## FEDERAL TRADE COMMISSION

### Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

**SUPPLEMENTARY INFORMATION:****I. Purpose**

In accordance with Federal  
Acquisition Regulation 19.702,  
contractors receiving a contract for more  
than the simplified acquisition  
threshold agree to have small business,  
small disadvantaged business, and  
women-owned small business,  
HUBZone small business, veteran-  
owned small business and service-  
disabled veteran-owned small business  
concerns participate in the performance  
of the contract as far as practicable.  
Contractors receiving a contract or a  
modification to a contract expected to  
exceed \$650,000 (\$1,500,000 for  
construction) must submit a  
subcontracting plan that provides  
maximum practicable opportunities for  
the above named concerns. Specific

elements required to be included in the  
plan are specified in section 8(d) of the  
Small Business Act and implemented in  
FAR subpart 19.7.

In conjunction with the  
subcontracting plan requirements,  
contractors must submit semi-annual  
reports of their small business  
subcontracting progress to the  
government. With the exception of those  
contracts noted in FAR 4.606(c)(5)  
which states "Actions that, pursuant to  
other authority, will not be entered in  
FPDS (e.g., reporting of the information  
would compromise national security)",  
contractors must use the electronic  
Individual Subcontract Report (ISR) in  
lieu of the Standard Form 294,  
Subcontracting Report for Individual  
Contracts. Those contract actions noted  
in FAR 4.606(c)(5) will continue to use  
the Standard Form 294.

The ISR in the Electronic  
Subcontracting Reporting System (eSRS)  
is the electronic equivalent of the  
Standard Form 294, Subcontracting  
Report for Individual Contracts. The  
Electronic Subcontracting Reporting  
System streamlines the small business  
subcontracting program reporting  
process and provides the data to  
agencies in a manner that enables them  
to more effectively manage the program.

**II. Annual Reporting Burden**

Based on information from eSRS and  
an estimate of the use of eSRS, an  
upward adjustment is being made to the  
number of respondents, but a downward  
adjustment is being made to the average  
burden hours for reporting and  
recordkeeping per response. As a result,  
a downward adjustment is being made  
to the estimated annual reporting  
burden since the notice regarding an  
extension to this clearance published in  
the **Federal Register** at 75 FR 9604, on  
March 3, 2010.

*Respondents:* 129,009.

*Responses per Respondent:* 3.

*Total Responses:* 387,027.

*Average Burden Hours per Response:*  
8.50.

*Total Burden Hours:* 3,289,729.50.

*Obtaining Copies of Proposals:*  
Requesters may obtain a copy of the  
information collection documents from  
the General Services Administration,  
Regulatory Secretariat (MVCB), 1275
