shall serve at the cost and expense of Hoechst on such reasonable and customary terms and conditions as the Commission or a court may set. The trustee shall account for all monies derived from the sale and all expenses incurred. After approval by the Commission or the court of the account of the trustee, including fees for his or her services, all remaining monies shall be paid to [17] Hoechst and the trustee's power shall be terminated. The trustee's compensation shall be based at least in significant part on a commission arrangement contingent on the trustee divesting the trust property.

6. Promptly upon appointment of the trustee and subject to the approval of the Commission, Hoechst shall, subject to the Commission's prior approval, and consistent with provisions of this order, execute a trust agreement that transfers to the trustee all rights and powers necessary to permit the trustee to cause divestiture and sign agreements.
7. If the trustee ceases to act or fails to act diligently, a substitute trustee shall be appointed.

8. The trustee shall report in writing to the Commission and Hoechst every sixty days concerning the trustee's efforts to accomplish divestiture.

(H) The Agreement to Hold Separate, attached hereto and made a part hereof as Appendix I, shall continue in effect until such time as (1) all the II A 1 properties, except Type 30 POY spinning machines at Greenville, have been divested by Hoechst or [18] a trustee pursuant to this order, or (2) all of the II A 2 properties have been divested by Hoechst pursuant to the order.

III.

*It is further ordered*, That, within sixty days after the date of service of this order, and every sixty days thereafter until Hoechst and Celanese have fully complied with the provisions of paragraph II of this order, Hoechst and Celanese shall submit to the Commission a verified written report setting forth in detail the manner and form in which they intend to comply, are complying with, or have complied with that provision and those reports shall be accorded such confidential treatment as is available pursuant to Section 6(f) and 21 of the Federal Trade Commission Act, as amended. Hoechst and Celanese shall include in compliance reports, among other things that are required from time to time, a full description of contacts or negotiations for the divestiture of the paragraph II A properties, including the identity of all parties contacted. Hoechst and Celanese also shall include in compliance reports copies of all written communications to and from such parties, and all internal memoranda, reports and recommendations concerning divestiture. IV.

*It is further ordered*, That for a period commencing on the date of service of this order and continuing for ten years from and after the date of service of this order, Hoechst shall cease and desist from acquiring, without the prior approval of the Federal Trade Commission, directly or indirectly, through subsidiaries or otherwise, assets used or previously used in (and still suitable for use in), or any interest in, or the whole or any part of the stock or share capital of, any company engaged in, the manufacture, distribution, or sale of polyester staple and textile filament fibers in the United States. Provided, however, that these prohibitions shall not relate (i) to the construction of new facilities, (ii) to the acquisition of assets outside of the United
States, (iii) to the acquisition of any interest in, or the whole or part of the stock or share capital of any company engaged in the manufacture, distribution or sale of polyester staple and textile filament fibers outside of the United States if such company has annual sales in the United States of less than one percent of the then current respective total United States annual sales of polyester staple fibers or polyester textile filament fibers or (iv) to the acquisition of used assets that Hoechst intends to relocate to existing or new facilities for use in production of polyester staple and textile filament fibers if such used assets have production capacity of less than one percent of the United States’ then current respective capacity for the production of polyester staple fibers [20] or polyester textile filament fibers.

One year from the date of service of this order and annually thereafter, Hoechst shall file with the Commission a verified written report of its compliance with this paragraph.

V.

For the purposes of determining or securing compliance with this order, and subject to any legally recognized privilege, upon written request and on reasonable notice to American Hoechst Corporation or Celanese made to their principal offices, Hoechst and Celanese shall permit any duly authorized representatives of the Commission:

1. Access, during office hours and in the presence of counsel, to inspect and copy all books, ledgers, accounts, correspondence, memoranda and other records and documents in the possession or under the control of Hoechst or Celanese relating to any matters contained in this order; and

2. Upon five days’ notice to American Hoechst Corporation or Celanese and without restraint or interference from them, to interview officers or employees of Hoechst or Celanese, who may have counsel present, regarding such matters. [21]

VI.

It is further ordered, That Hoechst and Celanese shall notify the Commission at least thirty days prior to any change in the corporation such as dissolution, assignment or sale resulting in the emergence of a successor corporation, the creation or dissolution of subsidiaries or any other change that may affect compliance obligations arising out of this order.

Chairman Oliver was recorded as voting in the negative.
Dissenting Statement of Chairman Daniel Oliver

Two separate concerns lead me to dissent from final Commission acceptance of the consent order in this matter. First, I do not believe that Hoechst’s acquisition of Celanese is likely to lessen competition substantially in the production, distribution or sale of either polyester staple or textile polyester filament, the two relevant product markets alleged in the complaint. The theory of the complaint is that the acquisition—if not modified pursuant to the consent order—may have this effect in the United States. However, strong competition from foreign producers is likely to make it impossible for domestic producers—including the combined Hoechst-Celanese operation—to exercise any significant degree of market power, whether to raise prices above competitive levels or to injure competition in any other respect. There is therefore no reason to believe that the acquisition violates section 7 of the Clayton Act, and the consent order is unnecessary.

Second, the consent order will require the respondent—for ten years—to secure Commission approval prior to acquiring virtually any assets located in the United States that are used to manufacture, distribute, or sell polyester staple or textile filament fibers. If, as I have concluded, there is no reason to believe that the current acquisition would violate section 7, then there is no reason to require prior approval of future equally innocuous acquisitions. The Commission has recently determined that the appropriateness of prior approval provisions depends on “industry market structure and market conditions.”1 The record in this case does not establish that “market conditions and market structure in [the covered markets] are such that all such acquisitions . . . necessarily [would be] anticompetitive.”2

For both reasons, I therefore respectfully dissent from final approval of the consent order in this matter.

Complaint

IN THE MATTER OF

L'AIR LIQUIDE SOCIETE ANONYME, ET AL.

CONSENT ORDER, ETC., IN REGARD TO ALLEGED VIOLATION OF SEC. 7 OF THE CLAYTON ACT & SEC. 5 OF THE FEDERAL TRADE COMMISSION ACT

This consent order requires, among other things, L'Air Liquide to divest some assets to resolve any antitrust concerns in the production and sale of liquid gases and to obtain prior Commission's approval for similar acquisitions.

For the Commission: Ernest A. Nagata.

For the respondents: Robert A. Lipstein, Coudeot Brothers, Washington, D.C.

COMplaint

The Federal Trade Commission, having reason to believe that L'Air Liquide Societe Anonyme pour l'Etude et l'Exploitation des Procedes Georges Claude has undertaken an acquisition of the voting securities of Big Three Industries, and a proposed merger of Big Three Industries with a subsidiary of L'Air Liquide Societe Anonyme pour l'Etude et l'Exploitation des Procedes Georges Claude, either of which, if consummated, would result in a violation of Section 7 of the Clayton Act, as amended, 15 U.S.C. 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. 45, and that a proceeding in respect thereof would be in the public interest, hereby issues its complaint pursuant to Section 11 of the Clayton Act, as amended, 15 U.S.C. 21 and Section 5(b) of the Federal Trade Commission Act, as amended 15 U.S.C. 45(b), stating its charges as follows:

5. L'Air Liquide does business in four areas: industrial gases; welding and cutting; engineering and construction; and chemicals and related activities.

6. L'Air Liquide, at all times relevant herein, has been and is now engaged in commerce as "commerce" is defined in Section 1 of the Clayton Act, as amended, 15 U.S.C. 12, and is a corporation whose business is in or affecting commerce as "commerce" is defined in Section 4 of the Federal Trade Commission Act, as amended, 15 U.S.C. 44.

III. BTI

7. BTI is a corporation organized and doing business under the laws of Texas, with its office and principal place of business located at 3535 West 12th Street, Houston, Texas.

8. In 1985, BTI's net sales totalled $384 million, and its total assets were approximately $1 billion.

9. BTI has worldwide operations in three product areas: industrial gas; oil field related tools, equipment and services; and welding equipment and supplies.

