SUPPLEMENTARY INFORMATION:

Section A. Background

On October 20, 1999, the Commission issued its final Rule¹ pursuant to the Children’s Online Privacy Protection Act, 15 U.S.C. 6501, et seq. The Rule requires certain web site operators to post privacy policies, provide notice, and obtain parental consent prior to collecting, using, or disseminating personal information from children. The Rule contains a “safe harbor” provision enabling industry groups or others to submit self-regulatory guidelines that would implement the protections of the Rule to the Commission for approval.² Pursuant to Section 312.10 of the Rule, CARU has submitted proposed self-regulatory guidelines to the Commission for approval. The full text of the proposed guidelines is available on the Commission’s website, www.ftc.gov.
