Re: # 460; 16 C.F.R. Part 455: Regulatory Review of the Used Motor Vehicle Trade Regulation Rule: Notice of Proposed Rulemaking and Request For Public Comments On Four Proposed Changes To the Used Car Buyers Guide; Project No. P087604

Dear Mr. Hallerud:

When we spoke on the phone Wednesday, January 30, you indicated agreement to our extension request so long as accompanied by a formal letter memorializing this request. Per your instruction, the KGACLC formally requests an extension to include our public comment regarding Regulatory Review of the Used Motor Vehicle Trade Regulation Rule; Project No. P087604.

On behalf of the Katharine and George Alexander Community Law Center, Scott Maurer, Sarah Sanders and Devin Bissman, we request an extension to complete our Public Comment in response to the proposed changes to the Used Car Buyers Guide. An additional thirty days would allow us to complete our submission.

We request the additional time for two reasons. First, we need additional time to complete our survey of local used car dealerships. The survey focuses on Spanish Language advertising, as well as vehicle history reports. Secondly, the additional time allows us to summarize and analyze statutory and case law in relation to issues with the sale of used vehicles.

Sincerely,

Devin Bissman & Sarah Sanders,
Law Students under the Supervision of
Attorney Scott Maurer