10. BTI, at all times relevant herein, has been and is now engaged in commerce as "commerce" is defined in Section 1 of the Clayton Act, as amended, 15 U.S.C. 12, and is a corporation whose business is in
IV. THE ACQUISITION AND MERGER

11. Pursuant to an Agreement and Plan of Merger dated August 12, 1986, L’Air Liquide has offered to purchase all outstanding shares of capital stock in BTI for $29.00 per share. The parties have agreed, upon completion of the tender offer, to merge L’Air Liquide’s wholly owned subsidiary, AAL Acquisition Corp., into and with BTI. The total value of the tender offer and merger is approximately $1.2 billion.

V. TRADE AND COMMERCE

12. Relevant lines of commerce in which to evaluate the effects of the acquisition and merger are the production and sale of:
   (a) merchant argon; and
   (b) merchant oxygen and nitrogen.

13. The United States is a relevant area in which to evaluate the effects of the acquisition and merger in the production and sale of merchant argon.

14. Relevant sections of the United States in which to evaluate the effects of the acquisition and merger on the production and sale of merchant oxygen and nitrogen are:

   (a) the Southern Rocky Mountain region;
   (b) West Texas;
   (c) North Texas;
   (d) South Texas; and
   (e) Florida.

15. The production of merchant argon in the national market is highly concentrated. In terms of production, the Herfindahl-Hirschman Index ("HHI") for 1985 in the national merchant argon market was approximately 2500 and would increase approximately 125 points to approximately 2625 as a result of the acquisition and merger.

16. L’Air Liquide and BTI both are actual competitors in the production and sale of merchant argon in the national market.

17. The productive capacity of merchant oxygen and nitrogen in each relevant section of the country is highly concentrated. In terms of capacity, the HHI for 1985 in the:

   (a) Southern Rocky Mountain merchant oxygen and nitrogen market was approximately 2850 and would increase approximately 1050 points to approximately 3900 as a result of the acquisition and merger;
(b) West Texas merchant oxygen and nitrogen market was approximately 2150 and would increase approximately 1300 points to approximately 3450 as a result of the acquisition and merger;

(c) North Texas merchant oxygen and nitrogen market was approximately 2350 and would increase approximately 700 points to approximately 3050 as a result of the acquisition and merger;

(d) South Texas merchant oxygen and nitrogen market was approximately 3000 and would increase approximately 450 points to approximately 3450 as a result of the acquisition and merger; and

(e) Florida merchant oxygen and nitrogen market was approximately 2600 and would increase approximately 900 points to approximately 3500 as a result of the acquisition and merger.

18. L'Air Liquide and BTI both are actual competitors in the production, distribution and sale of merchant oxygen and nitrogen in each relevant section of the country.

19. The barriers to entry into the production and sale of merchant oxygen, nitrogen and argon in the relevant sections of the country are significant. Impediments to entry arise from sunk costs, minimum efficient scale plant size, demand elasticity and market size. These factors operate together to create a situation where rapid, new entry may not be available to restrain anticompetitive activity.

VI. EFFECTS

20. The effect of the proposed acquisition and merger may be substantially to lessen competition or tend to create a monopoly in the production and sale of merchant oxygen, nitrogen, and argon in the relevant sections of the country in the following ways, among others:

(a) actual competition between L'Air Liquide and BTI in the relevant lines of commerce and relevant sections of the country will be eliminated;

(b) actual competition between competitors in the relevant lines of commerce and relevant sections of the country will be lessened;

(c) concentration in the relevant lines of commerce and relevant sections of the country will be significantly increased; and

(d) the possibility of collusion or interdependent coordination among the remaining firms in the relevant lines of commerce and relevant sections of the country will be enhanced.

VII. VIOLATIONS CHARGED

21. The effect of the acquisition and merger may be substantially to lessen competition or tend to create a monopoly in the production and sale of merchant argon in the United States market and in the production and sale of merchant oxygen and nitrogen in the Southern Rocky Mountain region, West Texas, North Texas, South Texas and

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent having been furnished thereafter with a copy of a draft of complaint which the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violation of Section 5 of the Federal Trade Commission Act and Section 7 of the Clayton Act; and

The respondent, its attorneys, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondent has violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, and having duly considered the comments filed thereafter by interested persons pursuant to Section 2.34 of its Rules, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings and enters the following order:

A. Within 9 months from the date this order becomes final L'Air
L'Air Liquide Societe Anonyme, et al.

Decision and Order

Liquide shall divest or shall cause to be divested, absolutely and in good faith, all of its right, title and interest in the following properties. Divestiture shall be made only to a buyer or buyers, and only in a manner, that receives the prior approval of the Commission. The purpose of the divestiture is to ensure the continuation of the assets as ongoing, viable enterprises engaged in the same businesses and to remedy the lessening of competition resulting from the acquisition as alleged in the Commission's complaint in this matter.

1. All of Liquid Air's existing merchant air separation gases customer, dealer and distributor contracts, excluding any contracts with Texas Instruments, specifying a delivery location in the state of Texas, together with associated storage vessels and cylinders;

2. Liquid Air's air separation gases plants located in Odessa, Texas and Stafford (Houston), Texas, together with associated distribution equipment, and distribution equipment sufficient to serve Liquid Air's merchant air separation gases customers located in North Texas;

3. Big Three's West Palm Beach, Florida air separation gases plant together with all associated distribution equipment, customer, dealer and distributor contracts, and associated storage vessels and cylinders;

4. Big Three's Albuquerque, New Mexico air separation gases plant, together with all associated distribution equipment, customer, dealer and distributor contracts, and associated storage vessels and cylinders;

5. Big Three's interest in the Palmer, Alaska air separation gases plant and associated merchant air separation gases customer, dealer and distributor contracts, storage vessels and distribution equipment. Provided, however, that if the aforementioned interest is divested to The Lincoln Electric Company, such divestiture will not require the prior approval of the Commissioner under this order.

B. L'Air Liquide shall also make available in North Texas for a period of up to 3 years from the date the divestiture of Liquid Air's existing merchant air separation gases customer, dealer and distributor contracts in North Texas is completed whether by L'Air Liquide or by the trustee identified in paragraph V, up to 50 T/D of liquid oxygen and 95 T/D of liquid nitrogen, which may be purchased by the acquirer of the merchant air separation gases customer, dealer and distributor contracts of Liquid Air in North Texas at a price equal to the electric power costs of the supplying air separation gases plant plus 5 cents/hundred cubic feet, F.O.B. the supplying plant.

C. Within 12 months from the date this order becomes final, L'Air Liquide shall enter into a contract to sell to an unrelated third party all argon to which Liquid Air is entitled under an Operating Agree-
ment among Borden, Inc., BASF Wyandotte Corporation, Liquid Air Corporation and LAI Properties, Inc., dated December 14, 1984, as amended. Such contract shall be made only with a buyer or buyers, and only in a manner, that receives the prior approval of the Commission. The purpose of requiring such contract is to remedy the lessening of competition resulting from the acquisition as alleged in the Commission's complaint in this matter.

III.

It is further ordered, That, pending the divestiture of all of the assets described in paragraphs IIA and IIB, above, L'Aire Liquide will hold such assets separate and apart on the following terms and conditions:

A. Within 30 days from the date this order becomes final, L'Aire Liquide shall cause all of its right, title and interest in the Merchant Divestiture Assets to be transferred to a separate corporation ("Nucorp"), whose management and directors will be independent of and separate from the management and directors of L'Aire Liquide, Liquid Air, or Big Three.

B. Nucorp and the Merchant Divestiture Assets shall be operated independently of L'Aire Liquide, Liquid Air or Big Three.

C. L'Aire Liquide shall not exercise direction or control over, or influence directly or indirectly, the day-to-day operations of Nucorp or the Merchant Divestiture Assets, except as may be necessary (i) to assure compliance with this Order, (ii) to prevent an event of default under financing arrangements to which L'Aire Liquide or any of its subsidiaries is a party, or (iii) to prevent wasting or deterioration of the Merchant Divestiture Assets.

