Re: [REDACTED]

Dear Wayne:

This will confirm our telephone conversation on May 29, 1986. The Premerger Notification Office has confirmed that there is no premerger notification filing requirement in connection with the reorganization of [REDACTED]. As we discussed, I enclose a redacted version of our interpretation request, from which we have deleted the specific names and in which we have substituted non-specific terms for [REDACTED]. Please let me know if the Office needs some further input from us regarding protecting the confidentiality of the May 15 request.

Obviously, we would appreciate a response to the other requests for informal rulings made by our office many weeks ago.

Sincerely yours,

[REDACTED]
