Subject: NAICS Question: Geographic Data

Dear Mike,

We have a client who reports revenues under NAICS 511120 (Periodical Publications). With respect to the Item 7(c)(ii) geographic data that we should be reporting, can you clarify whether "a list of states in which the person filing notification conducts such operations" would refer to the states in which a periodical is published or the states in which the periodical is sold?

Thanks very much for your help,