D. Except as provided in paragraph III(C)(i)-(iii) or as required by law and except to the extent that necessary information is exchanged in the course of defending litigation or negotiating agreements to dispose of Nucorp or all or any part of the Merchant Divestiture Assets, L'Aire Liquide shall not receive or have access to, or the use of, any "material confidential information" relating to the Merchant Divestiture Assets not in the public domain. Any such information that is obtained pursuant to this subparagraph shall only be used for the purposes set out in this subparagraph.

E. Each transaction in the amount of $100,000 or more, or transactions in the aggregate of $500,000 or more which are not otherwise precluded to Nucorp by paragraph III(A)-(D), shall be subject to a majority vote of the Board of Nucorp. Prior to the Board of Nucorp approving any such transaction, such transaction must be submitted
for review and approval by an officer of L’Air Liquide only for the limited purpose of determining whether such transaction would impair L’Air Liquide’s obligations under this order, including L’Air Liquide’s ability to divest Nucorp or the Merchant Divestiture Assets, or would create an event of default under any financing arrangement. The submission of such proposed transactions to an executive of L’Air Liquide shall be made in writing only, and L’Air Liquide’s response shall also be in writing only, and copies of all such writings shall be maintained by L’Air Liquide for two years following the divestiture of the Merchant Divestiture Assets. The approval of an officer of L’Air Liquide shall not be unreasonably withheld and shall be granted within a reasonable period of time.

F. Subject to the other provisions of this order:

1. L’Air Liquide shall have the sole right to determine the terms of sale of Nucorp or any of the Merchant Divestiture Assets, including timing of sale and purchase price, and to cause Nucorp management to enter into any agreements or arrangements, or to take any other action, to fulfill L’Air Liquide’s obligations under this order, and

2. In the event L’Air Liquide has submitted one or more acquirees of the Merchant Divestiture Assets or of Nucorp to the Commission prior to the date this order becomes final, L’Air Liquide will not be required to cause those assets for which it has a contract or contracts to sell to be transferred to Nucorp, unless and until the Commission denies approval of such acquirees. If the Commission denies such approval, L’Air Liquide shall transfer the Merchant Divestiture Assets to Nucorp (a) within ten (10) calendar days, or (b) if L’Air Liquide has not as yet transferred assets to Nucorp pursuant to paragraph III(A), then L’Air Liquide shall be required to transfer the Merchant Divestiture Assets described in this subparagraph in accordance with paragraph III(A).

IV.

It is further ordered, That L’Air Liquide shall not cause or permit the wasting or deterioration of the assets and operations to be divested in accordance with paragraph II of this order in any manner that impairs the marketability of any such assets and operations or impairs in any manner the viability of the assets and operations as a going concern engaged in the production, sale or distribution of industrial gases. Provided, however, that deterioration in the ordinary course of operation and normal wear is not a violation of this paragraph.
It is further ordered, That:

A. If L'Air Liquide has not divested all of the Merchant Divestiture Assets within the 9-month period, or has not obtained approval for the contract described in paragraph II(C) within the 12 month period, L'Air Liquide shall consent to the appointment of a trustee in any action that the Federal Trade Commission may bring pursuant to Section 5(1) of the Federal Trade Commission Act, 15 U.S.C. 45 (1), or any other statute enforced by the Commission. In the event the court declines to appoint a trustee, L'Air Liquide shall consent to the appointment of a trustee by the Commission pursuant to the order.

B. If a trustee is appointed by a court or the Commission pursuant to paragraph V(A) of the order, L'Air Liquide shall consent to the following terms and conditions regarding the trustee's duties and responsibilities:

1. The Commission shall select the trustee, subject to L'Air Liquide's consent, which shall not be unreasonably withheld. The trustee shall be a person with experience and expertise in acquisitions and divestitures.

2. The trustee shall have 18 months from the date of appointment to submit for prior approval the divestiture of any undivested assets, which shall be subject to the prior approval of the Commission, and if the trustee was appointed by the court, subject also to the prior approval of the court. If, however, at the end of the 18-month period the trustee has submitted a plan of divestiture or believes that divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission or by the court, if the trustee was appointed by a court.

3. The trustee shall have full and complete access to the personnel, books, records, and facilities relating to any undivested assets and Nucorp or L'Air Liquide shall develop such financial or other information relevant to the assets to be divested as such trustee may reasonably request. Nucorp and L'Air Liquide shall cooperate with the trustee and shall take no action to interfere with or impede the trustee's accomplishment of the divestiture.

4. The power and authority of the trustee to divest shall be at the most favorable price and terms available consistent with the order's absolute and unconditional obligation to divest.

5. The trustee shall serve at the cost and expense of L'Air Liquide on such reasonable and customary terms and conditions as the Commission or a court may set. The trustee shall account for all monies derived from asset sales and all expenses incurred. After approval by
the court or the Commission of the account of the trustee, including fees for his or her services, all remaining monies shall be paid to L'Air Liquide and the trustee's power shall be terminated. The trustee's compensation shall be based at least in significant part on a commission arrangement contingent on the trustee divesting undivested assets.

6. Promptly upon appointment of the trustee, L'Air Liquide shall, subject to the Commission's prior approval and consistent with provisions of this order, execute a trust agreement that transfers to the trustee all rights and powers necessary to permit the trustee to cause divestiture of undivested assets.

7. If the trustee ceases to act or fails to act diligently, the court or the Commission may, upon its own motion or by motion of L'Air Liquide, appoint a substitute trustee for the balance of the 18-month period specified in paragraph V(B)(2) or any extension thereof.

8. The trustee shall report in writing to L'Air Liquide and the Commission every sixty (60) days concerning the trustee's efforts to accomplish divestiture.

9. The trustee shall be authorized to retain independent legal counsel and other persons for purposes of discharging the functions set forth above. L'Air Liquide shall reimburse the trustee for the reasonable value of all expenses so incurred.

10. If L'Air Liquide and the trustee are unable to resolve a dispute regarding the reasonable value of his/her services or the reasonableness of an expenditure or obligation incurred by the trustee in connection with his/her efforts to divest the plant or plants, then L'Air Liquide and the trustee shall submit the dispute to the Commission for resolution. The trust agreement shall recite that the Commission's determination of the reasonable value of the trustee's services or the reasonableness of expenditures and other obligations incurred by the trustee shall be binding upon L'Air Liquide and the trustee.

VI.

It is further ordered, That, within sixty (60) days after the date this order becomes final and every sixty (60) days thereafter until L'Air Liquide has fully complied with the provisions of paragraphs II(A)-II(C) of this order, L'Air Liquide shall submit to the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying or has complied with those provisions. L'Air Liquide shall include in compliance reports, among other things that are required from time to time, a full description of contacts or negotiations for divestiture, including the identity of all parties contacted.
VII.

*It is further ordered,* That for a period commencing on the date this order becomes final and continuing for ten (10) years from and after the date this order becomes final, L'Air Liquide shall cease and desist from acquiring, without the prior approval of the Federal Trade Commission, directly or indirectly, through subsidiaries or otherwise, the whole or any part of the stock or share capital of any United States merchant air separation gases producer, or any of the merchant air separation gases assets of any United States merchant air separation gases producer, provided, however, that nothing in this order shall require L'Air Liquide to obtain prior Commission approval for acquisitions of (a) gas or any product for resale, (b) transportation, delivery or storage equipment, (c) cylinders, (d) converters, (e) bulk customer stations, or (f) plant equipment not incorporated in an operating merchant air separation gases plant, and provided further that nothing in this order or in the Commission's order entered in Docket C-2990 shall require L'Air Liquide to obtain prior Commission approval if L'Air Liquide increases its ownership in Liquid Air or causes Big Three to acquire Liquid Air. One year after the date this order becomes final, and annually thereafter, L'Air Liquide shall file with the Commission a verified written report of its compliance with this paragraph.

VIII.

*It is further ordered,* That for the purpose of determining or securing compliance with this order, and subject to any legally recognized privilege, upon written request and on reasonable notice to L'Air Liquide made to its principal office, L'Air Liquide shall permit any duly authorized representatives of the Commission access, during office hours and in the presence of counsel, to inspect and copy all books, ledgers, accounts, correspondence, memoranda and other records and documents in the possession or under the control of L'Air Liquide relating to any matters contained in this order.

