Subject: Foreign issuer

Mike - I have a question about the definition of a foreign issuer. If a company meets all three prongs of the definition in Section 801.1(e)(2)(i)(A) (is not incorporated in the US, not organized under the laws of the US and has principal offices outside the US), does it make any difference if its securities are traded on NASDAQ? I assume not?

Thank you for your help.

Regards,
