Re: Premerger Notification

Dear Mr. Scanlon:

This is in response to your letter dated November 5, 1984 inquiring about the acquisition by [REDACTED] of the [REDACTED] business of [REDACTED]

The proposed acquisition was announced on [REDACTED] these events were contemporaneously reported in The Wall Street Journal and other newspapers.

I believe it was in mid-August that my office received a call from a member of the Staff of the Premerger Notification Office (unfortunately, I do not have a record of the date of the call or the name of the Staff member who called) inquiring as to whether we were going to make a filing. We told the Staff member and we reconfirm here, our opinion that a filing was not required because this was a purchase of assets located outside the United States excluded from the requirement of filing in accordance with §802.50 of the Regulations: the sales into the United States attributable to the acquired foreign assets [REDACTED] were less than \$25 million during [REDACTED] most recent fiscal year.

Very truly yours,
[REDACTED]