IX.

*It is further ordered,* That L'Air Liquide shall notify the Commission at least thirty (30) days prior to any proposed change in the corporation such as dissolution, assignment or sale resulting in the emergence of a successor corporation, the creation or dissolution of subsidiaries or any other change that may affect compliance obligations arising out of the order.
Dissenting Statement of Chairman Daniel Oliver

I would support a consent order in this matter that required the respondent—for a prescribed period of years—to furnish prior notice to the Commission before making additional acquisitions in the markets at issue. Unfortunately, the consent order the Commission has accepted requires the respondent—for ten years—to secure prior Commission approval before making acquisitions in those markets. The Commission has recently determined that the appropriateness of prior approval provisions depends on "industry market structure and market conditions." 1 I do not support imposing the prior approval requirement in the consent order because it is not clear from the record that "market conditions and market structure in [the covered markets] are such that all such acquisitions ... necessarily [would be] anticompetitive." 2 I therefore respectfully dissent from final acceptance of the consent order in this matter.

"Q. Does the Rotation Diet really work? Do people lose weight on it?
A. It works extremely well. But as any doctor with years of experience in weight control knows, designing a way to lose weight is only a small part of the challenge. My years of observation of this diet convince me that its real breakthrough is the unique way it allows a person to find his or her right weight and then stay there. . . .
Q. How much weight can I lose?
A. Women usually lose 8 to 20 pounds a month, men 12 to 25 pounds. The amount depends on many personal variables, including the total amount of weight you have to lose. . . ."

"I'm so pleased about what happened to me, I'd love to help it happen to you. . . ."

"I'm beginning to feel like a celebrity. Hundreds of people have been calling me personally, asking, 'Why did you pick the Rotation Diet?' . . . They had heard about me and the Rotation Diet, and seen how successful I was. But they weren't sure they could actually do it themselves. That's why I volunteered to let the Rotation Diet Center relay calls to my home. I want to help spread the word about this wonderful diet. . . .

P.S. I'm no celebrity. I'm someone exactly like you, who's just a few months ahead of you on the Rotation Diet Program. . . ."

(b) "I'm Judy Ruthrauff. After the birth of my last little girl, I couldn't get rid of 23 pounds. I was always hungry, and I ate enormous amounts of diet food until I discovered the Rotation Diet. PAR. 9. Through the use of the statements referred to in paragraphs five and seven, and other statements in advertisements not specifically set forth herein, respondents have made the following material representations, directly or by implication:

(a) Consumers can eat unlimited quantities of food four days a week and, regardless of how much they eat on those four days, still lose substantial amounts of weight on the Rotation Diet, the Freedom Diet, and the Rotation-Freedom Diet.

Therefore, expert respondent Bricklin's representations, as set forth in paragraph sixteen were, and are, false and misleading.

Par. 19. Expert respondent Dr. Barry Bricklin has received compensation for the use of his endorsements in respondents' advertisements for weight reduction and/or weight control programs and products.

The Diet You Can Live With. Does It Really Work?

It Worked For Dot Woolsager...

and she ate cheese and butter on ice cream sundaes. To Mary and all the other beauties that she knew there's Dot's fabulous success story. I started the Rotation Diet on April 23, 1978. By the end of the summer I had lost 15 pounds, dropping my weight from 193 to 178 pounds. I was beginning to see the human race again.

Since then I have been on the modified Rotation program five times, each time losing weight and adding weight reserves. Six months ago, I added 15 pounds to my weight, and I weighed 193 pounds. Then I went on the Rotation Diet, losing 23 pounds with a new goal of 188. I am now at a weight between 170 and 175 pounds. In the last 2 months I have also been on the Rotation Diet for the first time.

I am beginning to see the human race again, and it's a great feeling. I am working on the diet, I am working on myself, and a great change has taken place. I am eating the foods I love during the diet, without that nagging guilt, hanging over.

The Rotation Diet has changed my life and I know I will keep on eating the same way for ever.

It worked for Arlene...

Here's Arlene M., at 228 pounds before the Rotation Diet. And here she is at 143 pounds. Her goal is 125 and she is getting there. She is getting there in a very positive way, without being hungry.

And it worked for all these people, too!

The Diet You Can Live With. Does It Really Work?

It Worked For Dot Woolsager...

...and she is chemically, physically, ice cream untouchable. To Mara and all the other ladies that she loves (not that Dot is intrusive or anything),

I started the Rotation Diet on April 22, 1978. By the end of the summer, I had lost 50 pounds, dropping my weight from 220 to 170 pounds. I was beginning to mean the number.

Since then, I have been able to trim 20 pounds by maintaining the Rotation Diet. My weight continues to drop in the summer, and I've kept weight off. I continue to eat Dot's food plan and have not gained any pounds. I'm not sure how Dot did it, but I did.

I love this diet and I'm glad.

I'm very pleased with the way I look and feel better. I feel good, my energy level is higher.

The diet was extremely strict during the first 6 weeks, I know I'll have to live on this diet for the rest of my life.

I've lost 15 pounds in 6 weeks. I now weigh 135 pounds.

The Rotation Diet has transformed me, and I know I'll be on the same way now.

Here’s how the FREEDOM DIET works:
This amazing diet actually lets you eat and drink what and whenever you want on TUESDAYS, THURSDAYS, SATURDAYS AND SUNDAYS. You can have breads like spaghetti, pasta, macaroni and cheese; milk, cheese and potatoes; tea and ice cream—thousands of foods that are usually forbidden but which are your everyday foods. In fact, your body will thrive on these foods, so you can eat as much as you want, as much as you want, as much as you want.

The other days—MONDAYS, WEDNESDAYS AND FRIDAYS—are your FREE Days, and on those days you follow a simple weight loss program. You'll lose weight with Freedom in your weekly table. And you won’t suffer from hunger pangs or excessive discomfort or fatigue. You’ll be able to skip all the diet rules, regrets and fear you hate. And there are even optional foods you can have on your FREE Days: The Freedom Cheesecake Bars, the key to your weight loss success. They contain no milk, no sugar; yet they stop hunger and help you feel good on your diet.

Kathy Used To Weigh 189 Pounds...Today She Weights 129 Pounds
"My mother and sister and my grandmother were all heavy. And I was heavy. I listened to gain weight over the years until I packed 189 pounds. I tried dieting for three years. And the one year I looked at myself in the mirror. I decided I couldn’t stand my with another diet.

So Kathy went on a diet. She tried one diet after another with no success—nothing she would stick to and the weight would begin to come back. She simply couldn’t give up their accustomed eating habits. She lived too much too fast and then on another diet.

Then Kathy heard about the FREEDOM DIET. An diet that lets you eat anything you want to eat, including anything you want to eat 6 days a week. It was hard to believe—the one diet I decided to give it a try. And damn, she lost weight. She lost weight at 129 pounds. It was hard to believe the family had been doing so on another diet. She’s only on it for a year and I’d hate it the next day.

Kathy is happy. Her husband is happy. And her lawn is happy. "I never dreamed I’d ever find a diet that gives me the freedom 6 days a week on the FREEDOM DIET. I’m so much happier with my diet."

Dot's Probable Success Story

I started the Rotation Diet™ on June 22, 1978. By the end of
the summer I had dropped from 185 pounds to 142 pounds
and was beginning to keep the pounds off. During these
summer months, I have been able to enjoy a balanced
meals plan program minus diet days, and my weight
has continued to drop. I am now down to 123 pounds with a
new goal of 115 pounds. The original goal was 163 pounds
my goal now is to be down 150 pounds. I have seen many
patients who have been successful with the Rotation Diet
and I would like to share with you the stories of how
my work helped them.

Talk it over with Dot herself....
Dear Friend:

I'm beginning to feel like a celebrity. Hundreds of people have been calling me personally asking, "Why did you pick The Rotation Diet?" Didn't you feel guilty eating so much on your "FREE DAYS" and when you worried you wouldn't lose weight? They had read about me and The Rotation Diet and seen how successful I was. But they weren't sure they could actually do it themselves.

