Subject: Additional Questions

Mike,

The ultimate parent entity of the acquirer is an Israeli company which has a US wholly-owned subsidiary. If the company has an agent in the US (which I am not sure if it does), can such person sign the certification page of the HSR Form and the accompanying affidavit? If not, or if there is no agent, what does the Israeli company have to do regarding notarizing the documents?

Best regards,

[REDACTED]
