Dear Sir:

You asked for comments on the closing/sale of the Quality-Tops market on Rochester Road in Lockport, New York.

You mention that it is about 5 miles from the Quality to the Tops on South Transit Road, and a little over 4 miles to the Tops on Lockport-Olcott Road in Wrights Corners.

Please don't overlook the fact that very few customers live on the "doorstep" of the Rochester Road Store. Many live in Gasport and Middleport. The nearest grocery to our east is in Medina, some 14 miles from the Quality on Rochester Road.

Also, a prime concern to us would be the loss of the Pharmacy. The Pharmacists and Pharmacy Assistants are always extremely helpful, contacting Physicians and Insurance Companies when the need arises. My husband and I have had 16 prescriptions filled there since July 1, 2010. You can be assured we will miss the Pharmacy greatly.

Please take these facts in consideration when making your final decision on the closing/sale of this store. Thank you.

Marian S. Cappiello