That's why I volunteered to let The Rotation Diet Center relay calls to my home. I want to help spread the word about this wonderful diet.

So just call toll free 1-800-323-2622 in Pennsylvania or (215) 794-3278 and ask for Dot. I'm available most days and evenings plus weekends. I hope I'll be talking to you soon.

Sincerely,

Dot Woolslager

Dot Woolslager

P.S. I'm not a celebrity. I'm someone exactly like you. Who's just a few months ahead of you. The Rotation Diet Program and its members -- thousands of members -- are all people exactly like you. Even more than that, many of these folks have joined the Center as Phoners and to help people lose weight, would love to speak to you. Let us introduce you to them. It's not just me.
Here are some comments from the thousands of people who are currently enjoying the Rotation Diet:

"I love the true freedom of being able to eat whatever I want every TUESDAY, THURSDAY, SATURDAY and SUNDAY!"

"I feel normal!"

"I've been on maintenance for 6 months and it's working great! I now have only ONE diet day each week."

"The Rotation Tablets taste like Nutter Wafers. They really stop my hunger and increase my energy level. I feel good on my diet day!"

"I really pig-out on my free days — pizza, cheesecake, beer, potato chips. It adds to my 'heart's content' and I have lost 57 pounds!"

"I have enough on my 3 diet days to more than pay for the whole week. The diet actually costs me nothing!"

measuring. No exercising. No boredom. No gimmicks. NO KIDDING!

Dear Friend,

If you're like me, and the thousands of people I've helped to lose weight, you've tried
everything to shed all those unwanted pounds... from calorie counting and counting foods to
charging, graining, water, and liquid protein diets. But then the problem with diets is just that.
They're diets! And as we all know, anything that demands that you alter your lifestyle is difficult
to stick with. And when you don't, all those pounds and inches come right back!

The Rotation Program is the diet you can live with.

That's right—the Rotation Diet is different from all the others because 4 days a week you eat and
drink anything you want, as much as you want. No green and carrots, but sandwiches, pizza, french fries,
peas, cake, anything at all! These 4 days are your "FREE DAYS" and they help you get your cravings so
you can stay with the program and lose each and every pound you want to.

Unlike other weight loss plans, Rotation Diet lets you celebrate birthdays with cake... dine out without
restraints... vacation without limitations... and every farewell without guilt like everybody else.

"Dieting" 3 days a week to lose weight month after month, including 16 to 20 pounds the
first month. Impossible? Not at all... I've lost 62 pounds!

That's right. I've lost 62 pounds by using the Rotation Plan. Three days a week I followed a
personalized weight loss program using Rotation Meals and Vitamins. I didn't experience hunger, dizziness,
hunger or boredom, I lost the weight I wanted in without guilt and without drugs.

Plus, I've kept off that unwanted weight. That's the beauty of the Rotation Diet. They don't leave you
"high and dry" after you've reached your weight loss goal like most every other diet.
Rotation Diet gives you an easy weight maintenance plan too!

After you reach your goal, Rotation Center will show you how easy it is to keep that weight off without anyone ever knowing and without it ever seeming with your diet.

In addition, the Rotation Diet also allows you to vacate three or four times each month for no cost. You can now easily put your diet on hold for up to 3 days and still continue. That's right—rotation's special. With Rotation, you can have a treat without feeling guilty and without gaining back all the weight you've lost.

The Rotation Diet can actually save you more money than it costs!

With the Rotation Diet you can save more than you spend for the diet. If you're like most people, you'll cut about 40% of your food bill because you'll cut down on expensive foods during your 3 "BALANCE DAYS" each week.

Plus, there are never any expensive consultations or office visits to pay for. Our TOLL FREE HOTLINE also assures that you won't have any phone bills, and we guarantee you unlimited use of the special personal and confidential service.

Now's the time to act!

I hope you will take a few minutes right now to read my personal story and all the other important information in the enclosed brochure. Then call me and I'll send you the Rotation Diet for free. Or if you prefer, just the handy pre-paid order form that we've enclosed. Either way, don't put it off—you've got nothing to lose except a lot or unwanted pounds.

Sincerely,

**Compare Rotation Diet With Others You See Advertised...**

Do these other "miracle" diets require you to count calories? Prepare special foods? Do special exercises? Take some sort of drug? Do without your favorite foods for weeks at a time? Make you spend money and waste valuable time at weight reduction centers?

Rotation Diet doesn't make you do any of these.

Please take a few minutes right now to read the enclosed details on the "NO FRILLS" Rotation Diet Pack. You'll see that it works just like the original Plan, it's just as simple, just as effective and just as easy! Best of all, you can now try it for as little as $19.98. So go ahead—ORDER TODAY.

It is ordered, That respondents Buckingham Productions, Inc., also trading and doing business as Rotation Diet Center, Furlong-Elliot Corp., Freedom Center, Inc., Plaza Business Services, Inc., N.F. Rotation, Inc., and Rotation-Freedom Diet, Inc., and Health and Diet Corp., Inc., corporations, their successors and assigns, and their officers, and Howard Elliot, individually and as an officer of the corporations; and respondents’ agents, representatives, and employees, directly or through any corporation, subsidiary, division, distributorship or other device, in connection with the advertising, offering for sale, sale or distribution of any weight reduction or weight control product, program, or service, in or affecting commerce, as “commerce” is defined in the Federal Trade Commission Act, do forthwith cease and desist from:

(A) Representing, directly or by implication, that:

(1) Any consumer can eat any quantity of food and still lose weight or maintain that weight loss, without an accompanying and proximate, clear and prominent disclosure that the consumer’s weight loss or ability to maintain that weight loss depends on a reduction in caloric intake in the short term and an overall reduction in caloric intake over the long term.

(2) Thousands of consumers, or any number of consumers, have lost or maintained a specified amount of weight loss, or range of weight loss, unless such is the case.

(3) Any such product, either alone or in conjunction with any weight reduction or weight control program or service, will stop hunger or otherwise function as an appetite suppressant, or will eliminate or prevent fatigue, unless such is the case.

(C) Failing to disclose any material connection, where one exists, between an endorser (except for a celebrity endorser) of any such product, program or service and any respondent; provided, however, that a "material connection" shall mean, for purposes of this order, any relationship between an endorser of any such product, program or service, and any entity marketing such product, program or service which relationship would not reasonably be expected by consumers and, if known by consumers, might materially affect the weight or credibility given to the endorsement.

(D) Representing, directly or by implication, the usual or average weight loss, or range of weight loss, obtained or obtainable from any such weight reduction or weight control product, program or service, unless at the time of making such representation respondents possess and rely upon competent and reliable survey or other scientific evidence that substantiates the representation.

(E) Making any representation, directly or by implication, regarding the efficacy, safety, or performance of any weight reduction or weight control product, program or service, the content or mode of action of any weight reduction or weight control product, program or service, or the monetary savings that may or will result from the purchase or use of such product, program or service, unless at the time of making such representation respondents possess and rely upon competent and reliable survey of other scientific evidence that substantiates the representation.

For purposes of Part I of this order, "competent and reliable" evidence shall mean tests, analyses, research, studies, surveys, or other evidence, conducted and evaluated by qualified persons in an objective manner and using generally accepted procedures.

II.

It is further ordered, That for three years from the date that the representations to which they pertain are last disseminated, respondent corporations, their successors and assigns, and their officers, and the individually named respondent, and respondents’ agents, repre-
sentatives and employees shall maintain and upon request make available to the Federal Trade Commission for inspection and copying:

1. All materials that were relied upon to substantiate any such representation.
2. All test reports, studies, surveys, or other materials in their possession or control that contradict, qualify, or call into question such representation.

III.

*It is further ordered,* That respondents shall notify the Commission at least thirty (30) days prior to the effective date of any proposed change in respondents such as dissolution, assignment, or sale resulting in the emergence of a successor corporation, the creation or dissolution of subsidiaries, or any other change in the corporation(s) which may affect compliance obligations arising out of the order.

IV.

