SECRETARY

I was a client of Freedom Debt Relief for a year and a half. FDR not only gave me a way out of financial trouble, but actually gave me my life back. Their people, everybody there, truly saved my life. Thanks to them I've reclaimed my life!

When I first signed up for the program, I was skeptical and was so far in debt that I did not think that I had a way out of the situation. I did not think there is a way for anyone to completely understand the devastation and stress that I was experiencing. I was so lost that there were days that I did not know where to turn. Now I've got my life back and I couldn't be happier.

They worked with me very closely and gave me such outstanding service...prompt and courteous. They made me feel so at ease and handled my problems so efficiently in such a personable way. I sincerely thank Freedom Debt Relief for all that they have done for me and I remain forever grateful. Their people saved my life. Really, 100%.

I just think so much, so highly, of their company. They did so much for me mentally, emotionally, everything... I'm just so grateful. I tell all my friends about their company all the time. I really do.

I have one friend, who had run into money troubles too. I told her to go with Freedom Debt Relief, but she went with a different company, and they were horrible. They left her worse off...so bad she finally had to file for bankruptcy. I told her "you went with the wrong company."

Freedom Debt Relief was so great to me. In a year and a half, they had me out of debt... but more than that, they were a godsend. They really were...a godsend!

Sincerely,