*It is further ordered,* That respondents and their successors or assigns, shall forthwith distribute a copy of this order to each of their operating divisions, to all officers, agents or representatives who are engaged in the preparation and placement of advertisements or promotional materials, to all employees who communicate with customers or potential customers as part of their employment responsibilities, and to all distributors of products manufactured or marketed by respondents.

V.

*It is further ordered,* That the individual respondent named herein shall promptly notify the Commission of the discontinuance of his present business or employment and of his affiliation with a new business or employment and that, for a period of 10 years from the date of service of this order, the individual respondent named herein shall promptly notify the Commission of each affiliation with a new business or employment whose activities include the advertising, endorsing, promotion, offering for sale, sale, or distribution of any weight reduction or weight control product, program, or service, and of his affiliation with a new business or employment in which his own duties and responsibilities involve the advertising, endorsing, promotion, offering for sale, sale, or distribution of any weight reduction or

IN THE MATTER OF

PURITAN-BENNETT AERO SYSTEMS COMPANY

CONSENT ORDER, ETC., IN REGARD TO ALLEGED VIOLATION OF SEC. 5 OF THE FEDERAL TRADE COMMISSION ACT

This consent order prohibits, among other things, an El Segundo, California seller of fire and smoke protection masks from making deceptive advertising claims that any emergency escape mask or hood can absorb, remove or filter out any hazardous gas associated with fire, or that any mask or hood can protect users from any fire hazards, unless the claim is substantiated and supported by a scientific test. Respondent is required to retain for three years all test reports or materials it uses as substantiation for claims and is also required to make specified disclosures on its packaging and in advertisements.

Appearances

For the Commission: Joel Winston and Susan Cohn.

For the respondents: Daniel C. Weary and Robin Foser, Blackwell, Sanders, Matheny, Weary, & Lombardi, Kansas City, Mo.

COMPLAINT

The Federal Trade Commission, having reason to believe that Puritan-Bennett Aero Systems Company, a corporation ("respondent"), has violated the provisions of the Federal Trade Commission Act, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, alleges:

PARAGRAPH 1. Respondent Puritan-Bennett Aero Systems Company is a California corporation with its office and principal place of business at 111 Penn Avenue, El Segundo, California. It is a wholly-owned subsidiary of Puritan-Bennett Corporation.

PAR. 2. Puritan-Bennett Aero Systems has been engaged in the advertising, marketing, distribution and sale to the public of the Escape Fire and Smoke Hood ("Escape Hood" or "Hood").

PAR. 3. The acts and practices of Puritan-Bennett Aero Systems alleged in this complaint have been in or affecting commerce.

PAR. 4. Typical of Puritan-Bennett Aero Systems' advertising and promotional material for the Escape Hood, but not necessarily all inclusive thereof, is the attached Exhibit A. The aforesaid material contains the following statements:
a. "IN CASE OF FIRE: ESCAPE! Introducing ESCAPE Fire and Smoke Hood, the best way to increase your chance of surviving a fire."

b. "ESCAPE is designed to protect eyesight, minimize panic and filter out toxic fumes for a reasonable amount of time. With this extra time, your chances for escape from fire are greatly enhanced."

c. "Fires can generate searing, intense heat. Worse they normally develop dense clouds of smoke. And the burning materials give off poisonous fumes. Without effective protection against these hazards, your chances for escape will be slim indeed. Now you can have that effective protection against fire and smoke! It's called ESCAPE, and it is . . . capable of . . . removing 99% of all smoke particles and absorbing most toxic gases."

PAR. 5. Through the use of the statements referred to in paragraph four and others in advertisements not specifically set forth herein, Puritan-Bennett Aero Systems has represented, directly or by implication, that:

a. The Escape Hood will absorb or filter out all significant noxious or poisonous gases associated with fires.

b. The Escape Hood will protect the user from all significant hazards associated with gases in fires for a reasonable amount of time.

PAR. 6. In truth and in fact:

a. The Escape Hood will not absorb or filter out all significant noxious or poisonous gases associated with fires, because it does not absorb or filter out carbon monoxide, a lethal gas associated with fires.

b. The Escape Hood will not protect the user from all significant hazards associated with gases in fires for a reasonable amount of time, because it does not absorb or filter out carbon monoxide, a lethal gas associated with fires.

Therefore, the representations set forth in paragraph five were, and are, false and misleading.

PAR. 7. In the advertising and sale of the Escape Hood, Puritan-Bennett Aero Systems has failed to disclose adequately to consumers that the Hood does not absorb or filter out carbon monoxide, a lethal gas associated with fires. This fact would be material to consumers in their decisions on whether to purchase or how to use the Escape Hood. The failure to disclose this fact, in light of the representations made as alleged in paragraph five, is a deceptive practice.

PAR. 8. The acts and practices of Puritan-Bennett Aero Systems alleged in this complaint constitute unfair or deceptive acts or practices in or affecting commerce in violation of Section 5(a) of the Federal Trade Commission Act.
IN CASE OF FIRE: ESCAPE!

Introducing ESCAPE Fire and Smoke Hood, the best way to increase your chance of surviving a fire.

Have you ever been trapped in a fire? And tried to escape without some sort of protection? Let's hope you never have to.

Because it can be a terrifying experience. Fire at home. A hotel fire. Fire in an office building or hospital. Fire aboard an airliner. A boat or ship fire. They're all dangerous. Fires can generate tearing, intense heat. Worse, they normally develop dense clouds of smoke. And the burning materials give off poisonous fumes. Without effective protection against these hazards, your chances for escape will be slim indeed.

Now you can have that effective protection against fire and smoke! It's called ESCAPE, and it is a combination of two elements: (1) a thin transparent hood made of DuPont KAPTON, capable of withstanding flames of 1200°F and (2) a four-layer filter capable of removing 99% of all smoke particles and absorbing most toxic gases. Oxygen is freely passed.

The ESCAPE Fire and Smoke Hood weighs only 2½ ounces and folds into a compact sealed plastic pouch measuring 7" x 5½" x ¾" (thick). It can be carried in a pocket, purse or briefcase. You can take your own ESCAPE with you at all times, and provide one for each member of your family for their protection.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent, and its parent corporation, Puritan-Bennett Corporation, having been furnished thereafter with a copy of a draft of complaint which the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violation of the Federal Trade Commission Act; and

The respondent, its parent corporation, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondent and its parent corporation of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent or its parent corporation that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondent has violated the said Act, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings and enters the following order:

It is ordered, That respondent Puritan Bennett Aero Systems Company, a corporation, its parent corporation, Puritan-Bennett Corporation, their successors and assigns, (hereinafter collectively "the companies"), and their officers, agents, representatives, and employees, directly or through any corporation, subsidiary, division or other device, in connection with the advertising, offering for sale, sale or distribution of the Escape Fire and Smoke Hood or any other emergency escape mask or hood, in or affecting commerce, as "commerce" is defined in the Federal Trade Commission Act, do forthwith cease and desist from representing, directly or by implication:

a. That the mask or hood is capable of absorbing, removing, filtering out, or otherwise protecting the user from any hazardous gas associated with fire unless, at the time the representation is made, the representation is true and the companies possess and rely upon a reasonable basis consisting of a competent and reliable scientific test that substantiates the representation.

Complaint

IN THE MATTER OF

ALLEGHANY CORPORATION

CONSENT ORDER, ETC., IN REGARD TO ALLEGED VIOLATION OF THE
CLAYTON ACT AND SEC. 5 OF THE FEDERAL TRADE COMMISSION ACT

Docket C-3218. Complaint, Sept. 9, 1987—Decision, Sept. 9, 1987

This consent order allows, among other things, a New York City title insurance company to acquire Safeco Title Insurance Co. by requiring respondent to divest two title plants to alleviate concerns that acquisition could reduce competition in the production and sale of title information in Cook County, Ill. and Los Angeles County, Calif. Respondent is also required to continue to honor all Chicago Title and Trust Company and Safeco plant access contracts that expire pending divestiture.

Appearances

For the Commission: Michael Antalics and Andrew Goodson.

For the respondents: John C. Christie, Jr., Bell, Boyd, & Lloyd, Washington, D.C.

COMPLAINT

The Federal Trade Commission, having reason to believe that respondent Alleghany Corporation, a corporation subject to the jurisdiction of the Commission, through one of its subsidiaries, has entered into an agreement that violates Section 5 of the Federal Trade Commission Act, as amended, (15 U.S.C. Section 45); that through this agreement Alleghany Corporation has agreed to acquire certain assets of Safeco Corporation; and that such acquisition, if consummated, would constitute a violation of Section 7 of the Clayton Act, as amended (15 U.S.C. Section 18); and it appearing that a proceeding in respect thereof would be in the public interest, hereby issues its Complaint, pursuant to Section 11 of the Clayton Act (15 U.S.C. Section 21) and Section 5(b) of the Federal Trade Commission Act (15 U.S.C. Section 45(b)), stating its charges as follows:

I. DEFINITION

1. For purposes of this Complaint, the term "title plant" means a privately owned set of records regarding the ownership of and interests in real property that is maintained by obtaining information from the public records on a daily or regular basis and is indexed, posted or otherwise organized to update data regarding specific land
parcels. The term "title plant information" means that information contained in and obtained from a title plant.

II. ALLEGHANY CORPORATION

2. Alleghany Corporation is a corporation organized, existing and doing business under and by virtue of the laws of the State of Delaware, with its principal office at Park Avenue Plaza, New York, New York.

3. Alleghany is the sole owner of Chicago Title & Trust Company, which is the sole owner of Chicago Title Insurance Company ("Chicago Title").

4. At all times relevant herein, Alleghany Corporation has been and is a corporation whose business is in or affecting commerce within the meaning of the Federal Trade Commission and Clayton Acts, as amended.

III. ACQUISITION

5. On October 10, 1986, Chicago Title & Trust Company entered into an agreement with Safeco Corporation to acquire all of the outstanding shares of Safeco Title Insurance Company ("Safeco"), a wholly-owned subsidiary of Safeco Corporation.

IV. TRADE AND COMMERCE

6. The relevant sections of the country are Cook County, Illinois, and Los Angeles County, California.

7. The relevant line of commerce is the production and sale of title plant information.

8. There are two title plants in Cook County, one of which is wholly-owned by Safeto and one of which is wholly-owned by Chicago Title Insurance Company.

9. There are three title plants in Los Angeles County, one of which is wholly-owned by Safeco Title Insurance Company and one of which is owned jointly by Chicago Title Insurance Company and four other companies.

10. There are no reasonable substitutes for access to title plant information for purposes of issuing title insurance policies in Cook County and Los Angeles County.

11. There are substantial barriers to entry into the creation of title plants in Cook County and Los Angeles County.

12. Through their respective ownership interests, Chicago Title and
Safeco are significant competitors in the production and sale of title plant information in Cook County and Los Angeles County.

V. EFFECTS OF THE ACQUISITION

13. The effects of the acquisition may be substantially to lessen competition or tend to create a monopoly in the relevant line of commerce in the following ways, among others:

a. it will eliminate substantial actual competition between Chicago Title and Safeco in the production and sale of title plant information in Cook County and Los Angeles County;

b. it will provide Chicago Title with a monopoly over title plant information in Cook County;

c. it will, by virtue of Chicago Title's ownership interest in two of the three title plants in Los Angeles County, increase the possibilities for collusion in the provision of title plant information in Los Angeles County; and

d. customers of title plant information in Cook County and Los Angeles County will be denied the benefits of free and open competition.

VI. VIOLATION CHARGED

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent having been furnished thereafter with a copy of a draft of complaint which the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge the respondent with violation of the Federal Trade Commission Act and Clayton Act; and

The respondent, its attorneys, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondent of all jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said
agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that a complaint should be issued, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, and having duly considered the comments filed thereafter by interested persons pursuant to Section 2.34 of its Rules, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings and enters the following order:

1. Alleghany Corporation is a corporation organized, existing and doing business under and by virtue of the laws of the State of Delaware, with its principal office at Park Avenue Plaza, New York, New York.

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondent, and the proceeding is in the public interest.

ORDER

I.

It is hereby ordered, That as used in this order the following definitions shall apply:

A. "Alleghany" means Alleghany Corporation, its subsidiaries, divisions, groups and affiliates controlled by Alleghany, and their respective directors, officers, employees and representatives, and their respective successors and assigns.

B. "Safeco" means Safeco Corporation, its subsidiaries, divisions, groups and affiliates controlled by Safeco, and their respective directors, officers, employees and representatives, and their respective successors and assigns.

C. "Title plant" means a privately owned set of records regarding the ownership of and interests in real property that is maintained by obtaining information from the public records on a daily or regular basis, and is indexed, posted or otherwise organized to update data regarding specific land parcels.

D. "TRI Plant" means the title plant located in Los Angeles County, California, in which Alleghany maintains an ownership interest.
II.

It is further ordered, That Alleghany shall divest or shall cause to be divested, absolutely and in good faith, all of its right, title and interest in the properties described in paragraphs IIA and IIB. Diversiture shall be made within the times specified in paragraph IIA and IIB, and shall be made only to a buyer or buyers and only in a manner that receives the prior approval of the Commission. The purpose of the diversiture is to ensure the continuation of the assets as ongoing, viable title plants engaged in the production and sale of title plant information, and to remedy the lessening of competition resulting from the acquisition as alleged in the Commission’s complaint in this matter.

A. Safeco’s title plant in Cook County and all user or access agreements with that plant shall be divested within twelve months from the date this order becomes final. Computer and other services provided for the plant by Safeco from Safeco’s other facilities, at the buyer’s option at the time of purchase, will continue to be provided by Alleghany at a commercially reasonable price, for a period of up to three years from the date this order becomes final and, at the buyer’s option, Alleghany will assist the buyer in transferring the computer services to any other provider of such services.

B. Either Safeco’s title plant in Los Angeles County or Alleghany’s interest in the TRI plant in Los Angeles County shall be divested within fourteen months from the date this order becomes final. Alternatively, Alleghany shall abandon its interest in the TRI plant within the same 14 month period. If the Safeco title plant is divested, all user or access agreements with the Safeco plant shall also be divested. If the Safeco title plant in Los Angeles County is divested, computer and other services provided for the plant by Safeco, at the buyer’s option at the time of purchase will continue to be provided by Alleghany at a commercially reasonable price for a period of up to three years from the date this order becomes final and, at the buyer’s option, Alleghany will assist the buyer in transferring the computer services to any other provider of such services.

III.

It is further ordered, That:

A. If Alleghany has not divested the Safeco Cook County title plant within the twelve month period, Alleghany shall consent to the appointment of a trustee by the Commission pursuant to the order. The appointment of a trustee shall not preclude the Commission from
seeking civil penalties and other relief available to it for any failure by Alleghany to comply with paragraphs IIB through IX of this order.

B. If a trustee is appointed by the Commission pursuant to paragraph IIIA of the order, Alleghany shall consent to the following terms and conditions regarding the trustee's duties and responsibilities:

1. The Commission shall select the trustee, subject to Alleghany's consent, which shall not be unreasonably withheld. The trustee shall be a person with experience and expertise in acquisitions and divestitures.

2. The trustee shall have six months from the date of appointment to submit for prior approval of the Commission the divestiture of the Safeco Cook County title plant.

3. If, at the end of the six month period, the trustee has not submitted for prior approval of the Commission a divestiture of the Safeco Cook County title plant, the trustee shall have an additional twelve month period in which to submit for prior approval of the Commission a divestiture of either the Safeco Cook County title plant or a copy of Alleghany's own computerized Cook County title plant.

4. If the trustee chooses to sell a copy of Alleghany's computerized Cook County title plant pursuant to paragraph IIB3, the sale shall include copies of all of the computer tapes and other information used by Alleghany in its operation of the computerized title plant, with the exception of the computer hardware, updated in the future on a daily basis until such time as the buyer(s) has established a separate title plant including that information and has, in full operation, the personnel needed to continue updating the plant information without Alleghany's assistance.

5. If at the end of the trustee's twelve month period the trustee has submitted a plan of divestiture or believes that divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission.

6. The trustee shall have full and complete access to the personnel, books, records, and facilities relating to any undivested assets and Alleghany shall develop such financial or other information relevant to the assets to be divested as such trustee may reasonably request. Alleghany shall cooperate with the trustee and shall take no action to interfere with or impede the trustee's accomplishment of the divestiture.

7. The power and authority of the trustee to divest shall be at the most favorable price and terms available consistent with the order's absolute and unconditional obligation to divest and the Commission's
intention to ensure that a viable, going concern will be divested, but there shall be no minimum price.

8. The trustee shall serve at the cost and expense of Alleghany on such reasonable and customary terms and conditions as the Commissioner may set. The trustee shall account for all monies derived from asset sales and all expenses incurred. After approval by the Commissioner of the account of the trustee, including fees for his or her services, all remaining monies shall be paid to Chicago Title & Trust Company and the trustee's power shall be terminated. The trustee's compensation shall be based at least in significant part on a commission arrangement (percentage of price) that is contingent on the trustee causing the divestiture of the assets and that shall provide an incentive for the trustee to divest the assets as soon as possible.

9. Promptly upon appointment of the trustee, Alleghany shall, subject to the Commission's prior approval and consistent with provisions of this order, execute a trust agreement that transfers to the trustee all rights and power necessary to permit the trustee to cause divestiture of undivested assets.

10. If the trustee ceases to act or fails to act diligently, the Commission may, on its own or by request of Alleghany, appoint a substitute trustee for the balance of the time periods specified in paragraph IIIB2 and IIIB3, or any extensions thereof.

11. The trustee shall report in writing to Alleghany and the Commission every thirty days concerning the trustee's efforts to accomplish divestiture.

12. The trustee shall be authorized to retain independent legal counsel and other persons for purposes of discharging the functions set forth above. Alleghany shall reimburse the trustee for the reasonable value of all expenses so incurred.

13. If Alleghany and the trustee are unable to resolve a dispute regarding the reasonable value of his/her services or the reasonableness of an expenditure or obligation incurred by the trustee in connection with his/her efforts to divest the assets, then Alleghany and the trustee shall submit the dispute to the Commission for resolution, but the time periods shall continue to run. The trust agreement shall recite that the Commission's determination of the reasonable value of the trustee's services or the reasonableness of expenditures and other obligations incurred by the trustee shall be binding upon Alleghany and the trustee.

IV.

It is further ordered, That Alleghany shall not cause or permit the wasting or deterioration of the assets and operations to be divested in
accordance with paragraphs IIA and IIB of this order in any manner that impairs the marketability of any such assets and operations or impairs in any manner the viability of the assets and operations as a going concern engaged in the production and sale of title plant information. In this regard:

A. Alleghany shall maintain the Safeco Cook County title plant and Safeco Los Angeles County title plant to the extent and in the manner maintained by Safeco prior to this acquisition, including but not limited to updating the records contained in the plants on a daily or regular basis such that the plants are as current as possible at all times.

B. Alleghany shall maintain in good faith all contracts for access to the Safeco Cook County title plant and Safeco Los Angeles County title plant subject to the terms, conditions and stipulations of those contracts, and will refrain from taking any action toward terminating those contracts other than that which would be commercially reasonable to Safeco under the terms of those agreements.

C. Alleghany shall, at the option of the accessor, automatically continue to maintain in good faith on identical terms, conditions and stipulations all contracts for access to the Safeco Cook County title plant that expire by their terms prior to divestiture of that plant for a period lasting until the closing date upon which such divestiture is completed, at which time Alleghany's obligations under such contracts shall cease, or, if divestiture of a copy of Alleghany's own plant as contemplated by paragraph IIB3 of this order is accomplished, for a period lasting until six months after the closing date upon which such divestiture is completed, at which time Alleghany's obligations under such contracts will cease.

D. Alleghany shall, at the option of the accessor, continue to maintain in good faith on identical terms, conditions and stipulations all contracts for access to its own Cook County title plant that expire by their terms prior to divestiture of either a copy of that plant as contemplated by paragraph IIB3 of this order or prior to divestiture of the Safeco Cook County title plant, for a period lasting until six months after the closing date upon which either divestiture is completed, at which time Alleghany's obligations under such contracts shall cease.

V.

It is further ordered, That for a period of ten years from the date this order becomes final, Alleghany shall not, directly or indirectly, acquire any stock, share capital, or equity interest in any concern,
corporate or non-corporate, that in turn has any direct or indirect ownership interest in a title plant that services either Cook County, Illinois, or Los Angeles County, California, or acquire from any concern, corporate or non-corporate, any assets (other than in the ordinary course of business) of, or ownership interest in, an existing title plant that services either Cook County, Illinois or Los Angeles County, California, without the prior approval of the Federal Trade Commission.

VI.

It is further ordered, That for a period of ten years from the date this order becomes final, Alleghany shall not, directly or indirectly, acquire any stock, share capital, or equity interest in any concern, corporate or non-corporate, that in turn has any direct or indirect ownership interest in a title plant servicing any geographic area for which Alleghany at that time has any direct or indirect ownership interest in a title plant servicing the same area, or acquire from any concern, corporate or non-corporate, any assets (other than in the ordinary course of business) of, or ownership interest in, any existing title plant servicing any geographic area for which Alleghany at that time has any direct or indirect ownership interest in a title plant servicing the same area, without providing advance written notification to the Federal Trade Commission. Said notification shall be given on the Notification and Report Form set forth in the Appendix to Part 803 of Title 16 of the Code of Federal Regulations as amended (hereinafter referred to as "the Notification"). Alleghany shall provide the Notification to the Federal Trade Commission at least thirty days prior to acquiring any such interest (hereinafter referred to as the "first waiting period"). Alleghany shall provide to the Commission supplemental information either in Alleghany's possession or reasonably available to Alleghany. Such supplemental information shall include a copy of the proposed acquisition agreement; the names of the principal representatives of Alleghany and of the firm Alleghany desires to acquire who negotiated the acquisition agreement, any management or strategic plans discussing the proposed acquisition, and all documents relating to competition for the provision of title plant services in that particular county. If, within the first waiting period, representatives of the Federal Trade Commission make a written request for additional information, Alleghany shall not consummate the acquisition until twenty days after submitting such additional information. Early termination of the waiting periods in this paragraph may be requested and, where appropriate, granted in the same manner as is applicable under the requirements and provi-

VII.

It is further ordered, That acquisitions resulting in an ownership interest of not more than 10% of publicly traded companies, solely for the purpose of investment, are not subject to the requirements of paragraphs V and VI of this order, except that acquisitions resulting in an ownership interest of more than 5% of publicly traded companies, even if solely for the purpose of investment, are subject to the requirements of paragraphs V and VI of this order if such companies, directly or indirectly, have an ownership interest of 5% or more in Ticor Title Insurance Company, Lawyers Title Insurance Corporation, First American Title Insurance Company, Commonwealth Land Title Insurance Company, Transamerica Title Insurance Company, Stewart Title Guaranty Company, Minnesota Title Insurance Company, or TRW, Inc. or any of their successors or assigns.

VIII.

It is further ordered, That Alleghany shall notify the Commission at least thirty days prior to any change in Alleghany such as dissolution, assignment or sale resulting in the emergence of a successor corporation, the creation or dissolution of subsidiaries or any other change in the corporation that may affect compliance obligations arising out of this order.

IX.

It is further ordered, That:

A. Within thirty days after the order becomes final, and every thirty days thereafter until Alleghany has fully complied with paragraph II of this order, Alleghany shall file with the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying, or has complied with this order. Such compliance reports shall include, in addition to any other information that the staff of the Federal Trade Commission may reasonably request, a summary of all contacts and negotiations with potential purchasers of the stock, assets, or other rights or interests to be divested under this order, the identity and address of all such potential purchasers, and copies of all written communications to and from such potential purchasers.
B. Within one year after the order becomes final, and annually for the next nine years, Alleghany shall submit to the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying, or has complied with this order.

Commissioners Bailey and Azcuenaga were recorded as voting in the negative.
